Can Bombers Repeat?

TWO ancient rivals, Winnipeg Blue Bombers and Hamilton Tiger-Cats, renew their annual fued this afternoon at the CNE Stadium in Toronto.

Bud Grant's Bombers will be trying to continue their mastery over Jim Trimble's Tiger-Cats. The jinx has prevailed the last three times Winnipeg and Hamilton clubs have met. In 1958 Bombers beat Ticats 35-28, in 1959 it was a 21-7 decision for Bud Grant's men and in 1961 Bombers conquered Jim Trimble and company 21-14. The teams also clashed in 1957 and that Grey Cup afternoon the Hamilton outfit was victorious 37-2. In 1960 Ottawa Rough Riders tripped Edmonton Eskimos in the Grey Cup classic.

THIS season many of the experts figure Hamilton has their greatest chance since 1957. The Blue Bombers came through the western playdowns in a most unhealthy state and Bud Grant has a fair number of cripples in his lineup this afternoon. Of course Grant isn't, for a moment, minimizing his troubles. He would like Jim Trimble and his boys to think they had a real pushover this afternoon.

And Trimble is talking long and loud and making no bones about what he expects this afternoon. He says his Tiger-Cats will claw their way to triumph today and at least partially atone for previous humiliations.

Cripples Are Many

THURSDAY Grant had nearly everybody work out in preparation for the big contest. Fullback Hagberg and defensive end Herb Gary merely went for a run while team mates worked plays. Both men are reported to have badly sprained ankles and were tapped from instep to calf. Another fellow who went only for a run was defensive tackle Roger Savoie. He has a strained rib cartilage and is bound to the armpits.

Fullback Charlie Shepherd was working out with the team but Charlie was wearing a hip-to-ribs corset bracing his wrenched back. Corner linebacker Gordie Rowland is definitely out and interior linebacker Dave Burkholder will see limited action because of a hugh thigh bruise.

THE Tiger-Cats are in good shape for this encounter. They are sporting a six game winning streak. They coppied the last four in regular season play and they trounced Montreal Alouttes in the two Big Four final games. They have no serious injuries and should be at their peak for today's showdown.

With the state of the poll in such shape, it would appear easy to understand why the experts have shown a liking for Hamilton this December afternoon.

Just to give the game a touch of local flavor, we called a few persons interested in the game around Charlottetown and asked them their views on this Grey Cup battle.

The Local Experts

SDU coach Ed Hilton maintained the Bombers, when healthy, are a stronger club than the Tiger-Cats but Ed felt the many injuries suffered by Bud Grant and company make him pick the Hamilton club to achieve victory today. Ed thinks the difference will be about one touchdown.

Gus Flynn suggests that the name Blue Bombers is enough to scare the Tiger-Cats. Injuries or not, he figures Winnipeg by at least two touchdowns. "Just too much power" says Mr. Flynn.

Carman Smith, Guardian sportswriter, is in partial agreement with Gus. But Smity thinks the margin of victory will be a major or less.

Dr. Frank Burge, SDU club physician, is going along with Hamilton. The Doctor thinks the spread will be ten points. SDU Jayvees' coach, John Kane, likes Hamilton by two touchdowns "because Winnipeg injuries will hurt too much.

Patriot's sports columnist, Mike Hennessey, is calling Hamilton because of the number of injuries suffered by the Blue Bombers.

Bill Ledwell has these words of wisdom: "The experts are going with Hamilton. so I guess I'm no expert. I look for Winnipeg to do it again - - by less than a TD - - say 25-22. Reasons: Ploen is a great clutch player and Zuger is somewhat of a question mark; the West has an edge over the East; and the Blue Bombers, notwithstanding their injuries, are the Yankees of Canadian pro football.

It should be a whale of a ball game."

Our own idea is that Hamilton will come through by at least two touchdowns.

Don't forget to watch the action. It should be a great thriller.

BOMBERS' BIG TRIO

Bud Grant, Winnnipeg Blue Bombers' coach, will rely heavily today on these three players to retain the Grey Cup for Winnipeg. Left to right they are Sherwyn Thorson, guard, Herb Gray, end, and Leo Lewis, halfback. (CP Photo)

Officials Face Possibility Grey Cup Tilt Postponed

By MEL SUFRIN

TORONTO (CP) — The weather was the dominant topic of Grey Cup discussion Friday night as Canadian Football League officials faced up to the possibility that today's 35th renewal of the East-West classic might have to be postponed because of fog.

