

## SENIOR CLASS

Dear Senior,

Participation is the one element necessary for any volunteer organization to function. To date in 1982 this very important element however has been very clearly lacking. With Senior Week and Graduation ceremonies a little over a month away it is crucial that we come together as a class and ensure these events are a success.

The recent balloting for valedictorian in which only a handful of Seniors voted, and the dismal failure of the Dance-A-Thon to create

interest among Seniors, have prompted us to call a class meeting for Wednesday March 31 in the Robertson Library Lecture Theater. At this time Senior Week activities will be outlined, a decision on Senior Class Funding will be made, and the Valedictorian announced.

We firmly believe most Seniors are looking forward to an eventful Senior Week and hope to be able to with your help, present one worthy of remembrance.

Yours Truly  
Class of 1982  
Executive

## Thanks

Dear Editor:

At this time, I would like to take this opportunity to thank Cynthia King as my campaign manager in the recent student union elections. I would also like to thank the many students who supported me in the campaign, and turned out at the polls last Wednesday.

The Student Union of 1981-82 need to be complimented on a job well done. As a student I must compliment Terry, Sue, Bruce, and Patti on their guidance and leadership over the past year. It is my strong belief that in order to have a

powerful student body, we need strong leadership, heavy participation from students, and a sense of direction. I believe we have received these in the last year.

I would like to take this opportunity to endorse the election of John MacDougall as the 1982-83 student union president. As a student I look forward to working with John in the upcoming year, and I hope that the students of UPEI will take an interest in the affairs of UPEI and the Student Union in the upcoming year.

Yours sincerely,  
Mike Trainor
