

Millionaires Defeat Beavers 2-1 In Best Defensive Tilt Of Season

SYDNEY, N. S., Jan. 25—(CP)—Forced to their best defensive game of the season, Sydney Millionaires left few openings for battling Saint John Beavers tonight and came up with a 2-1 victory before 2,375 fans in a Maritime Major Hockey League game.

It was one of the biggest houses and most appreciative audiences since November. The victory gave Mills an undefeated home-ice run of four games on their drive to evacuate the circuit cellar, their usual domicile this season.

Eddie Marneau, Sydney defenceman sidelined seven weeks by torn ligaments and a knee operation, went back into active service with a goal when the game was only 34 seconds old, on a plunge with forwards Ron Rohmer and George Robertson.

The screened shot was not seen by the referees and the goal judge was slow to signal the marker. Beaver playing coach Peanuts O'Flaherty, goalie Hal Gordon and Captain Mat Mesich argued the point loud and long.

Bruce Gallagher sidled through the Beaver defence to pot the winning shot, stirring Beavers to a furious onslaught but they were unable to score in a period that saw heavy body-checking by Sydney, high sticks, speed, fencing duels and pileups on the boards.

Officials Charlie Goode and Marty MacIntyre awarded only one penalty in that frame.

Dusty Blair, Saint John's outstanding worker, set up an innocent-looking play in the slackening second period, sending a slow, low 20-footer at Cliff Hicks. Hicks had it covered but Lorne Pirie's probing stick, attempting to clear, steered the puck through the goalie's skates.

Beavers were full of fire for the rest of the game but couldn't score.

After Referees O'Flaherty stormed after the referees without success in the third period after Mills shot the puck the length of the ice from a face-off. Goode signalled an "iced puck" but apparently MacIntyre didn't see it and play continued over the coach's howled protests.

He got only a stolid-faced look from the officials and was finally threatened with a misconduct penalty.

Saint John—Goal, Gordon; defence, Mesich, C. Smelle, Lee Arundel; forwards, Langille, Buchanan, McCracken, Blair, Mulligan, Nicolle, Meldrum, Hurst T. Smelle, O'Flaherty.

Sydney—Goal, Hicks; defence, Dinning, Marneau, Matthews, MacRae, Levandoski; forwards, Bathgate, Robertson, Rohmer, Brulow, Gallagher, Hildebrand, Roach, Pirie, MacIntyre.

First Period
1—Sydney, Marneau (Rohmer, Robertson) 4:30
2—Sydney, Gallagher (MacRae, Hildebrand) 4:59
Penalties—Levandoski 11:58

Second Period
3—Saint John, Blair (C. Smelle) 17:37
Penalties—Bathgate 18, Nesich 3:33, 9:49, MacIntyre 12:38, 16:55, Blair 14:19, Lee 16:55.

Third Period
Scoring—None
Penalties—Langille 13:08
Gordon 8 7 4—11
Hicks 4 5 9—11

Following the games a large crowd turned out to skate to the music of the Recce Band.

Artillery: Goal, Gallant; defence, Datzler, Lowther; forwards, S. Simpson, N. Simpson, B. Walton, G. Wellner, B. Ledwell.

Recce: Goal, Jay; defence, A. Weatherbie, Gallant, Pippy, Georvett; forwards, E. Blanchard, A. Douglas, J. Richardson, R. MacAdam, J. Cudmore, MacAdam.

Sigs: Goal, Somers; defence, Smith, Nicholson, MacDonald; forwards, McLaine, Dunn, Burke, Cudmore, Petrie, Kennedy, Richardson.

Navy: Goal, Braut, Large; defence, McAusland, Carmichael, McKenzie, Judson; forwards, Stull, Clarke, Colwell, Connolly, Kaye, Saunders, Mahar, Nicolle, Larter, Watson, Condy, Stinton.

Later, in his dressing room, the heavyweight champion said he wanted the best show he could get for his title defence. Harry Matthews or Rocky Marciano would mean more money to him than Ezzard Charles, said Jersey Joe. As for a choice among the three as a fighter, it made no difference to Walcott.

The general dam building program instituted by the Department concerned is expected to be speeded up this season. Our farmers are getting dam conscious these past few years. Water levels are dropping and may be expected to drop still lower following the heavy drain on our forested areas by the pulp boom. With our woodlots depleted, if not altogether vanished, the only recourse left to us to prevent the water from melting snows rushing pell-mell seaward is by the construction of dams . . . hundreds of them.

