

Major Baseball Has "New Look"

By JOE REICHLER.
NEW YORK (AP)—The 1958 major league baseball season opens with a sneak preview today and rolls into high gear Tuesday with "a new look."

It will present a new world champion, two new major league cities, a new general manager, a new field leader, a scattering of new coaches and a flock of new faces in the playing ranks.

For the first time in nine years there is a defending champion from a city (Milwaukee) other than New York. For the first time in history, the majors have become national in scope.

The boundaries have been pushed westward some 1,500 miles with the advent of big league ball in Los Angeles and San Francisco.

On the bleak side, however, the exodus of the Dodgers from Brooklyn and the Giants from Manhattan leaves New York without National League representation for the first time in more than 75 years.

Winners In Closing Spiel

Saturday night brought to a close a very active year at the Charlottetown Curling Club. The winning teams in the Mixed Bonspiel were as follows:

First with 190 pts.: Had MacInnes, Ann Wood, Dr. MacKenzie, Millie Blakeney; Second, 181 pts.: Ralph Jones, "Liz." MacDonald, Clive Cudmore and Lorna Jenkins; Third, 172 pts.: Dr. Macdonald, Franke MacMillan, Geo. Wright, and Gladie Carruthers; Fourth, 168 pts.: Geo. Greenough, Olive MacDonald, Ches. Whitlock and Alice Trainor; Fifth, 163 pts.: Geo. Dillon, Doris MacDonald, Bill Rogerson and Marlon Macdonald.

Other teams winning prizes were skipped by Ed. Tanton, Dr. Hooper and Doug. George.

Tonight club members will have a skate, at which time Willie Scantlebury and some of his figure skaters will perform.

The executive and games committee of the Charlottetown Curling Club extend sincere thanks to the sports and photographic departments of the "Guardian-Patriot" for their co-operation in making a past season a success.

THINGS MAY LIVE

The switch of General Manager Frank Lane from St. Louis to Cleveland is expected to live up to things in the American League. Lane already has completed a flock of trades designed to help his new manager, Bobby Bragan, pull the Indians out of the second division. With Lane showing the way, the majors completed a near-record number of trades this last winter and spring.

As a result the new season finds a goodly number of old reliables in new surroundings. Ted Kluszewski has become a Pirate, Billy Martin a Tiger, Minnie Miñoso an Indian, Bobby Thomson a Cub, Harvey Haddix a Red, Wally Post a Philly, and Early Wynn a White Soxer, to name a few.

Here are Tuesday's opening games

The Canadiens came up with their best game of the final, matching the close-checking Bruins all the way and getting brilliant support from goalie Jacques Plante.

The rocket scored in the first period, a bitterly-fought stretch, and after the scoreless second period the Canadiens began to take command.

SIMMONS LOOKED BAD

Goalie Don Simmons of Boston looked bad on the little Rocket's goal early in the third period. It was a 50-footer at which Simmons grabbed futilely.

Playing cagily with their 2-0 lead but never falling back entirely on a defensive game, the 36-year-old Rocket sewed up the game for Montreal at 15:06 with a 25-footer that whizzed past Simmons.

It was almost an identical shot as on his first goal, beating Simmons.

The first period was the roughest of the three but not as bruising as the first game in Montreal.

After that, with Montreal leading 1-0, the Bruins began to open up more but still paid close attention to checking.

Bronco Horvath of the Bruins had just finished serving a tripping penalty when Rocket Richard drove in his first goal.

The power play was still on. Doug Harvey sent over a pass to Bernie (Boom Boom) Geoffrion who took a few strides after and then sent a drop pass to the Rocket.

WIN BONSPIEL

A Montague team skipped by Pete Sinclair won top honors at the five days Maritime mixed curling bonspiel held at the Summerside curling rink last week. The Montague foursome defeated an Alberton rink skipped by Frank Bryan in the final game Saturday night by a score of 14 to 9, which gave them the Macpo trophy. Series Now Tied After Rangers Score 6-5 Win

NEW GLASGOW (CP)—New Glasgow Rangers defeated Charlottetown Royals 6-5 Saturday night when Nelson Wilson scored with less than two minutes remaining to break a 3-5 deadlock. The win evened the Nova Scotia-Prince Edward Island Senior Hockey championship best-of-five final at 1-1.

It was a brilliant comeback for the Rangers, who trailed 3-0 at the end of the first period. Jim Macdonald scored two goals early in the second period to start the home team on their winning way.

The score was tied 4-4 at the end of the second period. Geno Scatalone scored two goals for New Glasgow while Jim McNeil was the other sniper.

The Charlottetown goals were scored by Buck Whitlock, Merrill Pineau, Angus Carroll, Skip Carver and Jack Ready.

Royals won the first game of the series 8-2.

