Medicine of the Million. Philosophy and Fact.

HOLLOWAY'S PILLS. THE EXCITING CAUSE OF SICKNESS. The blood is the life-sustaining agent. It furnishes the components of flesh, bone, muscle, nerve and integument. The stomach in its manufactory, the veins its distributors, and the intestines the channels through which the waste matter rejected in its production, is expelled. Upon the stomach, the circulation and the bowels, these Pills act simultaneously, relieving indigestion, purifying the fluids, and regulating the excretions.

THE NATIONAL COMPLAINT. Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes; and is the primary source of innumerable dangerous maladies; but whatever its type or symptoms, however obstinate its resistance to ordinary prescriptions, it yields readily and rapidly to this searching and unerring remedy.

BILIOUS AFFECTIONS. The quantity and quality of the bile are of vital importance to health. Upon the liver, the gland which secretes this fluid, the Pills operate specifically, infallibly rectifying its irregularities, and effectually curing Jaundice, Bilious Remittants, and all the varieties of disease generated by an unnatural condition of the organ.

A WORD TO FEMALES. The local debility and irregularities which are the especial annoyance of the weaker sex, and which, when neglected, always shorten life, are relieved for the time being and prevented for the time to come, by a course of this mild but thorough alterative.

USED THROUGHOUT THE WORLD. Holloway's Pills are equally efficacious in complaints common to the whole human race, and in disorders peculiar to certain climates and localities.

ALARMING DISORDERS. Dyspepsia, and derangement of the liver, the source of infirmity and suffering, and the cause of innumerable deaths, yield to these curatives, in all cases however aggravated, acting as a mild purgative, alterative and tonic; they relieve the bowels, purify the fluids, and invigorate the system and the constitution, at the same time.

GENERAL WEAKNESS—NERVOUS COMPLAINTS. When all stimulants fail, the renovating and bracing properties of these Pills give firmness to the shivering nerves and enfeebled muscles of the victim of general debility. Holloway's Pills are the best remedy known in the world for the following diseases:—

Ague, Dysentery, Liver complaints, tums, Bil's Complaints, Erysipelas, Lumbago, Tic-Doloureux, Rheumatism, Female Irregularities, Piles, Tumours, Blotches on Skin, Itches, Rheumatism, Ulcers, Bow'l complaints, Fevers, all kinds, Retention of Urine, Venereal Affections, Cancers, Fits, Scrofula, or King's Evil, Weakness, from Consumption, Gout, Head-ache, Sore Throats, whatever cause Debility, Indigestion, Stone and Gravel, &c., &c. Dropsy, Jaundice, Secondary Symp.

Sold at the Establishments of Professor Holloway, 244, Strand, (near Temple Bar) London, and 80, Maiden Lane, New York; also by all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices:—1s. 3d., 3s. 3d., and 5s. each Box. There is a considerable saving by taking the larger sizes. N. B.—Directions for the guidance of patients in every disorder are affixed to each Box.

THE EXAMINER IS printed and published every Monday by EDWARD WHELAN, at his office, Kent-st., nearly opposite Mr. Coles's Brewery. Price—15s. per annum, payable half yearly in advance.