Saints Win Basketball Debut In 65-43 Victory Over St. Thomas Here

Sharp shooting Jack Reardon and his cohorts from St. Dunstan's University raced through a St. Thomas University quintet for a 65-43 victory last night in the opening game of the N.B.-P.E.I. Intercollegiate basketball series. The game was played in the S. D. U. Alumni-Gymnasium.

Reardon led the Saints to victory in the fast, wide-open game by scoring 29 points with a terrific shooting display. 22 of his points were scored on field goals and the remaining seven on penalty shots.

The Saints outscored the visitors in every quarter. At the end of a slow first quarter they were ahead 5-4. At the half they were in front by a 24-19 count. They were leading 46-31 at the three quarter mark and in the last ten minutes they outscored the Tommies by six points.

Irish Bob Mooney, the Saints bespectacled guard, came through with a neat second half shooting performance to score 14 points. Mooney was runner-up to Reardon for scoring honors.

With the exception of the first quarter the players set a blazing pace. In the first quarter the Tommies used a zone defence and trailed by only a point. From then on both teams played wide open with the Saints taking better advantage of their scoring opportunities.

Jake Stephens was the Tommies most effective forward. Jake shot six baskets and scored on a penalty shot to accumulate a total of 13 points. J. McMullen had eight points, Ted Stephens and George Riley seven each.

McMullen opened the scoring when he made good on a foul shot to put the Tommies one up and it proved to be the first of two occasions that the Tommies led in the game. Pistol Pete Dunphy opened the scoring for the Saints with a short shot into the basket. The Tommies failed to score a basket until the eighth minute mark of the first quarter.

The second quarter was all Reardon. Long John scored 13 points on five baskets and three foul shots. Most of his baskets were high looping, two hand set shots which drew the applause of the fans and opposing players.

The third quarter was the best of the game for the Saints. They outscored their opponents by 10 points with Reardon and Mooney scoring 14 points between them. Pete Dunphy, Joe Mullally, Cy McIsaac, Fred Coyle and Clarence MacDonald shot single baskets.

The Tommies, without the services of their tall guard Brian Sweeney who fouled out in the last quarter, continued to fight back but it was no go. Mooney showed the way for the Saints in the fourth quarter with three hook baskets. George Riley who scored seven points, was the biggest threat for the visitors in the last ten minutes.

The visitors, under the guidance of coach Fraser Stewart showed a good passing game and probably had as many scoring opportunities as the Saints. Their shooting however, was not to par with that of the winners.

Earl Nicholson and Joe Cullen refereed the game and handled the contest in a capable manner.

S. D. U. FG FS FT Pts
Reardon 11 7 1 29
Dunphy 3 1 2 7
Kennedy 1 0 2 2
Mullally 2 2 3 6
Coyle 1 0 4 2
McIsaac 1 1 2 3
MacDonald 1 0 1 2
Mooney 7 0 4 14

Jackie Reardon played his greatest game of the season in racking up 29 points. Reardon got away to a fast start in the second quarter and after that was closely watched by the Tommies best guard Brian Sweeney. It was next to impossible to guard him, however, as his long set shots were clicking. The Tommies believe they will be able to stop Reardon in their own gymnasium next week when the Saints play in Chatham. Their ceiling is too low to permit long, high shots and they think they can stop him from getting in close to the basket.

Reardon was not the whole show despite his brilliant playing. His team-mates played their hearts out and fed him numbers. Once Pete Dunphy, in the clear under the basket, attempted to pass to Jackie rather than shoot himself. The nicest looking basket of the game was scored by the smallest man on the team, Joe Mullally following a smart passing play.

The Tommies were better than most basketball fans expected. They had a good passing attack which they developed from coach Fraser Stewart. They have one or two twenty point men on the team who were not shooting up to par. If they had been the outcome would have been a lot closer. Next week when they play in Chatham they will have a tough time winning. The Tommies, nevertheless rate the Saints a good bet to win N.B.-P.E.I. honors over U.N.B. and Mount A.

Chairman Bob Christenberry of the New York State Athletic Commission backed Goldstein's action. He ordered Minelli's purse held up and called a hearing for next Friday.

