

We forgot last week to speak a word for our friends Messrs. John and James Reid—sons of J. Reid, Esq., of St. Eleanor's—who have recently entered into a co-partnership in the dry goods and general retail business.

The horse "Wilmot Hero," raised by Mr. Donald Taylor, North Bedoune, three years old, sired by the "Clyde," and took the first prize at the Prince County Exhibition last Fall, was sold on Monday last for the handsome sum of £32 10s., to Mr. Hugh Monagle, of Sussex Vale, N. B., for the Sussex Agricultural Society, Well done Prince County.

AMONG our new advertisements to-day, will be found one from Robert Gordon, Esq., as Auctioneer and Land Broker. As many persons are constantly making enquiry about the Western section of the Island, we would advise them to address Mr. Gordon, who, from his long residence in, and general knowledge of, that section of the country, will be able to supply accurate and full information to them.

The "spirits" of the North Star are still rapping away at every body who will not swallow their annexation sentiments and bear their low abuse. The poor fellows, they will soon need to call up some familiar spirits, if they persist in their present mad career. We do not wonder at this Island being too small to afford an opportunity to such a learned, profound and able man as Ross to display his talents.

For the information of a few individuals who seem to be much tickled about it, and in order to contradict their lying reports, we state that the Rev. A. S. DesBrisay, is not nor never was the editor of this paper, and has no connection with it. He has a few times contributed to its columns, and if his slanderers had as much brains as he has, and felt inclined, they might have done the same.

A rather unusual occurrence, and one which has afforded a good deal of talk and erred in a law suit, took place on Sunday morning last. The Rev. Mr. Crawford and his people had assembled on the shore for the purpose of emmering two or three individuals, among whom was a girl named Robinson. When the Rev. gentleman was about to proceed into the water with the girl, her mother, widow Robinson, interposed, and requested the minister not to emmer her child, stating that she had already been baptized; he, however, persisted, when a scuffle took place. An individual attempted to hold the old lady, but she proved too valiant for him, and releasing herself, she rushed into the water after the minister and rescued her girl from him. It is a pity some better understanding had not existed between the minister and the parent previously, as the scene whatever else may be said of it, was not a very pleasant one, and not at all fit for a Sabbath morning service, or calculated to make any good impression upon the crowd who witnessed it.

"Barney O'Shane" will appear next week. Oats are selling at 2s 3d; potatoes 1s per bushel. Eggs 9d per dozen; Butter 15d per lb., and very scarce.

The Progress announces that the controversy between Mr. Murray and Mr. Crawford will be stopped in that paper after this week.

The following gentlemen have been appointed members of the Board of Works: Hon. R. P. Haythorne, Hon. A. A. McDonald, Hon. Alex. Laird,

and the Colonial Secretary and the Commissioner of Public Lands, ex-officio. Superintendents of Public Works are—

Mr. B. Williams for Queen's County. Mr. John Clay for Prince County. Mr. Thomas Clay for Kings County.

We are pleased to learn from the Montreal Daily News, of the 26th ult., that among the gentlemen who passed their final examination at McGill College, Montreal, on the 25th ult., as M. D. C. M., were Mr. F. Cox, of this City (son of the late J. B. Cox, Esq., of Morell), and Mr. P. McLaren, of New Perth.—Isl.

Arrivals from Europe.

We notice the Brig Kerwin, Captain Hill, belonging to R. T. Holman, Esq., of this place, arrived on Monday the 10th inst., in 23 days from Liverpool, being the fastest passage reported this spring. We are glad to find that the Kerwin fully sustains the reputation she has for fast sailing, and hope she may continue to make her trips with the same regularity she has hitherto done, and be a success financially to her enterprising owner, who has been the means of establishing the first direct line between this port and Liverpool; a convenience the business men of this place ought not soon to forget.

The Bark Ocean Mail, Thomas Lee, master, arrived at Richmond Bay, on Monday last, after a passage of 27 days from Bristol, with a general cargo of merchandise, and crews for three new vessels, for Messrs.
