AMHERST (CP) — Goalie Ian Judge has been released by Amherst Ramblers of the Nova Scotia Senior Hockey League following a one-game tryout, it was announced by club official Henry Shea Friday night.

Judge, 26, who formerly played with Winnipeg Maroons, let in 11 goals as the league-

ing Ramblers bowed 11-3 to Halifax Wolverines Thursday night.

Shea said the Ramblers may bring in either Bob Senior, formerly of the Springfield Indians of the American Hockey League, or Peter Cain, who saw action with Knoxville of the Eastern United States Hockey League.

Emery (The Cat) Cormier of Moncton has been handling the Ramblers' netminding job since late December after Charlie McT. vish was cut. Cormier, who also played with Windsor, probably will be in nets tonight (Saturday) when Ramblers play Windsor Maple Leafs here.

## Sheppard's Eye Remains Same

MONCTON (CP) — The condition of Amherst Rambler defenceman Ralph Sheppard's eye, injured when he was hit by a puck during a Nova Scotia Senior Hockey League game with Moncton Beavers here Wednesday, remained generally the same Friday.

A Moncton eye physician said it would be a week before it is known whether Sheppard's sight will be impaired.

He will remain in Moncton hospital for a week or more.

Sheppard's left eye was injured when it was struck by a puck which deflected off Moncton forward Yves Sarrazin after defenceman Claude Bechard let go with a hard slap-shot.

In the middle frame O'Leary tallied twice and Alberton managed a single to end the scoring for the game with the count 5-4 in favor of Alberton. The final period was scoreless despite some fast action on both sides.

## Evinrudes Blank Crystals; Thane Mann Is Brilliant

SUMMERSIDE — Thane "Whitey" Mann turned in his best game of the season, if not of his career, at Civic Stadium last night, and the Cape Traverse Evinrudes defeated the Summerside Crystals by the score of 4-0. Mann richly deserved his shut-out, stopping 45 shots, many of them labelled, as compared to 23 stops by Irv Walsh.

Gord Cutcliffe scored all four goals for his team, sliding the last one into an empty cage, when the Crystals with 15 seconds to go in the game, took out Walsh for an extra attacker.

Cutcliffe got his first goal at 4:06 of the first period. He was uncovered in front of Walsh when Ev White's pass came to him. The bodychecking was rugged but for the most part clean in this frame.

Crystals were buzzing around the Evinrude cage for a large part of the time, but Mann, stopping 22 drives, slammed the door in their faces.

The first period was penalty free, but six were called in the second session. Dennis Clow was chased for tripping with a half minute to go in the period, and while Cape Traverse cut in on a scramble and scored his second goal with seven seconds left to play.

Cutcliffe notched his third counter at 4:05 of the third period, almost the identical time of his first period goal. Again Ev White assisted.

The boys slammed into each other with gay abandon in this

period and in the final minute Hook Walsh and Bill Smith received majors for fighting.

Coneh-Schurman pulled his goalie and Cutcliffe breaking clear, scored into the open cage at 19:55.

Referees Joe Bernard and Ron Babineau handed out 7 minors and 3 majors, the Evinrudes getting five minors and one major.

First Period: — 1. Evinrudes: G. Cutcliffe (E. White) 4:06. Penalties—None.

Second Period: — 2. Evinrudes — G. Cutcliffe 19:53. Penalties—A. Cutcliffe 4:05, H. MacArthur (major) 6:05, A. Walsh 11:14, V. Harris 13:07; G. Cutcliffe 13:07, D. Clow 19:22.

Third Period: — 3. Evinrudes — G. Cutcliffe (E. White) 4:05; 4. Evinrudes—G. Cutcliffe 19:53. Penalties—L. Gallant 8:07, L. Gallant 14:10, A. Walsh (major) 19:49, B. Smith (major) 19:49.

STOPS  
Mann 22 11 12-45  
Walsh 8 6 9-23

## 8 Rinks Slated To Compete In Ladies' 'Spiel'

Eight rinks of Island lady curlers will compete for the Crockett Trophy in a hospital at the Summerside RCAF Curling Rink next Tuesday January 23.

Entered in the 'spiel' are three rinks from Charlottetown, two from Summerside and one each from Alberton, Montague and the Air Force Station.

The Crockett trophy was won last year by an RCAF rink skippered by Babe Kenny who has a since left the province, but this year's team will include three members of the Kenny skippered rink. They are Ann Spicer, skip, Ruth Kines and Dorothy Aldridge. The new member of the RCAF rink is Elaine Huisman.

Play will commence Tuesday morning at 11 o'clock, with the first draw as follows: 9:00 a.m.—Alberton vs Charlottetown No. 2; RCAF vs Summerside No. 1.

11 a.m.—Montague vs Charlottetown No. 1; Charlottetown No. 3 vs Summerside No. 2.

## Tommyies Are Guests

THIS afternoon these Saints (minus Vince Mulligan and Darrill Pollock who are not eligible) host the strong St. Thomas College squad from Chatham, New Brunswick.

The Tommyies have a strong club and are expertly handled by Vance Toner. Such stars as Hopwood and Lorton will be in the visitors' lineup and these stars will bear plenty of watching.

The Tommyies edged UNB in intercollegiate play recently and hold a decision over the Saint John Oilers. Earlier when Oilers toppled the Tommyies, Toner was mighty unhappy and the next day had his squad out practicing at 7 in the morning.

