WE are much pleased to observe that the proprietor of the "Rankin House" has leased the large dwelling adjoining and connected it with the Hotel, thus adding ten extra rooms to the spacious accommodation previously afforded. These rooms are large and elegantly furnished, and will enable Mr. Davies, who has been so long and favorably known in Hotel management, to entertain his numerous patrons to better advantage. The "Rankin House" is now the largest Hotel in the city, its management cannot be excelled, and we are glad to know that it is largely patronized. Mr. Davies deserves great credit for his energy.

WE take the liberty of re-publishing the *Patriot's* editorial remarks on the Pictou and Colchester Elections for the benefit of the great numbers of our readers who do not read the *Patriot*. They are as follows:—"The Election in Pictou and Colchester, as we anticipated, have resulted in the return of the Government candidates. We have not yet learned the exact figures, but the majority in Pictou is, we understand, considerably less than it was at the last general election." Truly, the *Patriot* does not like political demonstration.

Mill Valley WOOLEN MILLS.

WE have purchased the above-named MILLS, and have engaged the services of an overseer who learned the manufacturing business in England, and has also spent many years in the factories of the United States. We are manufacturing Goods equal in appearance to the best imported Goods, the texture being the finest our Island wool can produce, and without any admixture of shoddy. Islanders can now be dressed in Goods of the newest patterns, and home-made. We have withdrawn the Charlottetown agency from Mr. Gordon and placed it in the hands of Mr. C. H. Shurman. Mr. Schurman is a young man of high character, and persons can rely on having no deception practised upon them in dealing with him. He will not give imported shoddy and say it is of home manufacture. He will buy wool for cash, or exchange for cloth in the usual way. Please call on him.
