heir's brigade composed the storming party in the first assault. They were repulsed with quite a heavy loss after an attack persisted in for an hour, but being reinforced were enabled to hold part of the hill. In this attack Gen. Carse was wounded quite severely in the thigh. The 37th Ohio, the 6th Iowa, and the 103d Illinois were in the attack. A second assault was made at 1 p. m., in which Mathias, Loomis and Raul's brigades were engaged.

The force marched within 20 yards of the summit of the hill and works of the enemy, when they were flanked and broke retiring to the reserves. In this assault Gen. Mathias was wounded, and Col. Putman 93d Ohio, killed. Their persistent efforts compelled the enemy to mass heavy on his right in order to hold the position of so much importance to him. About 3 o'clock Gen. Grant started two columns against their weakened centre, and in an hour's hard fighting succeeded in breaking it and gaining possession of the Ridge, on which the enemy was posted. The main force of the rebels were driven northward towards Sherman, who opened on them and they were forced to break and seek safety in disordered flight down the Western slope of the Ridge and across the western slope of the Chickamauga.

We have taken not less than 5000 prisoners and perhaps 10,000. Gen. Hooker will probably intercept the flying enemy in the vicinity of Rossville, or the region east of it. There are reports that we have taken a whole rebel corps.

WASHINGTON, Nov. 25.—The following was received this afternoon from a responsible source at Chattanooga:—We have had a brisk engagement here this forenoon and have driven the enemy entirely off Lookout Mountain, a considerable portion of which they held until that time. We have also taken Missionary Ridge from him this forenoon, and the troublesome rifle pits, in possession of which yesterday's engagements left them at its close.

All firing has ceased for a sufficient time to warrant the conclusion that Bragg had retreated certainly, leaving all ground and strong points in our hands, for which we have been fighting for the last three days.

SECOND DESPATCH.

WASHINGTON, Nov. 25—Information has been received to-night at the War Department from Gen. Grant, of a great battle fought to-day, resulting in a complete victory over the rebels.—Our army has carried at the point of the bayonet Lookout Mountain top, Missionary Rridge, and all intrenchments and rifle pits around Chattanooga. The bravery exhibited in the great contest by our troops has never been surpassed.

THIRD DESPATCH.

CHATTANOOGA, Nov. 25, 10 P. M.—The captured artillery is reported at about 40 pieces.—Gen. Hooker captured five boxes of new muskets on Lookout Mountain. We are in entire possession of the field. We have control over the railway and river to Bridgeport; two boats came through this forenoon. Our loss will not amount to more than 300 killed and 250 wounded in the three days operations. The success has been most brilliant. The enemy is reported to be bivouacking two miles beyond Missionary Ridge.

CHARLESTON, Nov. 23.—There was no shelling of the city last night, but a slow fire on Sumter. The second despatch says there has been a vigorous fire kept up between the enemy's batteries and men all day. The enemy has not yet shelled the city to-day, but divided his attention between Sumter, Moultrie, Johnston and Simpkins. They also threw a number of shells on James Island, 299 shots were thrown upon Sumter last night.

A MARINE BEAUTY.—One of the most beautiful specimens of marine architecture that ever spread canvass to the breeze is now in this harbour. She is called the 'Mary A. Rich,' owned by L. Rich & Co., the enterprising owners of the favourite packet 'Carrie M. Rich,' and commanded by Capt. A. W. Hardy, the obliging and gentlemanly commander formerly of the last named vessel. The 'Mary A. Rich,' was lately built in the State of Maine; she is 563 tons burthen, and is intended to run as a Packet between Boston and Philadelphia. She is now laden with thirty thousand bushels of Oats for Boston, and will proceed to her destination to-morrow. The appointments and accommodations for the comfort and convenience of passengers are arranged in the most skilful, tasteful and artistic style, and with a lavish expenditure that would do credit to a first class Atlantic steamer. The vessel is sailed by a Temperance crew, selected with great care and discrimination, which is a circumstance that cannot fail to make assurance doubly sure that the lives, health and comfort of all on board will be carefully attended to. It is unnecessary to say that we wish unbounded success to this beautiful craft wherever she may be sent to "walk the waters like a thing of life," and that we may often see her again in this Port, and others like her, deserving of an equal measure of admiration.

WE observe by the *Protestant* of Saturday last that a farewell Address was presented to George Bagnall and John Darrach, Esquires, on their intended departure for New Zealand, signed by more than 128 of their neighbours at New Glasgow, Rustico, and adjacent settlements, including persons of all religious creeds and shades of political opinion. The Address contains deservedly high compliments to the social and general worth of the gentlemen thus honoured, and it is replied to in very appropriate terms.

THE NEW ZEALAND IMMIGRATION SHIP, will, we understand sail from this port to-morrow. We sincerely bid farewell to our fellow colonists on their long and arduous adventure; and hope they may realize their fairest anticipations in the distant country they purpose to adopt as their future home.

