OUR NEWS BUDGET for OUR SATURDAY SUBSCRIBERS

MONDAY GLACE BAY, N. S., Dec. 21 — (CP) — Glace Bay Miners, playing steady, aggressive hockey, upset Charlottetown Islanders 4-2 in a regular game of the Maritime Major Hockey League here Saturday.

Miners gave Al Millar, Charlottetown goalie, a fair amount of work as he handled 38 stops and Don Lockhart, Glace Bay netminder, also was busy with 32 saves.

With injuries that include a broken jaw, fractured ankle, deep lacerations to the limbs, and multiple bruises, the condition of Mrs. Ralph Ellis, Summerside, injured in a collision between two cars near Miscouche Legion Home on Friday evening is reported as improving.

Mrs. Ellis is believed to have been the most seriously injured of four people who are still hospitalized as a result of the collision in which both cars were wrecked.

For the second week-end in succession the Summerside High School was broken into and various sums of money taken on both occasions.

In the latest break, which occurred sometime Saturday night the vandals smashed their way into the principal's office and also into the industrial arts shop where they forced open some doors and locks on lockers where the boys keep their metal and woodworking equipment.

The vandals also forced open an ice-cream locker in their destructive raid on the school.

Fire broke out at noon yesterday at the home of Mr. and Mrs. Arthur Wallace, Fortune Cove, near Alberton. For a time it was feared that the large dwelling would be completely destroyed by the flames but heroic efforts on the part of the Alberton Fire Brigade and a large number of neighbors succeeded in bringing the conflagration under control.

Bucket lines were set up from a pump in the barn and a nearby stream and the firemen and volunteers fought the blaze for over an hour before it was extinguished.

A markedly great increase in the number of bulbs sold is a feature of the annual report of Mr. Robert Snazelle, promoter for the Cotton Trust for Rural Beautification. The report shows that this year there were 70,000 bulbs sold, while last year the total was only 46,000 and in 1950 it was 26,000.

Mr. Snazelle's report shows that there has been no easing off in the demand for nursery stock as the public in this Province is continually asking for trees, shrubs, vines, and other items grown in the Southport nursery. Approximately \$11,400 worth of stock was sold this year and orders have been received for items for delivery next spring. Among the latter is one for \$1,600 for the proposed Summerside Airport Housing project.

"Just routine operations on patrol," said Leading Seaman William Gaudet, 129 Spring Park Road, last night when asked to describe his experiences on board H.M.C.S. Nookka which recently arrived back in Canada after a tour of duty in Korea waters.

However, the local sailor, one of several Islanders returning from the Far East, said he had seen some "wonderful sights" during his travels. Places which made a big impression on him included Japan, Singapore, Colombo, Aden, Suez, Malta, Gibraltar and the Azores.

He particularly recalled a ship's smoker held in Hong Kong and a party which the Canadian Consul in Singapore had given the crew.

Other Islanders returning over the weekend included Walter West-haver, Borden; Francis Cullen, Charlottetown; Vernon Steele, Montague; Leo Bout, St. Louis; and Joseph Blaquiere, North Rustico. Expected to arrive on December 30 is Leading Seaman Donald Bruce, 54 Chestnut Street, also a crew member of the Nookka.

NAVY OFFICIALS yesterday released the names of 105 crew members of the destroyer HMCS Iroquois who now leave for Victoria. B. C. A. Joseph Gaudet of Fighish and AB. J. MacAulay, Tracadie Cross are among those homeward bound.

The Iroquois left Esquimalt Saturday for Halifax under a skeleton crew and is expected to reach the East Coast Naval Base on January 7. The ship arrived from the Korean war theatre last week.

Lowell A. Allen of Summerside, today begins his first day in the practise of law in Prince Edward Island.

This 26-year-old graduate of Dalhousie Law School was formally admitted to the Bar of Prince Edward Island in Supreme Court yesterday afternoon at Summerside. The motion for his admission was made by the Attorney General Walter E. Darby and so ordered by the presiding judge, Chief Justice Thane A. Campbell.

A head on collision about eight o'clock last night on the pavement at Montrose near Alberton, between a 1930 model A Ford car and a late model Meteor resulted in two persons being rushed to the Western Hospital at Alberton suffering from severe cuts and abrasions.

