\$500 REWARD

is offered by the manufacturers of Dr. Sage's Catarrh Remedy, for a case of Chronic Nasal Catarrh which they cannot cure.

SYMPTOMS OF CATARRH.—Dull, heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat, sometimes profuse, watery, and acid; at others, thick, tenacious, mucous, purulent, bloody and putrid; the eyes are weak, watery and inflamed; there is ringing in the ears, deafness, hacking or coughing to clear the throat, expectoration of offensive matter, together with scabs from ulcers; the voice is changed and has a nasal twang; the breath is offensive; smell and taste are impaired; there is a sensation of dizziness, with mental depression, backing cough and general debility. Only a few of the above-named symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption, and end in the grave. No disease is so common, more deceptive and dangerous, or less understood by physicians.

By its mild, soothing, and healing properties, Dr. Sage's Catarrh Remedy cures the worst cases of Catarrh, "Cold in the Head," Coryza, and Catarrhal Headache. Sold by druggists everywhere; 50 cents.

"Untold Agony" from Catarrh. Prof. W. HAYSER, the famous mesmerist, of Ithaca, N. Y., writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become hoarse, and I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Hacking and Spitting." THOMAS J. RUSHING, Esq., 202 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hacking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, my family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become hoarse, and I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

Three Bottles Cure Catarrh. ELI ROBINSON, Rungen P. O., Columbia Co., Pa., says: "My daughter had catarrh when she was five years old, very badly. I saw Dr. Sage's Catarrh Remedy advertised, and procured a bottle for her, and soon saw that it helped her; a third bottle effected a permanent cure. She is now eighteen years old and sound and hearty."