The Tea Meeting on Thursday evening last, in Temperance Hall, in aid of the Baptist Church in this City, was a very pleasant affair. The Hon. Joseph Hensley, who presided, opened the intellectual part of the proceedings with one of his characteristically happy speeches, and was followed by the Rev. Mr. Davis, pastor of the Church, the Rev. Messrs. Falconer, Sutherland, and Henry, and the Hon. Dr. Young, all of whom acquitted themselves, we believe, to the entire satisfaction of their numerous and attentive audience. The performances of the choir on the occasion are also highly spoken of. The sum realized amounted to about £20.—*Mon.*

CORONER'S INQUEST.—An Inquest was held this morning (Wednesday,) before John McNeill, Esq., one of the Coroners for this County, on view of the body of James Cameron, an old pensioner, who was found lying dead on the shore of the Hillsborough river, below the old Ferry wharf, at low water mark. He left his lodging in Pownal Street, on Saturday morning last, and was last seen abroad on the forenoon of that day, on Queen's Street. Verdict: found drowned.—*R. G.*

HOLLOWAY'S PILLS.—To purify the Blood.—With this medicine the discovery of a great principle of guidance in treating the diseased body dawned upon mankind—the necessity of purifying the blood, "the life of the flesh." This rational treatment gradually superseded the barbarous bleedings, destructive emetics, and undermining mercurial preparations, which had entoiled the profession and public for centuries. Purification of fluids and solids is the noble purpose Holloway's medicine was designed to effect, and wonderfully has it accomplished its end—a truth, at the present day, universally admitted and acted upon. In loss of appetite, giddiness, partial failure of memory, bilious attacks, and habitual costiveness, Holloway's Pills exert the most salutary powers in invigorating any organ which is failing through weakness.

HEALTH AND PURE BLOOD ARE INSEPERABLE.

Recollect that all sickness arises from impurity of the blood, and that Judson's Mountain Herb Pills will as surely find out and cleanse these impurities from the system, that disease cannot exist. So simple and innocent are the herbs and plants that compose them, that it is not necessary to have them sugar coated in order that the stomach can bear them. In most cases, Pills are sugar coated because the materials of which they are made are so griping and malignant, that otherwise a delicate stomach could not bear them. These Pills deal with disease as it is, and will not only cure by removing the cause, but will build up and restore the broken constitution. There are many who have so trifled with their constitution that they think medicine cannot help them; let not even these despair; incredulity and scepticism is overthrown by a mass of testimony which is truly irresistible. At first the virtues ascribed to the MOUNTAIN HERB PILLS were deemed fabulous. The public had been so often deceived that they could not believe the simple truths advanced by their discoverer. Yet facts undeniable, attested by witnesses of the highest character and respectability, have proved, and are proving each day, the virtues of this "mighty healer." They mark by their miraculous efficacy and power a new era in medicine.

TEMPERANCE ASSEMBL[Y]

According to announcement, the Ass[embly] No. 1, under the Banner of the independent o[rder] of Good Templars, was held on Wednesday eve[n]ing last, and notwithstanding that the weather was rather unfavorable, the party was not only numerous, but composed of as respectable and intelligent citizens as was ever witnessed in the Hall; among the guests we noticed the Hon. Attorney General and lady, Mrs. Alexander, daughter of His Worship the Mayor, Mrs. George Wright and daughter, G. D. Atkinson, Esqr., Professor Inglis and lady, and others of the same class in Society. The Hon. Dr. Young, P.W.G.T., occupied the Chair, and opened the Assemblee with an interesting and appropriate speech. He showed the great necessity there exists of all right thinking persons uniting with them in the cause of Temperance, and spoke of the concord that ought to exist between the Sons of Temperance and the Good Templars, as their principles and purposes were the same, and said h[e] would at all times be most happy to co-opera[te] with the Sons of T. in promoting the great wor[k]. He also referred to the powerful influence [...] aid which the Ladies had exerted in the ca[use] and stated that in the order of G. Templars [...] were privileged to occupy the highest positi[on] [...] it. He then gave an account of the manne[r] [...] which the order of G. Templars were progressing in Canada and in this Island, and stated that there were, according to the last statistics, about 15,869 members in good standing, and 16,000 of the Band of Hope, in Canada, and that there had been, during the past year, 360,000 Temperance Tracts issued, 70,000 Lectures delivered, and several thousands of the *Good Templar* circulated. In this City there were two Temples, which number about 100 members, and in the Island there are 13 Temples, with a membership of between 500 and 600, all of whom have been organized since May last. Dr. Young then called upon the Choir, who performed their part admirably, and added very much to the pleasure of the evening. Brother Weldon was then called upon, who addressed the audience for a short time on the progress of the order, after which the Volunteer Band—in attendance—contributed its quota of amusement.

