Here Are The 16 Tints.

Church's Alabastine comes in 16 beautiful tints and white, too—here is the tint card that all up-to-date dealers have to show you. We sell Church's Alabastine because it gives universal satisfaction to our customers. It won't peel, rub off or scale. It is recommended by eminent physicians on account of its healthfulness. It grows harder with age. It is the only permanent water color wall and ceiling coating that is made to use with cold water.

It will not fade. It can be applied coat over coat if you wish to change the tint. It is never sold in bulk. That which pays our customers pays us, and that is another reason why we sell Church's

ALABASTINE.

AN OLD AND WELL TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething with perfect success. It soothes the child, softens the gums, allays the pain, cures wind colic, and is the best remedy for diarrhoea. It is pleasant to the taste and sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup.

TEMPERANCE ALLIANCE.—At the meeting of the Charlottetown Temperance Alliance last evening a discussion arose as to whether provincial prohibition or local option law would be better for Charlottetown. It was considered best to hold a meeting of the joint committees of the Provincial and Charlottetown branches of the Alliance at an early date in order to agree on the most effective and practical prohibitory measure,—such a measure as would be likely to receive the legislative support of members who are in sympathy with temperance on either side of the House.