As Winnipeg Blue Bombers, the defending champions, and Hamilton Tiger-Cats, the Eastern Challengers, were running through light drills before retiring to await the big game, the Canadian National Exhibition Stadium was locked in tight by a blanket of fog hanging over Toronto's waterfront area.

The weather office said there was a better-than-even chance that the mist would be cleared away by 1 p.m. today, when the game is scheduled to begin. If it does, conditions will be perfect, with a light wind, sunny skies, a balmy 50-degree temperature and a dry field.

But at mid-afternoon Friday the visibility at the stadium was no more than 15 yards and it would have been impossible to play.

If the same conditions prevail Saturday, CFL commissioner Sydney Halter said, the Grey Cup game will be postponed until Sunday. The decision will be made after officials visit the site at 11 a.m.

In the unlikely event further postponements are necessary, the game will be pushed back one day at a time until it can be played. Halter said there is no consideration being given to the idea of postponing it a week.

If the game is postponed, it won't interfere with plans to carry it nationally on both Canadian television networks. The CTV and CBC announced Friday night they will both clear time on Sunday if necessary for the game.

Weather conditions were uppermost on the minds of the players and team officials.

"We may have to play blind man's buff," said Hamilton coach Jim Arimble.

Asked if he was as confident as ever that his Ticats would defeat the injury - ridden Blue Bombers, he declared:

"More so as the game approaches."

Trimble was oozing confidence despite the fact he was sending rookie quarterback Joe Zuger against Winnipeg's well-tested Kenny Ploen.

His optimism was at least partly based on a strong belief that Zuger, although he's just 22 and one year out of Arizona State College, has quickly developed into a mature signal-caller, and that Ticats, in addition to being a healthy club, are also a hungry one.

The last time they won the Grey Cup was 1957 when they walloped Winnipeg 32-7. But in three meetings since then Blue Bombers have won each time. The scores were 35-28 in 1958, 21-7 in 1959 and 21-14 last year in the first overtime Grey Cup game ever played.

ODDS FAVOR CATS

The betting fraternity may have been listening to Trimble when it set the odds on this meeting. If you bet on Winnipeg, you can get 11-to-10 odds plus six points. If you put your money on Hamilton, you must give eight points.

Commenting on the odds, Blue Bombers coach Bud Grant said he didn't think they would have much effect on his players, 15 of whom are making their fifth appearance in a Grey Cup game.

"The odds are for the bettors, not for the football teams," he said. "I don't think the players pay any attention to them."

The odds-makers may have also been listening to plaintive reports on the condition of some Winnipeg stars. And while in previous years the Blue Bombers have complained of injuries before the game, only to be found to have been playing possum, there is reason to believe they are really hurting at some positions this time.

Charlie Shepard, fullback and punter, has his wrenched back encased in a corset; Herb Gray, the brilliant defensive end who says this is his last season, has a sprained ankle, and so has Roger Hagberg, the hard-hitting fullback. Tackle Roger Savoie has a damaged rib cartilage, linebacker Gar Warren has a wrenched knee and tackle Dave Burkholder is hampered by a huge blood clot on his thigh.

ROWLAND SIDELINED

Despite this impressive list of wounds, however, only Gordie Rowland, the corner linebacker, is a definite non-starter.

If past performance is any indication, Ticats will be taking dead aim at the injured Blue Bombers in the early part of the game as they probe for weaknesses.

With Jamie Caleb, acquired only recently from Cleveland Bulldogs of the United Football League, and Bobby Kuntz, the pile-driving 190 - pounder from Kitchener, Ont., forming a one-two fullback punch, Ticats are better prepared than a year ago to mount a punishing ground offensive.

In the only regular - season meeting between the teams, at Hamilton, Blue Bombers won 16-10 but neither was particularly impressive and Ticats were going with Bernie Faloney at quarterback despite injuries that have since put him out of action for the rest of this year.

Canucks Capture Medals; Groom Competes Today

By JACK SULLIVAN
Canadian Press Sports Editor

PERTH, Australia (CP)—Her world - famous butterfly strike working near perfection, Vancouver's Mary Stewart mopped up her swimming opponents to win a gold medal at the British Empire Games Friday night and middleweight Harry Mann of Prince George, B.C., did the same to his boxing adversary for a second gold.

The 16 - year - old swimming star and the classy 23-year-old boxer in the space of 10 minutes at sites three miles apart in this western Australia city of 500,000 doubled Canada's gold medal production which now stands at four.

Last week, Toronto's Bruce Kidd won a gold in the six-mile run and Dick Pound of Montreal grabbbed a gold in the men's 110-yard freestyle swim.