The Rev. Mr. Falconer was then called upon to address the meeting on *Faith*—the first word of the motto of the order of Good Templars—and demonstrated the great necessity there was of Temperance men being faithful to the cause, and to themselves, and to be ever vigilant, as the first retrograde step was always commenced in secret. The Rev. Mr. Sutherland was then called upon. He spoke on the second word of the motto, *Hope*, and handled his subject in the able manner characteristic of that gentleman. The Rev. Mr. Davis then addressed the audience, very eloquently, on the last word of the motto, *Charity*, and showed how we ought to feel interested in each other's welfare, especially in the Temperance movement.

During the intervals that were allowed for recreation, the enlivening strains of the Band were heard, and refreshments were served in a very superb style from the tables, presided over by Lady Templars.

The following vote of thanks was moved by John Lawson, Esq., City Recorder, and seconded by David Laird, Esq.,—both of which gentlemen made a few remarks:

Resolved, That the thanks of this meeting are hereby most cordially given to the Ladies, for their kindness in attending to the wants of all present; to the Choir, for the pleasure they have afforded; to the Band for the excellent music they have discoursed to-night.

After the above resolution had been unanimously adopted, three hearty cheers were given for the Sons of Temperance—a large number of whom were present, wearing the badge of their order. God save the Queen was played by the Band—the Choir sung the Doxology—and the Rev. Mr. Davis pronounced the Benediction, after which the audience dispersed, all seemingly pleased with the evening's entertainment.

J. BERTRAM, Secretary.

Charlottetown, 3rd Dec., 1863.

The cargoes of seven large steamers, which ran the blockade off Wilmington in one night, are advertised in the rebel papers for sale.

The sale of the Plantation Bitters is without precedent in the history of the world. There is no secret in the matter. They are at once the most speedy, strengthening health restorer ever discovered. It requires but a single trial to understand this. Their purity can always be relied upon. They are composed of the celebrated Calisaya Bark, Cascarilla Bark, Dandelion, Chamomile, Flowers, Lavender Flowers, Wintergreen, Anise, Clover Buds, Orange-peel, Snake root, Caraway, Coriander, Burdock.

S.—T.—1860—X. &c.

They are especially recommended to clergymen, public speakers, and persons of literary habits and sedentary life, who require free digestion, a relish for food, and clear mental faculties.

Delicate females and weak persons are certain to find in these Bitters what they have so long looked for.

They purify, strengthen and invigorate.
They create a healthy appetite.
They are an antidote to change of water and diet.
They overcome effects of dissipation and late hours.
They strengthen the system and enliven the mind.
They prevent miasmatic and intermittent fevers.
They purify the breath and acidity of the stomach.
They cure Dyspepsia and Constipation.
They cure Diarrhœ, Cholera and Cholera Morbus.
They cure LiverComplaint and Nervous Headache.
They are the best Bitters in the world. They make the weak man strong, and are exhausted nature's great restorer.

The following startling and emphatic statements can be seen at our office.

Letter of Rev. E. F. Crane, Chaplain of the 107th New-York Regiment:

NEAR ACQUIA CREEK, March 4th, 1863.

Owing to the great exposure and terrible decomposition after the battle of Antietam, I was utterly prostrated and very sick. My stomach would not retain medicine. An article called Plantation Bitters, prepared by Dr. Drake, of New York, was prescribed to give me strength and an appetite. To my great surprise they gave me immediate relief. Two bottles almost allowed me to join my regiment. * * * * I have since seen them used in many cases, and am free to say, for hospital or private purposes, I know of nothing like them.

REV. E. F. CRANE, Chaplain.

Letter from the Rev. N. E GILDS, St. Clairsville, Pa.:

GENTLEMEN:—You were kind enough, on a former occasion, to send me a half dozen bottles of Plantation Bitters for $3 50. My wife having derived much benefit from the use of these Bitters, I desire her to continue them, and you will please send us six bottles more for the money inclosed.

I am, very truly, yours,
N. E. GILDS, Pastor Ger. Ref. Church.

SOLDIERS' HOME, Superintendent's Office,
CINCINNATI, Ohio, Jan. 15th, 1863.

* * * * * I have given your Plantation Bitters to hundreds of our noble soldiers who stop here, more or less disabled from various causes, and the effect is marvellous and gratifying.

Such a preparation as this is I heartily wish in every family, in every hospital, and at hand on every battle field.

G. W. D. ANDREWS, Superintendent.

Dr. W. A. CHILDS, Surgeon of the Tenth Vermont Regiment, writes:—"I wish every soldier had a bottle of Plantation Bitters. They are the most effective, perfect, and harmless tonic I ever used."

WILLARD'S HOTEL,
WASHINGTON, D. C., May 22d, 1863.

GENTLEMEN:—We require another supply of your Plantation Bitters, the popularity of which daily increases with the guests of our house.

Respectfully,