Benny Uhl of Montreal won his first fight in the Garden with a decision over Claude Darcy of New York in a four-round bout that weighed 136 lbs. Darcy 13 3/4.

In another preliminary bout, Montreal's Jerry Druin, 133, outpointed Connie Ferguson, 135 1/2, New York, in a four-rounder.

Officials of the Victoria Driving Club inspected the ice yesterday and selected a course on Hillsboro River, near what was the old rift in the ice. The ice is perfectly good and safe, and races are scheduled for next Wednesday afternoon with at least four classes.

LITTLE SPORT

DOWN THE BACK STRETCH

We were delighted to have a letter from our old friend, Alexander S. Palmer, now residing in Derwick, N.S., with news of horse happenings as follows: "Was in Lawrenceton yesterday and saw Frankie Daniels. He is on crutches. One leg is very badly swollen and it will be some time before he will be able to walk properly. Halfway on the Commons at Halifax and a horse went down in front of Chief A. C. which he was driving. Frankie rolled over several times out got up and won the next two heats with the Chief. I was there and told him to put on plenty of 'Little's Elixir'—but not to rub it in."

IN THIS CORNER

Its three weeks tonight since the once mighty Saint John Beavers won a hockey game. In that long, hungry stretch the Beavers have played eight games, lost five of them and tied three. They have seen their long lead cut to nine points, the lowest since the early weeks in the schedule when they were winning consistently. At that time the Saint John fans were not attending the games because the Beavers were winning too often. Now the Beavers should have full houses.

A lot can and does happen in this 90 game M.M.I.L. schedule. It is difficult to think that the effective, cool working Saint John hockey machine could lose its scoring punch in such a hurry. In their last four games the Beavers have not scored more than two goals in any one contest and the names of Ubrico and Tom Smelle are seldom found in the summaries of late. Possibly these players have gone stale but more likely they are coasting along, saving themselves for the days ahead.

The Islanders left yesterday morning about eleven o'clock for Halifax by bus. They had planned to reach Halifax last night in order to be well rested for the meeting with the Santamarians this evening. Tonight's game is a big one for the Islanders. A win and they will stretch their lead over the third place team or teams to seven points. It would also round out one of the Islanders most successful weeks with seven points out of a possible eight. Next week the Saints and the Beavers play here in Tuesday and Friday night games.

St. Dunstan's made their first start in Maritime Intercollegiate basketball an auspicious one last night when they trimmed St. Thomas University from Chatham, 65-43. The game was fast throughout, with good passing plays and accurate shooting on the part of the Saints. The Tommies on the other hand were slightly off on their marksmanship.

Jackie Reardon played his greatest game of the season in racking up 29 points. Reardon got away to a fast start in the second quarter and after that was closely watched by the Tommies best guard Brian Sweeney. It was next to impossible to guard him, however, as his long set shots were clicking. The Tommies believe they will be able to stop Reardon in their own gymnasium next week when the Saints play in Chatham. Their ceiling is too low to permit long, high shots and they think they can stop him from getting in close to the basket.

Reardon was not the whole show despite his brilliant playing. His team-mates played their hearts out and fed him numbers. "I went over to see Dr. George Bishop's stable a couple of days ago. It was a sight to see. The place was clean straw. He certainly is handling things the proper way. Cecil Phinney, Middleton, has a colt that everybody is talking about. I can't find a fault in him. He is by Hero Mine 2:11 2-5, whose sire is Volomite 2:03 1/2 and his dam is Helen Signal by Lee Harvester. That combines the best two minute strains of trotting blood in Canada and the United States. I had a sleigh ride behind Ayles with Mr. Taylor at Aylesford. He was a real old time horse and very much. He has two young speeders coming on, one by Pepper by Volomite, and the other by Hero Mine, both out of Grattan Queen.

"You and other friends will be glad to hear that Lester Boyle of Kentville suffered a heart attack in a Kentville barber shop recently and passed away a few days later. He was a son of Andy Boyle, one of our good old time horse trainers and Lester did quite a bit of training himself. He was the inventor of a harness called 'Boyle's All Go Straight'. I have sold my farm and am now looking for a smaller one near Windsor or Truro where I can be near the race track and see the fun. . . Thanks, friend, for your letter, and we regret very much the passing of Lester Boyle, who was a very fine man.

