NEW YORK

NEW YORK (AP) — Routine profit-taking nipped the stock market rally midway through its sixth straight session Friday and prices ended irregularly lower.

As the rally ended, however, trading slackened, easing the import of the decline. Volume slipped to 4,930,000 shares from Thursday's 5,600,000 and was the highest since April 28 when 4,830,000 shares changed hands.

Chrysler and the top steelmakers which paced Thursday's advance were in the forefront as the market rose in the morning. The steels became narrowly mixed, however, and Chrysler, which had sold as high as 51¾, closed at 51⅛, a net gain of ½. It's volume of 256,000 shares made it second most active stock.

The Dow Jones industrial average, which showed a gain of 1.33 at mid-session, closed with a net loss of 1.60 at 828.57.

The reversal of trend came about during the noon hour and analysts said there was no particular news connected with it. They said traders had apparently decided to lighten their commitments prior to the weekend.

LIST SOFTENS

As the over-all stock list softened, however, the speculative element turned once again to Texas Gulf Sulphur. It wiped out its loss of 2¾ taken in the previous session and posted an advance of 4¾ at 54¼ on 296,100 shares, making it the most active stock. Curtis Publishing, whose land adjacent to Texas Gulf's mineral find at Timmins, Ont., has made it a sidekick of TGS in the market, also improved, rising ¾ to 18 in active dealings.

The Associated Press average of 60 stocks declined .9 to 306.5.

Radio Corp. was third most active, losing 1¼ at 33¾ on 111,300 shares as profits were taken on its recent strength.

Next came Eastern Airlines, off 1½, followed by Curtis Publishing.

Eastern Airlines, along with National Airlines, which fell 2¾ to 47¾, reacted to news of a court ruling which enables their competitor in the profitable New York-Florida run, Northeast Airlines, to continue to fly that route. Northeast Airlines rose 1¾ to ¾ on the American Stock Exchange.

BOEING RISES

Boeing, which was awarded an $80,000,000 contract to develop lunar orbiting spacecraft, rose 1¼, Du Pont fell 2½, Ford ½.

Several Canadian issues retreated from their best marks of the day. Canadian Pacific ended the session ahead ¾, Hudson Bay Mining was ahead ⅝, McIntyre Porcupine ½ and Dome Mines and Granby Mining ¾ each. Aluminium Ltd., and Distillers Seagrams were off ⅛ apiece.

Prices were irregularly lower on the American Exchange. Canadian Javelin and Quebec Rainbow Oil gained ⅛ each. Off ⅛ were Brazilian Traction, Preston, Fargo Oil and Jupiter Corp.

TORONTO

TORONTO (CP) — Investors concentrated their dealings in investment-type stocks although some small support did come into speculative issues near the close on the stock market Friday.

Reichhold Chemicals paced a slightly higher industrial list with a gain of 2½ to 28½. Canadian Canners A, following its report of a sharp earnings rise for the year ended March 1964, climbed 7/8 to 14. Other good gainers included Dominion Tar, Du Pont, Imoore Corp. and Algoma Steel.

Westinghouse slipped 2¾ to 37, and was the heaviest loser on the board. Banks were lower with Montreal off ¼ to 65¾. Selected losers were Simsons Ltd., Steel of Canada and International Minerals and Chemicals.

The base metal index showed a minus sign, but the glamorous stocks, International Nickel, Falconbridge, Noranda and Hudson Bay were all higher. Cassiar slipped ⅜ to 10¾ for the section's biggest decline.

Among the speculative issues receiving late support were Bellefeire, Bunker Hill and Jelex. Gains, however, were restricted to a few cents.

Western oils moved ahead behind strength in Home Oil A, Home Oil B and Husky Oil.

On index, industrials were up .11 to 153.72, golds .60 to 134.17, western oils .21 to 98.31 and the Exchange index .10 to 143.86. Base metals were down .23 to 65.32. Volume for the day was 4,468,000 shares compared with 4,959,000 shares traded Thursday.
