Stoves, Stoves—D. Rogers
Cash for Oats—John Lefurgy
Pictou House Coal—R. A. Strong & Bro.

ANY person who is at all acquainted with Mr. Geo. W. Miller knows him to be a regular genius. He can cut, carve, engrave, paint, work at tin, invent, and is a brother printer to boot.

THE weather during the past week has been very unfavorable for farming operations. A good deal of grain is down, and we fear, will be much injured by the heavy rains of the past few days.

CAPT. EVANS has left the Steamer Princess of Wales, to take charge of the new Steamer St. Lawrence, recently purchased by the P. E. Island S. N. Company.

WE are indebted to F. McNeill, Esq., for his kindness and promptness in furnishing us with a list of the prizes awarded at the Exhibition yesterday.

WE intended to make some remarks on the correspondence in another column, between the Attorney General and Hon. J. C. Pope, but are obliged to omit them to make room for the list of prizes of the Exhibition.

THE Bazaar and Tea which took place at St. Peter's Church, Alberton, was, we are glad to hear, a decided success.

WE should think that Members of the Government, who were present at the Exhibition yesterday, will now see the need of a public square in Summerside, and at once purchase the ground adjoining the Drill Shed, from Mr. Sinclair, before any gentleman builds on it.

THE Freight shipped from this place on board the Steamer "Princess of Wales" yesterday morning was: 234 bushels of oats, 22 bushels of eggs, 23 tubs butter, and 150 bushels of barley.

Married. On Tuesday the 29th September, at the residence of the brides father, by the Rev. Dr. S. Patterson, Mr. Joseph Linkletter, of Lot 1, to Margaret, daughter of Mr. Alexander Cooper, of Lot 26.

Died. On the morning of September 28th, of Typhoid fever, Hammond Johnson, M. D., aged 34 years, peacefully and confidently trusting in Jesus.

At noon a Requiem on Friday the 18th inst., after an illness of upwards of 4 years, which he bore with Christian fortitude and resignation of the Divine Will, Mr. Richard Clark, in the 56 year of his age.