We have a letter from Dr. George Bishop, Lexington, Kentucky who returned after a pleasant visit to the Maritimes. The Doctor writes:—"Things have not really commenced to boom yet in the breeding season. Only a few foals have put in an appearance to date but they should be coming along in large numbers soon and everyone will be busy once again day and night. I guess you see my three-year-old mare, Gahanon, on the streets occasionally. Elwood Shaw is jogging him and I believe likes him. I had a letter from Claire Wolverson waiting me on my return. He is still very high on him and believes that he will turn out to be a good pacer.

"I hear they are really filled up with horses in Florida this year and from all reports there is plenty of good ones coming along. I would like to see many of the latest Standard Breds in the Maritimes. There is much to be done in feeding, breeding practices and improvement of pastures. Some good producing blood line mares are badly needed. There are plenty of good stallions. I think more attention should be given to breeding trotters, if not the good blood line trotters will be lost. The study of pedigree is necessary to enable one to choose the right sire and dam. In Kentucky they have this down to a fine point. They study the pedigrees of individual mares and so away back to try and determine what should click and what would not click. Some stallions never produce good racing or breeding male progeny but produce good females. . . don't think the thoroughbred blood in a Standard Bred pedigree ever did it any harm. Many top bred producing stallions today have considerable thoroughbred blood not too far back in their pedigree."

We regret to learn that our friend Jimmie Flood, Mrs. Joe O'Brien's father, has had to undergo an operation in the hospital, but we are glad to know that he is doing nicely. He thought of us and sent us the latest news from Joe in California, as follows:—"The weather here has not been so good as the two previous years were here but it is not bad. We have not missed a day with our horses. I do not intend to race many at the Santa Anita meeting which comes up in March. I believe it is a little too early and most of my stable is young and green. I have 35 head: Robert Morris 4 2:00, Brewer's Gallon 5, 2:00 4/5; Roy Hanover 1, 2:07; Stewart Hanover 1, 2:06; Emille D. 3, 2:05; Henry Day 4, 2:04 2/5; Dinner Date 1, 2:07 1/5; Dallas Hanover 1, 2:07 3/5; Wichita Queen 2, 2:03; Mallman, coming 3; Vonian Chief 2:06; Scotch Mist, coming 3; Golden Broom 5, 2:00 1-5; Dalzell 1, 3, 2:00 3/5; Victory Dusty 4, 2:07 3/5; Fan Daner 4, 2:00 4/5; Carrol Lee 1, 3 2:03; Prim Hal 2, 2:07; Great Colby 1, 2, 2:07 1/5; Laurida Hanover 1, 2, 2:09 1/5; Rita Mite t. coming 3; Modern

The Charlottetown Driving Park and Provincial Exhibition Association are planning great race programs for Old Home Week which commences Monday August 11th. Here are two of the stakes that will be raced: The Home Motors Free For All Pace, purse \$1500, to be raced Monday, Aug. 11th; the County Construction Ltd. Free For All Trot, purse \$1200, to be raced

HUNTERS' CORNER

The meeting of the Queen's County Branch Fish and Game Association held in the Vocational Training School at Charlottetown on Wednesday to discuss fall shooting problems achieved no useful purpose. Rural members, particularly in several closely allied districts south of the Hillsboro River, had been complaining since the fall shooting closed, about the alleged actions of non-resident hunters and had demanded that a meeting be called in order to give them a chance to air their grievances, failed to take advantage of the opportunity.

A fair attendance of city members was in evidence but the rural turnout was disappointingly small. According to the pre-meeting reports the farmer gun toters were "red hot and still athead" but only a mere handful stuck to their guns. One of the few farmer members who were present intimated that there were at least twenty hunters in his district who stated the evening before that they were all set to come in and fight for their rights got "chicken" at the last moment.

The general tenor of the meeting was disappointing. The biggest objection to non-resident hunters, according to two members from Waterside who announced they had been delegated to present the case of their Pownal consorts was that non-resident hunters flocked to their farms on the opening days of the season while they were busy threshing, etc., and shot the coveys out before they had a chance to get started hunting. In other words conservation of game wasn't the big issue. The chief concern for the coveys was not that they were being decimated but, as to who was doing the decimating. In short they wanted the birds for themselves.

This angle was thrown into bold relief when a Waterside hunter took the floor and informed the meeting that he had been empowered to present the views of at least twenty rural hunters in the general Pownal-Waterside area. What they want is this: The first week of the season be open to rural hunters only. After that the city hunters may have their innings and after two weeks the non-resident hunters may shoot game in the province. Needless to say, no motion was put to the meeting on this suggested change in the open season with no setup by rural gunners.

