

MY SAILOR BROTHER.

The time arrives! the time to part, To bid a long "Farewell," How long? enquired the aching heart, Alas! no ours to tell.

And when, upon the Ocean foam, Or on some foreign strand; Bright mem'ry wafts thy spirit home Unto thy native land;

Then let thy heart, though firm and brave, Compassion us who weep, Thy absence, and God grant that we May meet to part no more;

Thy peace and joy abound; And guardian angels from above Encompass the around. Sustain thee in the "lasting arms" To where the truly blest Enjoy, past all earth's rude alarms, The only haven of rest.

An Intelligent Horse.

THE WONDERFUL INTELLIGENCE OF A COMMON HORSE.

In Montreal lately a horse and sleigh was seen proceeding along St. Joseph street. There was no driver. The sleigh was laden with a variety of grocery material, neatly made up in paper bags, and addressed in good large handwriting.

Another Resumption.

The National Baptist says: "While the whole United States is resuming, why should we not all resume? Have we not all debts and promises floating about disbonored?"

Why Will You

Allow a cold to advance in your system and thus encourage more serious maladies such as Pneumonia, Hemorrhages and Lung troubles, when an immediate relief can be so readily attained.

The Greatest Medical Discovery since the Creation of Man, or since the Commencement of the Christian Era.

There never has been a time when the healing of so many different diseases has been caused by outward application as the present. It is an undisputed fact that over half of the entire population of the globe resort to the use of ordinary plasters.

DR. MELVIN'S CAPSICUM POROUS PLASTERS are acknowledged by all who have used them, to act quicker than any other plaster they ever before tried, and that one of these plasters will do more real service than a hundred of the ordinary kind. All other plasters are slow of action, and require to be worn continually to effect a cure; but with these it is entirely different: the instant one is applied the patient will feel its effect.

Physicians in all ages have thoroughly tested and well known the effect of capsicum; and it has always been more or less used as a medical agent for an outward application; but it is only of very recent date that its advantages in a porous plaster have been discovered. Being, however, convinced of the wonderful cures effected by DR. MELVIN'S CAPSICUM POROUS PLASTERS, and their superiority over all other plasters, they now actually prescribe them, in their practice, for such diseases as rheumatism, pain in the side and back, and all such cases as have required the use of plasters or liniments. After you have tried other plasters and liniments, and they have failed, and you want a certain cure, ask your druggist for DR. MELVIN'S CAPSICUM POROUS PLASTER. You can hardly believe your own convictions of its wonderful effects. Although powerful and quick in its action, you can rely on its safety for the most delicate person to wear, as it is free from lead and other poisonous material commonly used in the manufacture of ordinary plasters. One trial is a sufficient guarantee of its merits, and one plaster will sell hundreds to your friends.

Ask your druggist for DR. MELVIN'S CAPSICUM POROUS PLASTER, and take no other; or, on receipt of 25 cents for one, \$1 for five, or \$2 for a dozen, they will be mailed, post paid, to any address in the United States or Canada.

"THE ENAMORADO"

A DRAMA IN V. ACTS, HUNTER DUVAR

THE above interesting book is for sale at all the Bookstores on the Island.

Col. Duvar is happy in having selected for the theme of his drama, one of the most romantic incidents of a romantic and soldierly time. The scene is laid in Spain, amid all the accessories of grave and gay, love and chivalry, poetry and song, with room for the display of many types of character,—knights and ladies, priests and soldiers, courtiers and peasants, cooks and clowns. Many lyrics in the author's best style are interspersed in the dialogue, which is, in general, quaint and sparkling.
