CURRENT NOTES.

The traffic receipts of the Grand Trunk Railway for the week ending Nov. 13th, were $367,519, an increase of $64,106 compared with the corresponding week last year.

The San Francisco *Bulletin* boasts that theirs is the only city in the country which is steadily reducing both debt and taxation. The city owes only $1,500,000 at this time, and that will probably be paid in a few years.

There are rumors of a scheme to annex Honduras to the United States. New York capitalists are said to be the promoters, while the President of Honduras heartily favors it. The country is said to be very rich in gold and silver.

Professor William Everett says he never reads the attacks made upon him by the newspapers. It is a pity he neglects the kindly criticism of the press. It would take out a little of that conceit which makes him so absurd to friends and opponents.

Mr. George W. Childs positively declines to be a candidate for mayor of Philadelphia. He probably thinks he can serve his fellow-citizens quite as well as an editor as he could as mayor. He is probably correct in this, but Philadelphia loses one chance of having a tip-top mayor, all the same.

The *Athenæum* states that Mr. Charles L. Webster, of New York, has just returned from a visit to the Pope, with whom he has completed an arrangement for the publication of a life of His Holiness, which is now being written by Dr. Bernard O'Rielly, based on an authentic memoir furnished by the Pope himself.

A Chicago despatch says: The terrible gale that raged furiously three days last week was one of the most disastrous storms that has swept the lakes in many years. Thirty vessels either foundered or were driven ashore and there are several vessels that are missing. Eleven have gone to pieces or been buried beyond recovery, and it is believed that quite a number that are now on the beach will prove a total loss. The loss of life is appalling. Forty-seven persons are known to have perished and the crew of an unknown steam barge that went down off Burnham's pier have not been heard from. If they are lost the list will be swelled to nearly 60. The loss of eleven vessels that have gone to pieces aggregates $133,000 but the partial losses bring the amount up to fully $400,000.

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural quite sleep by relieving the child from pain; and the little shrub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, regulates the bowels, and is the best known remedy for diarrhœa, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for Mrs. Winslow's Soothing Syrup, and take no other ind feb4 eod wk