Hamilton's first goal was of the fluke variety. A loose puck fired by the centeman was carried into the net by a falling Glace Bay defenceman.

Scholes opened the scoring in the third on a picture effort after taking a pass from Horeck and Sandy Milne. Hamilton then stepped through the Miners for a pair of tallies to put the game on ice.

With less than a minute of play remaining Haley beat Lockhart after taking a pass from Pete Wywrot and Dean McBride. The tally came while Milne was serving a penalty for holding the puck.

Glace Bay — Goal, Arnell; defence, Cooper, Windley, Bloomer, Myketyl, McBride; forwards, Polle, Haley, Macey, Chorley, Wywrot, Leger, Anderson, Amadio, Ballay.

Moncton — Goal, Lockhart; defence, Olsen, May, Winemaster, Milne; forwards, Marshall, Hamilton, Scholes, D. Horeck, Clements, Filion, Robinson, Burman, Rowe.

First Period
1—Glace Bay, Polle (Leger, Bailley) 2:15
2—Moncton, Filion (Rowe, Olsen) 15:31
3—Moncton, Filion (Rowe) 18:19
Penalty — Cooper 13:01.

Second Period
4—Moncton, Hamilton 16:10
Penalties — Wywrot 1:11, 7:30; Windley 8:06.

Third Period

Moncton Hawks Start Climb Back With 6-2 Win Over Glace Bay

MONCTON, N.B., Jan. 25 — (CP)—Moncton Hawks started the climb back into a playoff position in the Maritime Major Hockey League tonight by defeating Glace Bay Miners 6-2.

The win moved Hawks to within two games of fourth-place Miners, who hold the last playoff position. Hawks unleashed their scoring power in the third period, after taking a 2-1 edge in the first and extending it to 3-1 in the second.

Morrie Hamilton, diminutive Hawk centeman set the game-winning pace with a hat trick — his second such feat on consecutive nights. Danny Horeck was the engineer of three goals, collecting assists on two of Hamilton's tallies and setting up George Scholes for another.

Denis Filion slammed home two goals for Hawks. Coach Bud Polle started his team off, scoring the opening goal of the game. Haley was the other bay scorer.

The game was a fast-moving affair all the way. Hawks abandoned their customary close marking, forechecking style for a free-wheeling attack which paid off. Filion started Hawks off by scoring two goals in little over a minute in the first period, putting his team ahead 2-1.

Hamilton's first goal was of the fluke variety. A loose puck fired by the centeman was carried into the net by a falling Glace Bay defenceman.

Scholes opened the scoring in the third on a picture effort after taking a pass from Horeck and Sandy Milne. Hamilton then stepped through the Miners for a pair of tallies to put the game on ice.

With less than a minute of play remaining Haley beat Lockhart after taking a pass from Pete Wywrot and Dean McBride. The tally came while Milne was serving a penalty for holding the puck.

Glace Bay — Goal, Arnell; defence, Cooper, Windley, Bloomer, Myketyl, McBride; forwards, Polle, Haley, Macey, Chorley, Wywrot, Leger, Anderson, Amadio, Ballay.

Moncton — Goal, Lockhart; defence, Olsen, May, Winemaster, Milne; forwards, Marshall, Hamilton, Scholes, D. Horeck, Clements, Filion, Robinson, Burman, Rowe.

First Period
1—Glace Bay, Polle (Leger, Bailley) 2:15
2—Moncton, Filion (Rowe, Olsen) 15:31
3—Moncton, Filion (Rowe) 18:19
Penalty — Cooper 13:01.

Second Period
4—Moncton, Hamilton 16:10
Penalties — Wywrot 1:11, 7:30; Windley 8:06.

Plan Ice Races On Wednesday

Officials of the Victoria Driving Club inspected the ice yesterday and selected a course on Hillsboro River, near what was the old rift in the ice. The ice is perfectly good and safe, and races are scheduled for next Wednesday afternoon with at least four classes.

Cape Traverse Wins

Cape Traverse downed Albany in a very fast and closely played game at the Bedeque Rink in the South Shore Hockey League last night.

It was either team's game until the third period when the Cape Traverse boys turned on the pressure to skate off with game, by a score of 8-4.