The local Saints will be decided underdogs in this game today but that doesn't mean the SDU boys are conceding defeat. They realize the capabilities of these New Brunswickers but they still insist they can be taken.

The game should provide plenty of excitement and St. Dunstan's rink is likely to have its best crowd of the season.

Action commences at 3:15 sharp.

WINDSOR, N.S. (CP)—Windsor Maple Leafs swamped New Glasgow Rangers 12-3 Friday night to pull into a fourth-place tie with Halifax Wolverines in the Nova Scotia Senior Hockey League.

## Royals Go Visiting

SANDY Frizzell and his Royals, leaders in the Island Senior Hockey League, are off for Saint John today where they tangle tonight with the Oilers in an exhibition hockey tussle.

We understand the entire Royals' team is making the trip and this means that the New Brunswickers will face a formidable foe. Royals have won 14 out of 17 contests here this season and two of the losses were early season ones to the Penguins.

Playing coach 'Buck' Whitlock has the Royals really rolling these days and we look for the Parkdale boys to trouble the Oilers right in their own backyard. Chances are these same Oilers will be representing New Brunswick in senior Maritime playdowns and the Royals are heavy favorites to top honours in the ISHL. Therefore, tonight's game in Saint John could be a mere warmup for next month's N.B.-P.E.I. playdowns.

THE ROYALS are treating this game tonight as though a lot were at stake. They want to keep their winning ways intact and they intend throwing the Oilers for a loss.

We think Whitlock, Carroll and company can accomplish this mission while in the city of fog. Oilers, we understand, are not as strong as last season when Penguins edged them in the senior playoffs. Royals are a potent club this year. They have plenty of scoring power, a solid defence and speed in abundance.

Our prediction is that the Oilers will have a right hard time holding the Parkdalers in check tonight.

## Curlers Get Ready

CURLERS are getting in their practice sessions for the British Consols play which opens at Charlottetown on Monday, February 5.

More than 20 rinks are again expected to compete in the competition from which will come an Island representative for the Brier at Kitchener in early March.

Defending champion, Doug Cameron, will again be back with his rink but the young skip will find plenty of tough opposition in this provincial play.

Last season Myron Bell fought Doug and his mates right to the wire before bowing out of the struggle. Myron is showing even better form this season and of course he and his associates have definite designs on that trip to Kitchener.

There are several other hopeful rinks who could easily provide an upset in this competition here in early February.

Rinks intending to compete are reminded that closing date for entries has been fixed for Saturday, January 27. These entries must be submitted to the provincial games chairman, Willie Rodd, Box 432, Charlottetown.

The draw will be made about the middle of the week following the closing of entries.

## The Surprising Saints

SAINT Dunstan's University team has shown great improvement in ISHL circles these past couple of weeks.

While we were out of the province, the Saints and Whitey started hitting the victory trail. They toppled Evinrudes at Civic Stadium, held Crystals in a tie on the same ice surface and then invaded the Sports Arena Thursday last where they humbled the Old Spain Penguins 3-4. Along the way, the local scholars went to Mount Allison in Sackville where they drubbed the Garnet and Gold 7-4.

It's most surprising what this team is doing. We, along with plenty of others, figured they had no license in the league a month ago. But here they are threatening to cause further upsets.

Coach Father Ledwell and all his boys are deserving of commendation. They have kept at it and their perseverance has paid off handsomely. Right now no team in the league dares to treat them lightly.

If they get into the playoffs, they could be pure poison for their opponents.

## PWC Tops RCAF 6-4 In Ice Sports Feature

PWC Welshmen defeated Summerside airmen 6-4 in a hockey game highlighting PWC Ice Sports at the Sports Arena last night.

This was sweet revenge for the city collegians who had lost to the airmen by a 4-3 score in Summerside recently.

Gordie Whitlock paced the winners with a four goal performance while Bob Crockett, and Bill Stanish scored singletons.

RCAF goalgetters were Sleigh with three counters and Bruce. With about 12 seconds remaining in the game and a faceoff in the PWC end of the rink with the score reading 5-4 in favour of the locals, the airmen drew out their goalie in favour of a sixth player.

The move backfired however and Gordie Whitlock got a breakaway. He was pulled down from behind before he could let the waffer go at the empty net and referee Jack 'Sp' Ready ruled it a goal in favor of the Welshmen.

Ready and Donnie Frizzell handed out a total of nine penalties, five of them going to PWC.

An event which drew lots of chuckles from the large crowd in attendance was the broomball game between the teachers and the students.

Here are the results:—  
Model School Costume Parade: 1. Gordon Coffin; 2. Tommy Cullen; 3. David Loftus.

Boys Race (ages 8 and 9): 1. Gary Stead; 2. Kerry Webb; 3. Barry Brazell.

Girls Races (ages 8 and 9): 1. Nancy Carmichael; 2. Janet Acorn; 3. Correen Donovan.

Tricycle Race (grades 1 and 2): 1. Rosaline Donovan; 2. Charles Thomas; 3. Gordon Coffin.

Boys race (ages 10 and 11 - 2 laps): 1. Aitken Hume; 2. L. Donovan; 3. Nelson Kennedy.

Girls Races (age 10 and 11): 1. Linda Peters; 2. Carol Dalziel; 3. Linda Rodd.

Boys Race (age 6 and 7): 1.