It was a bright night for the Canadian team. The fencers collected silver and bronze medals in the individual sabre competition. Steve Rabinovitch of Montreal took a bronze in the men's 110-yard breaststroke.

MORE MEDALS?

And Grey Cup day could bring another gold medal at the main stadium here, 13,000 miles from Toronto, site of the Hamilton-Winnipeg football classic.

Saturday is the day when three pole vaulters—Alf Groom of Summerside, P.E.I., Gerry Moro of Trail, B.C., and Bob Watson of Langley, B.C.—soar for the gold.

On the basis of their records, all three are given an excellent chance to win a medal. Groom won the games trials pole vault in Toronto last summer with a vault of 14 feet, three inches, while Moro, considered the best in the Commonwealth before he hurt his leg, has done 14-9. The injury kept him down to 13-9 in the trials. Watson has done 14 feet.

The gold-medal total for the Canadians so far is half the number garnered by Canada in the 1954 games at Vancouver, but it's three better than the performance at Cardiff, Wales, four years later.

WIN 31 MEDALS

With one more day to go, Canada has a total of 31 gold, silver and bronze medals. The swimmers produced the major share of awards with three gold, four silver and five bronze.

Tiny Miss Stewart, her white cap bobbing in the new Beatty Park Pool, splashed to victory in the women's 110-yard butterfly race and won it by about seven feet although she faded somewhat at the end. Her description was "I died."

Mann uncorked a stinging left hook to the mouth of Rhodesia's Brian Benson that gave him a third-round technical knockout victory in the boxing stadium across town. It was his second straight win in the light middleweight class and clinched the championship.

Miss Stewart's victory in the excellent time of one minute 10.1 seconds — just 1-10th of a second off the games record she set in winning a heat earlier in the week—was the first by a Canadian female swimmer in 28 years.

Braves Obtain Norm Larker

NEW YORK (AP) — Milwaukee Braves obtained first baseman Norm Larker from Houston Colts in exchange for right-handed pitcher Connie Grob and outfielder Jim Bolger Friday.

Larker, who will be 32 on Dec. 27, batted .263 in 147 games at Houston, hit nine home runs and drove in 63 runs. He was drafted by Houston from Los Angeles Dodgers in the expansion draft in October, 1961.

Grob 30, had a 14-10 record at Louisville in the American Association and a 2.86 earned run average. Bolger batted .319 for the same club.

The Braves also announced they had sold Don Nottebart, righthanded pitcher, to houston in a separate deal. This was done to make room on the Milwaukee roster for Larker.

NL Votes Rules To Speed Up Play

NEW YORK (AP)—The National Baseball League Friday voted in three new rules designed to speed up play.

At the league's annual business meeting, these changes were approved:

A relief pitcher will be permitted only five warm - up pitches instead of eight;

Pitchers must wait their batting turn in the on-deck circle instead of on the bench;

A manager may consult with his pitcher on the mound only once during an inning.

Warren Giles was re-elected league president for a further four-year term.

Berenson Sent To Hull-Ottawa

MONTREAL (CP)—Montreal Canadiens announced Friday that left winger Gordon (Red) Berenson is being sent to the Hull-Ottawa Canadiens of the Eastern Professional Hockey League in order to reduce the roster to 16 players, exclusive of goalies, by the Dec. 1 deadline.

Upto Dec. 1 the limit is 18, although the National Hockey League Canadiens have been carrying only 17.

SEND PARKAS

Canadian made Cashabias—similar to parkas—are being given to needy children in North Africa.

Eagles Host To Combines

The RCAF Eagles will be seeking their first triumph of The Island Senior Hockey League season Sunday afternoon at the RCAF rink when they play host to Ron MacArthur's Prince County Combines.

The Eagles are hard to trounce in their own backyard. Two weeks ago they battled Old Spain Penguins to a 7-7 tie and last Sunday they were edged 3-2 by Parkdale Royals in the dying seconds of the contest.

Last time Combines and Eagles met it was at Civic Stadium and the Combines crushed the Airmen 10-3 on that occasion. The Eagles would surely like to atone for that this coming Sunday afternoon.

Action is slated to get going at 3 o'clock sharp.

Strait Swim Committee Given Much Encouragement

STRAIT SWIM

Sir, — About two months ago a committee was formed in the town of Borden to organize the long - talked - of swim of Northumberland Strait.

The encouragement given the committee of individuals and organization has been most gratifying. In any such new venture there are bound to be ups and downs and eventualities which are not expected. The committee however, feels that by starting early this fall the swim can be organized for next summer in the Travel Bureau literature.

