MR. LESLIE MacLEAN The community of Arlington, Lot 14 and surrounding districts were shocked to learn of the death of Mr. Leslie MacLean on Sept. 6 after a short illness of four days in the Prince County Hospital, Summerside, in his 72nd year. The late Mr. MacLean lived all his life in Lot 14, and was a son of the late John and Lydia (MacArthur) MacLean. He leaves to mourn the loss of a kind husband and father, his wife, the former Ella Phillips of Ellerslie, P. E. I., and the following sons and daughters: Alvin, Summerside; Eldon, Charlottetown; (Oiga) Mrs. Maynard MacArthur, Arlington, Lot 14; Carl, Toronto, Ont.; (Helen) Mrs. Henry Maynard, Port Hill; Russel, Bideford; Horace, St. Stephen, N.B.; Roland, Birch Hill, Lot 14, who resides on the homestead. Also two brothers, Arthur and Stanley, Birch Hill, Lot 14, and a sister (Eva) Mrs. Angus MacLennan, Port Hill. The funeral was held on Sept. 8 from his late residence where a short service was held followed by a service in Lot 14 United Church where he was a member and a regular attendant. Burial was in the adjoining cemetery. The services were conducted by his pastor, Rev. A. J. MacDonald, who spoke comforting words to the bereaved. The hymns sung were "Peace, Perfect Peace", at the house, "The Lord's My Shepherd", "Forever With The Lord", at the church and Roy Phillips sang feelingly, "Will The Circle Be Unbroken?" The large concourse of friends and relatives attending showed the esteem in which the late Mr. MacLean was held. The many floral tributes bore silent testimony of the deceased. The pallbearers were nephews of the deceased: Messrs. Kelvin MacLennan, Lagan and Elmer MacLean, Bertram and Earl Phillips and Sterling Millar. The flower bearers were his grandsons: Rogers and Warren MacArthur, Millar, Clinton, Lea and Herman MacLean.

FOR ONE POINT landings

With the increasing hazards of highway travel, there may be a big market ahead for a new lightweight aluminum crash helmet developed in Europe. It not only takes unnecessary weight off your mind; tests proved that it also exhibits less "dent depth" when objects are dropped on it - with no one underneath, we should add. Sounds like a sensible chapeau for construction workers too. Certainly lots of aluminum articles developed for one use have been quickly adopted for others... a process which has helped build heavy demand for Canadian aluminum both at home and in foreign markets. If You've Never Used MILK OF MAGNESIA

you owe it to yourself and family to read this!

Medical Facts Prove No Ordinary Laxative In The World Gives Such Complete Relief As MILK OF MAGNESIA!

Milk of Magnesia is more than a laxative! That's why it does more for you—brings you better relief.

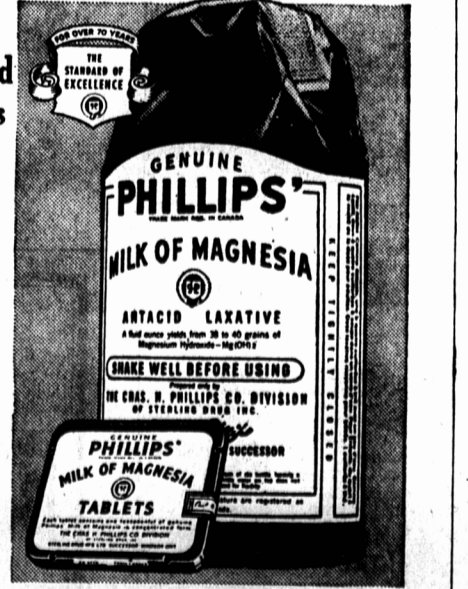

It's an established medical fact that when you're suffering from constipation, acid indigestion is frequently present, too. Yes—acid indigestion—a condition that requires relief, but which no simple laxative can even begin to relieve.

What is a Laxative? As your own doctor can tell you, a laxative is a mild cathartic used to cleanse the system of wastes.

Now, note that a laxative is not an antacid. It's simply a mild cathartic. And that's why it has no effect whatever on acidity... why it brings you only partial relief when taken for constipation and accompanying acid indigestion.

But there's no need for you to be satisfied with partial relief. For Milk of Magnesia gives you better relief—more complete relief—than any ordinary laxative.

Why Milk of Magnesia is Better! Milk of Magnesia does more for you because it's more than a laxative. It's an antacid, too. As a result, it not only relieves constipation, but accompanying acid indigestion as well. Yes—and Milk of Magnesia also gives you

wonderfully, gentle relief. And it can be taken without fear of embarrassing urgency, because it works leisurely. When necessary, take two to four tablespoonfuls with water at bedtime. After a good night's sleep, you'll wake up the next morning to the kind of relief that will help you start your day feeling fine.

When you buy, ask for Phillips' Milk of Magnesia. It's the best laxative-antacid money can buy.

So Gentle For Children... So Thorough For Grownups PHILLIPS' MILK OF MAGNESIA LIQUID OR TABLETS RELIEVE GAS, HEARTBURN, UPSET STOMACH FAST! Whenever over-indulgence in food, tobacco or stimulants causes distressing symptoms of acid indigestion, take PHILLIPS' as an antacid—either in Liquid or Tablet form. It contains one of the fastest, most effective stomach sweeteners known to science—relieves your acid upset in practically no time at all.

IT'S NO SECRET.. TRY PERFECTION!

The rich, natural goodness of Perfection Evaporated Milk is your key to a wonderful variety of delicious desserts that can literally be whipped up in a jiffy. Baked custards, or frozen delights are equally good, and crisp "whipped cream" of chilled Perfection Evaporated Milk adds value and variety to fruits, cakes and puddings. Insist on PERFECTION.

TO WHIP Chill thoroughly, whip with a rotary beater—and, if desired, add a few drops of lemon or vanilla for added body. CENTRAL CREAMERIES Limited
