IN MEMORIAM

MRS. KATHERINE GILLIS

There passed away in the home of her son and daughter-in-law, Mr. and Mrs. Alex MacLean of Heatherdale on January 10th, Mrs. Katherine Gillis in her 94th year. Mrs. Gillis had been in poor health for some years and had been kindly and tenderly cared for by her son, his wife and their family. Mrs. Gillis was a woman of beautiful Christian character and because of her gentleness, goodwill and kindly disposition, she endeared herself to all who knew her. The funeral service held in the home and conducted by Rev. A. C. Fraser, was largely attended for people came from far and near to pay their final respects to a friend well-beloved. The favourite hymns, "The Lord's My Shepherd", "Shall We Gather At The River" and "Rock of Ages" were sung. Interment was made in the Valleyfield cemetery.

East Royalty In 7-2 Victory At Montague

East Royalty Royals downed Montague Meteors 7-2 Saturday night in a fast, wide-open hockey game in the Montague rink.

Cliff Jackson, Ronnie Shepherd and Gregory paced the winners' attack with two goals. Norman Larter scored the Royals other goal and picked up three assists on the night's play.

Clements opened the scoring for Montague near the end of the second period on a play with Power. Meteors other goal was scored by Lannigan with Clements assisting.

Montague held the visitors in check during the first twenty minutes but were outplayed in the second and third sessions. Although both teams skated at a fast pace poor ice made it difficult to handle the puck and spoiled a number of scoring opportunities.

Frank Roper in the East Royalty net turned in a standout performance as he blocked several goal-labeled drives. Walper at the other end also came through with a number of smart close-in saves.

Line-ups: Royals: Goal, Roper; defence, Code, Blanchard, Burge, Hillier, Love; forwards, Larter, Jackson, Gregory, Brehaut, Bradley, Shepherd.

Meteors: Goal, Walper; defence, George, L. Fraser, P. Fraser; forwards, MacLean, A. Clements, Power, K. Clements, Lannigan, Sorrey, Johnstone, MacLure.

"Maybe folks should look at security this way"

It seems to me that keeping yourself when you get up in years is something like keeping up a car.

You can't run a car on just gas. It's got to have plenty of oil and grease too. And I figure the same idea works with me and the money I'll need someday.

Suppose I get paid some kind of old-age benefit, the same as everybody else. I'll be mighty glad to get that money. But I'm going to want more money coming in. And that's just what I'm saving

for now with my life insurance. Even then I won't be living the life of Reilly. But at least I'll have most of the comforts I want. And right now it's mighty good to know that if anything happens to me, my life insurance will take care of my family. Anyhow, don't you think a man should help provide for his own security? I do. And millions of other Canadians are doing it now — with their own life insurance.