It was decided by the committee at the first meeting that at least $2,000 was necessary for giving substantial prizes. Since that, considerable favorable comment has been given the swim by sports writers.

In speaking about giving prizes, the committee envisages a professional swim and feels that this is the only type of swim that would sufficiently stir interest all across Canada and the U.S. and make this one of the events, toward which tourists could look forward, as well as our own Island people.

A day of boat races, track and field meet, games, the provision of meals and so on, will be organized in connnection with the swim.

In view of the fact that substantial prizes are necessary, the committee's main task at the moment is to get those funds. No official mention was made by the committee of an amateur swim. An amateur swim would not even necessitate the existence of this committee.

Without wishing to hurt the feelings of anyone, the committee feels it is important for it to be contacted before press released are made, which might jeopardize plans that the committee has made.

Again the committee would like to stress its appreciation of the support being given the project by Islanders, officials of the tourist industry, organizations and individuals.

The swim will be unique in combining a great feat of strength with the excitement of a race, and cannot fail to attract North American attention. The swim is shaping up as an all-Island effort with plenty of support by individual Islanders. The committee hopes that it will stay that way.

The committee wishes Island entries to be numerous and that an Islander will carry off the big money, possibly $1,000. In any event there will certainly be big prizes for the first Islander to finish.

We are, Sir, etc.,
J. F. MCCORMACK
Northumberland Swim Committee.

Combines Hand Royals 1st Loss

SUMMERSIDE — The Prince County Combines edged a short-handed Royal team at Civic Stadium last night before almost 800 fans, the largest crowd of the season. After a double game misconduct penalty to Al Andrews and Gerald Noonan just before the end of the first period, the Royals had only nine men, but down 4-0 after 8 minutes of play in the final period, they threw a scare into the home forces by scoring three goals in less than five minutes. The Combines were able to hold them off for the remainder of the game.

The first period started with boys on both sides a bit chippy, and referees Joe Coyle and Gord Kelly had their hands full to keep things under control. The boys settled down to playing hockey in the final two frames. Vance Harris of Combines and Smolt Gillis of Royals both scored two goals. McInnis and Mann, the two net custodians, made some fine saves and the shots on net were fairly even, McInnis handling 24 to Mann's 20.

Coke Grady opened the scormark of the first period, taking a pass from Ev White and flipping the puck past McInnis. A minute later Benny Grady's relay to Vance Harris opened a lane down the left side and Vance streaked towards goalmouth beating McInnis from close range. That ended the scoring for the first period.

At 19.47 Al Andrews and Gerald Noonan were given majors for fighting and game misconducts for carrying the fisticuffs into the second round.

Vance Harris scored the only goal of the middle session. Dale MacWilliams carried ouver his blueline and ran into Josey. Vance snared the looose puck and went all the way.

Alger Cutcliffe made it 4-0 at 7.40 of the third period. His shot bounced over McInnis's body to find the draperies. Then the Royals caught fire. Gillis deflected Whitlock's shot past Mann at 8.10. Jim MacLeod beat Whitey after a triangle passing play with Whitlock and Josey. Gillis got Whitlock's rebound to put the visitors within one tally of a tied score. They fought a rousing battle for the equalizer in the next seven minutes, but the Combines managed to hold them off.

Alger Cutcliffe who is joining the benedicts in the near future was presented with a coffee table by the members of the Combine team between the second and third periods. Coach Ron MacArthur made the presentation remarks with captain Vance Harris presenting the table.

SUMMARY

First Period — 1. Combines—C. Grady (E. White) 9.03; 2—Combines — V. Harris (B. Grady) 10.15. Penalties — Reeves major and 10 minute misconduct 5.47, Sark major and 10 minute misconduct 5.47, Josey 12.53; Andrews major and game misconduct, 19.47; G. Noonan major and game misconduct, 19.47.

Second Period: — 3. Combines V. Harris (D. MacWilliams) 14.52. Penalties — Josey 4.12, C. Grady 10.00.

Third Period: — 4. Combines A. Cutcliffe (G. Harris, G. Deighan) 7.40; 5. Royals—A. Gillis (Whitlock, Reeves) 8.10; 6. Royals — J. MacLeod (Whitlock, Josey) 11.29; 7. Royals—A. Gillis (Whitlock) 12.40. Penalties—A. Walsh 3.37, E. Reeves 13.28.

Harry Jerome Operated On

VANCOUVER (CP) — Harry Jerome, Canada's controversial 100-yard-dash man, has been operated on to repair a ruptured muscle in his left leg.