Mr. John Finner, Bloomfield, driver of the Ford car required five stitches to close a deep cut in his nose and also suffered severe bruises on the face. Mrs. Finner, the only other passenger, was more seriously injured with multiple superficial abrasions and contusions, a severed artery and internal bleeding.

At a special sitting of the Supreme Court in Summerside yesterday presided over by Chief Justice Thane A. Campbell, two divorce cases were before the court.

In the case of Walter Gallant, plaintiff, versus Julia Ann Gallant, defendant, and Trueman Jel-

tery, co-respondent, judgment was reserved until January 2. Mr. Morley M. Bell, Q.C., was attorney for the plaintiff.

In the case of Doris Jay Walker, plaintiff, versus Kenneth Alexander Walker, defendant, and Rachael Munn, co-respondent, judgment absolute was given, pending receipt of an affidavit from Charlottetown. Mr. Chester S. MacDonald was attorney for the plaintiff.

Connie Bonhomme and Jim MacKenzie, playing as though the league championship were at stake last night proved the age-old adage that "they always come back" as they led the Glace Bay Miners to a 6-3 victory over the Islanders in a well played hockey game at the Forum.

Bonhomme and MacKenzie playing their first game here since they were traded to the Glace Bay Miners a week ago, each fired two goals to insure the Miners of their first victory on Charlottetown ice this season.

Although outscored the Islanders were not outplayed as the shots on goal indicate. In the first two periods the Islanders controlled the play in the fast and fairly wide open contest and in the final frame play was about even.

The difference in the outcome was provided by the Miners' ability to make the most of their breaks. The Islanders had many more chances but erratic marksmanship around the net cost them easy goals.

WEDNESDAY Three men, Hugh Moan, 38, his brother Frank Moan, 48, Shamrock and a friend, James Claude MacInnis, 40, Rose Valley, all died in a fire which swept the small home of the brothers early yesterday morning.

It was discovered by a passing motorist and nearby neighbors aroused and nearby help was summoned from Kin-kora and Emerald, but the house and barn, located near the intersection known as Moan's Corner and the County Line Road between Queen's and Prince Counties, was beyond saving.

Dr. David W. MacKenzie, 77, long recognized as one of Canada's outstanding surgeons, died in the P. E. I. Hospital yesterday following a short illness. His son, Dr. David MacKenzie, had just arrived from Montreal the previous night to spend the Christmas holidays with his parents.

The late Dr. MacKenzie was a native of Flat River where he received his early education before attending Prince of Wales College. He obtained his Bachelor of Arts degree at Dalhousie University and later earned his M.D. at Cornell University, Ithaca, N. Y.

He was a Fellow of the American College of Surgeons and a Fellow of the Royal Society of England. He was also a former president of the Urological Association and of the Clinical Society of Genito-Urological Surgeons.

Three Albany youths were injured on Monday and a new light delivery truck was badly damaged when the truck driven by Carman Ross left the highway and overturned about one mile west of Albany village.

The occupants in the front of the truck escaped uninjured but three children who were passengers on the back of the truck were taken to hospital with various injuries.

The three taken to hospital were Donnie McCormack, son of Mr. and Mrs. Wilfred McCormack; John Noonan, son of Mr. and Mrs. Russell Noonan; and Arde Murray, son of Mr. and Mrs. Adrian Murray, all of Albany.

John Noonan is still detained in hospital where his condition is satisfactory, and the other boys were released from hospital yesterday.

With 101 years behind him Mr. Alexander "Sandy" Cameron, Summerside's oldest citizen, reads without glasses, can hear a conversation spoken in a normal tone of voice, and has most of his natural teeth.

He walks several hundreds yards daily to the post office and store, chops the kindling and does other chores around the house. Displaying a ready wit and keen sense of humor, Mr. Cameron, enjoys remarkable health and activity. In his younger days he used eye-glasses but his sight improved in later years so that they were no longer needed and he now frequently reads for a half hour at a time without difficulty.

Born at Southwest River, New London, on Christmas Day, 1851, Mr. Cameron once lived at Kensington when the village consisted of only four families. His father's name was Donald Cameron while his mother was the former Margaret Pickering.

About the time of the gold rush in Colorado, "Sandy" joined the exodus to the west and after visiting various places in the U. S. A. he went to Winnipeg when it was only a small but rapidly growing town of 11 years.