Goalie Frank Roper kept the Rangers at bay with some outstanding netminding. He blocked 45 shots during the contest, 21 of them in the second period. Frank Prozenor turned aside 26 shots in the Rangers' net.

Whitlock opened the scoring at 4:04 of the first period, banking in a rebound shot at point-blank range. Pineau made it 2-0 at 6:55 with a sliding backhand and at 16:24 Carroll tipped in a goal-mouth pass to give Charlottetown a comfortable lead.

The Rangers however roared back at the start of the second. Macdonald scored at 6:54 when a hard drive bounced behind Roper after hitting Char-

lottetown defenceman. Macdonald scored against just 25 seconds later, this time grabbing a rebound off the post and slamming it into the corner.

The third New Glasgow goal was scored while Royals' skip Carver was serving a tripping penalty. Scatalone got the goal.

Carver sent the Royals into a 4-3 lead at 18:25 but McNeil got it back with 26 seconds remaining in the second period.

Royals again took the lead, for the third time, at 1:20 of the final period when Ready finished off a passing play. The game was tied at 11:34 on a rebound shot by Scatalone.

Wilson's winning goal was scored at 18:19 on a backhand flip which found Roper out of position after making a stop.

SPORTS FRONT

By PIUS CALLAGHAN

Royals are back from New Glasgow after gaining a split in their games played at the New Glasgow Stadium, the split should certainly make the White-cock-coached crew favorites to finish the series here without the necessity of playing a fifth game.

Royals clobbered the Rangers 8-2 on Friday but were edged 6-5 on Saturday. Supporters of the locals had hoped for no better than one victory away from home so the Royals' showing definitely was not disappointing.

The same fellow who will growl plenty if he is asked to go some outdoor work around home on an unpleasant day, won't tell his wife a word about the wintry-like conditions he encountered on his first day fishing. He will smile under it all supposing he nearly froze or got soak-wet on the initial jaunt.

If he can only have a few trout to display for his efforts the cold and wet will soon be forgotten and he'll eagerly be looking forward to the next time out.

Halifax Monarchs edged the Charlottetown Midget Abbies 6-5 Saturday evening at the Sports Arena to take the Maritime Midget title. The championship was played for on a sudden-death game basis.

The new champions didn't win without a struggle as the Abbies put up a terrific fight, forcing the game into overtime, only to lose out at the 9:37 mark of the overtime session.

Whenever the fly is once again in the ointment. At the time of writing this column it was not known with any certainty when the Rangers would appear here. The original date was tonight with the fourth game set for Tuesday. Rangers have asked for a short postponement to enable them to canvass New Glasgow merchants for sufficient money to make the trip to the Island. Royals' management want the series to resume no later than Tuesday but New Glasgow is asking to push the third game ahead till Thursday with the fourth game here on Friday. If a fifth game were necessary it would likely be at the Sports Arena because the Rangers drew only two to one in the two games there. Surely Charlottetown can better this mark.

To all those who intend to try their luck tomorrow, SPORTS FRONT wishes them the best. May all the baskets be filled and any overflow will gladly be accepted by this columnist.

Boston invades Washington today to open the 1958 baseball season. It is the only game in either league but all teams swing into action Tuesday.

The Halifaxians opened the scoring at the 9:47 mark of the first period with Walter MacLean doing the honors unassisted. Less than four minutes later Abbies evened the score up and for the remainder of the period, although both teams tried hard to register, neither squad was able to get the rubber past the contending goalies.

In the first period both teams played a rough game and referee Walter Lawlor and Al Hollingsworth called a total of four penalties with a Halifax player getting a misconduct.

The Monarchs outscored the local squad 3-2 in the sandwich session with Bill MacMillan and Lefty Dunn scoring for the Abbies and Maxner of the Monarchs getting a pair with the other goal for Halifax going to Frank Croucher.

Anything after midnight tonight you can grab the fishing pole and head for your favorite spot and you will be quite within the law.

Tomorrow is, April 15 and that means the opening of the trout fishing season. Regardless of weather conditions there are some chaps who would feel an obligation had been shelled if they failed to wet a line on opening day.

More often than not the weather is anything but desirable. This in no way deters the opening day fisherman who is bound he will have it to say that he made the most of the first opportunity.

Just whom this station will adopt with Dodgers gone we don't know but we hope they will carry the games of some team. If they don't some really great entertainment will be lost to ball fans here.

The very ancient Archie Moore may possibly get back into the heavyweight boxing picture.

Matchmaker Jackie Leonard says he is ready to offer Eddie Machen or Zora Folley, two leading contenders for Floyd Patterson's title a \$30,000 guarantee for a 12-round scrap with Moore.

Archie is world light-heavyweight champion. He was flattened by Patterson in a title bout last year.

For nine minutes and thirty-seven seconds of overtime both teams struggled fiercely and then Gerald Keddy of the Monarchs fired the winning goal on an assist from Maxner.

Monarch defencemen MacLean,