Dr. H. W. Spencer said Friday the runner had been operated on Thursday night. The leg was put in a cast and Jerome was in satisfactory condition.

"It will be about two weeks before the result of the operation is known." Dr. Spencer said

Fog Dampens Enthusiasm Of Celebrants

By JIM PEACOCK

TORONTO (CP)—The threat of a Grey Cup postponement because of foggy weather overshadowed the celebrations of visiting football fans here Friday.

Even without the fog, the hijinks were staid by comparison with many Grey Cup festivals of the past.

Winnipeg Blue Bombers are scheduled to defend their national football title at 1 p.m. today against Hamilton Tiger - Cats—and it's a tune that's been played before.

The two clubs have met in the classic in four of the last five years, Hamilton winning in 1957, Winnipeg in 1958, 1959 and 1961.

The monotony of the same old faces — in spite of the fact Bombers and Ticats have staged some of the best Grey Cup games in history — has dampened some of the enthusiasm of celebrants, even those from Winnipeg.

The fog didn't help. It limited visibility at the Lakefront Canadian National Exhibition Stadium to about 15 yards most of the day and to little more than a couple of blocks downtown and closed the airport to all flights.

MORE FOG?

The weather forecaster called for more warm, sunny and foggy weather today but gave some hope the fog might lift shortly before noon. If it does, the weather, with high temperatures of 55 predicted for today, will be the best in several years.

If it doesn't, the Canadian Football League will postpone the game until Sunday. The CFL said Friday it will announce decision on this question by 11 a.m. today.

CFL executives met during the day and announced that the 1963 classic will be held in Vancouver

Joey Durelle Will Retire If Defeated By Schmidt

By MARVEN MOSS

MONTREAL (CP) — Young Joey Durelle says he probably will quit boxing unless he beats Toronto's Peter Schmidt here Monday night in a 12-rounder for Canada's vacant welterweight championship.

"If I can't lick this guy I might as well give it up," the 24-year-old Maritimer told his trainer, Jake Kravitz of Montreal.

The bout at the east-end Paul Sauve Sports Centre—is the second pitting the pair for the 147-pound title that Ottawa's Gale Kerwin gave up last spring to go into retirement.

They fought to a 12-round draw last July 16 before a crowd of 1,500 in Trois-Rivieres, Que., 85 miles northeast of Montreal.

"It was a just decision," said Kravitz. "We had no beefs and neither did the other camp."

INVADES QUINN DOMAIN

Regis Levesque, who started dabbling in ring promotions two years ago, arranged that card and for this one he's stepping into territory that for more than 20 years was the exclusive domain of Montreal promoter Eddie Quinn.

Quinn's licence was suspended last December by the Montreal Athletic Commission after he cancelled a Bob Cleroux-Archie Moore show because of a poor advance ticket sale—what Quinn described as a "sick box office."

For Monday's card, the arena seats 6,000 and Levesque has scaled his tickets from $2 to $5. Durelle's end of the purse is a flat $1,200 while Schmidt gets $1,000.

Like his cousin Yvon Durelle, onetime world light-heavyweight contender, Joey is a native of Baie Ste. Anne, N.B. He came to Montreal two years ago and now has settled in Trois-Rivieres with his wife and young daughter.

YVON EXCITABLE

Yvon is supposed to be here Monday night. But Joey said he doesn't want his cousin working as a second in his corner because "he gets too excited."

In 27 fights, young Durelle has piled up 34 wins with two setbacks and a draw. All of his outings have been in Canada.

Schmidt, a Romanian-born 29-year-old, has more diverse experience, with a string of appearances in several centres in the United States. He has had 41 fights, winning 19 with 16 losses and six draws.

Two months ago, Schmidt suffered a neck injury in an automobile accident. His handlers say he has fully recovered and is in top trim now.

The father of two young girls, Schmidt came to Canada in 1953.

Liston Moves To Chicago

PHILADELPHIA (AP)—Heavyweight boxing champion Sonny Liston and his wife moved to Chicago Friday because of alleged harassment by Philadelphia police.

As Liston watched truckers load the family furniture he commented, "this is the first house we ever owned and the first home we ever had. But we had to leave.

"We're leaving because I think the people of Chicago will accept me better than they did here."

The world champion said he chose Chicago for two reasons. He and his wife have relatives there, and Mayor Richard J. Daley invited him to work for the city.

WILL 'HELP KIDS'

"I'll work on the youth committee, helping kids, making appearances and speeches, doing exhibitions to raise money for them and things like that," Liston said. "I don't know if a salary goes with it, but it won't make any difference if there isn't."