After four years in Western Canada he returned to Kensington where he built a house, sold it and built another.

His wife who passed away on January 11th 1938 at the advanced age of 88 years was the former Flora Ellison of Princetown, now Malpeque. The couple were married in Bedeque by the Rev. Mr. Patterson. They had two children, a daughter, Mrs. Annie Bell of Elmsdale with whom Mr. Cameron resides and a son John, now deceased. He has one grandchild, Maxwell Cameron and two great-grand children. A favorite of old and young, Mr. Cameron is a story teller, par excellence, and his stories are punctuated with his ever present keen sense of humor.

The War Surplus Store on Water Street, Summerside, operated by Mr. Norman Prichard was once more visited by burglars sometime Monday night or Tuesday morning. During the past year there have been two previous breaks and

a possible third about a week ago when the front window was broken but apparently no goods taken.

Since the store was opened by Mr. Prichard after the war there have been a succession of breaks. In the latest the thieves smashed the front window and made off with a quantity of merchandise on display there. According to the owner three shelves of wares were taken but due to the fact that the window was well stocked, the amount of goods taken could not be ascertained until a full check of stock is taken.

FRIDAY Pte. Arthur Allison King, 19, who was wounded in Korea last October, died Wednesday in the Madigan Army Hospital, Tacoma, Washington. He was a son of Mr. and Mrs. Arthur King, 80 Highland Avenue and had been in Korea with the Royal Canadian Regiment since last April.

Pte. King was wounded in both legs Oct. 13, but was reported as showing improvement in his condition. He was flown to the United States hospital only last week and Wednesday his parents were told that his condition was worsening.

The death occurred in the P. E. Island Hospital on Wednesday, Dec. 24th of Walter S. Weeks, age 45, after a short illness. Mr. Weeks was a well known businessman, being proprietor of the Weeks Farm Equipment Company in Charlottetown. The nature of his business brought him in constant contact with farmers throughout the Province, with whom he enjoyed splendid relations.

Mr. Weeks was born at Fredericton, P. E. I., the son of the late Frank Weeks and his wife who still resides there. He was married and is survived by his widow, the former Gertrude White of Murray Harbour, and five children. Three brothers also survive. Mr. Hedley B. Weeks, Charlottetown and Herbert and Chester at Fredericton. His only sister, Mrs. Louis Roper of Southport, died in 1949.

A sigh of thankfulness was given by the workers at the Post Office here when Christmas finally came. Captain J. J. Connolly, Postmaster, said it was one of the busiest times ever seen here.

The exact percentage of increase in the volume of mail over last year could not be determined last night but Mr. Connolly said that it was more than the normal increase which is being felt each year. One of the factors which entered into the distribution of the mail this year was the weather. Open roads allowed all carriers to reach their destination and as a result there are no "holdovers" in the post office here.

Over 40 extra employees were on the staff for the rush period, but a veteran employee remarked that the fact many of them had previous experience made the work much easier this year.

Summerside police over the holiday cracked down hard in a serious campaign to end and clean up a number of breaks that have recently occurred.

The campaign was officially opened early Wednesday morning by officers Elmer Matheson and Keith Champion who surprised two young men returning home allegedly from a break that had just been made at Robinson's Bakery.

Before the young men could say "If I'd known you were coming I'd have baked a cake" one of them was relieved of the eggs, lard, etc. that he was carrying, and an investigation revealed he was warmly dressed in an item of clothing allegedly stolen from the War Surplus Store in a break that occurred the previous night.

The other suspect escaped in a very fast dash, but swift action followed as Chief of Police Peter White, accompanied by Officers Elmer Linkletter, Harry MacKay, and Elmer Matheson raided two homes, and recovered merchandise allegedly stolen from a number of hitherto unsolved breaks.

Some sixteen patients who spent Christmas at the Western Hospital, were pleasantly surprised Wednesday afternoon when, under auspices of the Alberton Women's Institute, a group of carol singers came to bring a bit of Christmas joy to them. Mrs. Joseph Callaghan, president of the institute, had arranged for Santa to join the group, and she accompanied him as he visited each patient and left a treat. The sisters were also remembered by Santa. The carollers were treated to candy by the hospital staff.
