Mrs. BRAVO, says *Vanity Fair*, is not dead. On the contrary, she is about to be married at Southsea, where she is now staying.

WHAT'S the matter with the Government Clock? It has not struck for two days. Is it in sympathy with the Administration of the day?

We learn that Mr. Alexander Brown, of Stanley Bridge, had a steamer of crape attached to his door nob on the morning after the election.

THE PROVINCIAL EXHIBITION is beginning to engage the attention of farmers and manufacturers. It will be held at Summerside this year.

C. C. JONES did not bore L. C. Owen's, Mr. Baine's, Montague Chapel, High Bank, or any other wells that have failed. His cheap opposition did it.

At the Stipendiary Magistrate's Court this morning, Martin Carroll and Michael Hennessy, were sent up for one month each, for an assault upon John Thompson.

CAPTAIN RONALD McMILLAN, of the bark "John F. Robertson," arrived here on Saturday, after an absence of two years, with his sister. He has had the pleasure of visiting the Paris Exhibition. Their friends will be glad to see them once more at home, and well.

MANY think that Sir Albert can be disqualified as well as unseated, and that should he resign—as he undoubtedly will before the case comes to trial—the suit should still be pressed with a view to disqualification.—*Moncton Times*.

M. A. CAMERON has removed his Insurance Office to LePage's Building, Corner of Queen and Sydney Streets, where he will be glad to meet all his old customers, and as many new ones as will favor him with their patronage. In a few days he will open out a new Fire Insurance Company, as soon as necessary blanks can be received.

THE Quebec Chronicle of Saturday says: Hon. John Simpson, Assistant Auditor-General, died last night. The deceased gentleman was collector of Customs at Niagara for some years, and sat for Niagara in the Canada Assembly from 1857 to 1864. He was a member of the Executive Council and Provincial Secretary of Canada, for a short period, in 1864.

THE women of the country should have the following extract from the Memphis "Avalanche," printed in letters of gold and hung up in every home: "Parents have deserted children and children parents, husbands their wives, but not one wife a husband." This tribute to woman's devotion is found in a column descriptive of the plague horrors in Memphis.

THE fire which took place on the premises of D. Mutch, Esq., of Rustico, has proved to be very disastrous. All his out-buildings, with nearly the whole of the crop, farming implements and machinery were consumed—indeed, everything except the dwelling-house. The loss to Mr. Mutch must be from \$3,000 to \$3,500. He had no insurance.

THE Portland Advertiser has the following in reference to the public debt of the United States: "An official analysis of the public debt, prepared under the direction of the Secretary of the Treasury, shows that from August 31, 1865, when the backbone of the Rebellion was broken, down to the present time, there has been a steady annual decrease, ranging from \$2 to \$4 per capita, in the national debt, and a decrease in interest per capita from 4.29 in 1865 to 1.97 for the last fiscal year."

ON Thursday last we were shown by Mr. Alex. Smallwood some fine heads of two new kinds of wheat grown on the farm of Mr. Boyver, Lot 48. The head of one kind is bald, and is called "Defiance;" the other is bearded, and is called the "Champlain." Mr. Smallwood obtained one pound of the seed of each kind last year, from the State of Vermont. It was sowed in land prepared in the ordinary way for wheat, and the two pounds gave the extraordinary yield of four bushels clean wheat. Some of the heads were six inches in length.—*Argus*.

THE Montreal Gazette says: "The duty of the Government, in view of their crushing defeat on Tuesday, is clear and unmistakable. By precedent and constitutional usage, they are bound to at once resign their portfolios, and enable the Governor-General to call upon the leader of the Conservative party to form a new Administration; and we are pleased to learn, on the authority of the Ottawa organ of the Government, that Mr. McKenzie has decided to place his resignation in the hands of the Government without delay. Utterly routed in the country upon the platform on which he had announced his intention to stand or fall, no other course was open to the Premier, and the step which he is about to take is the only one open to him."

SOME exaggerated rumors respecting a reported suspension of one of our large shipping firms seems to have caused quite an excitement in St. John. Some people there even went so far as to refuse to take the notes of one of our Island Banks. For a day or two in Charlottetown gold was freely drawn from one of the Banks for their notes; but the excitement soon subsided when it was found that the other Banks and our leading financial men had full confidence in the stability of the institution. Business in the Bank has again resumed its normal condition, and we trust that the public mind, both on the Island and abroad, will cease to have any doubts that our Island Bank notes are all perfectly good.

MR. EDWARD MCKINNON, formerly of the Post Office Department in this city, and latterly a law student in the office of Mr. Doutré, Montreal, has gone into partnership with Thomas Kelly, Esq., Summerside.

THE Ottawa Citizen says:—"No man worked harder, no man toiled more zealously than Mr. McKenzie whilst in power; but he misunderstood the genius of the people, and forgot that others besides himself should be considered when introducing popular legislation."

GENERAL SIR PATRICK McDUGGALL, K. C. M. G., is expected to arrive in Quebec about the end of the month, and will take up his quarters for a time in the Citadel before proceeding to Ottawa to act as Administrator until the arrival of the Marquis of Lorne.

THE Summerside Progress says: "We cannot too strongly impress upon the farmers of this Province the necessity of their bringing their produce to market as soon as possible. Our merchants are beginning to purchase oats, and, although the price is only about thirty-four cents per bushel, yet there is very little prospect of a rise this year, and it is better that the grain be disposed of at once. Not more than ninety or a hundred thousand bushels will be shipped from this port this fall, so that the demand will be hardly equal to the supply. Farmers will, therefore, find it to their interest to bring their oats to market at once, so that merchants who are enterprising enough to embark in the oat trade may run no unnecessary risk."

MR. VALLEE, a Quebec Conservative, has had some most remarkable experiences during the year. Last winter, in the general Provincial election, necessitated by Governor Letellier's *coup d'état*, Mr. Vallee contested Rimouski with Mr. Chauveau, the Returning Officer being, we believe, a relative of Chauveau's. Both candidates polled 1688 votes, and the Returning Officer gave his casting vote for Mr. Chauveau. In the general election last Tuesday, Mr. Vallee again tried his fortunes at the ballot boxes, but in Portneuf. His competitor was Mr. De St George, whose brother was the Returning Officer. Strange to say each candidate polled 1688 votes, and the election had to be decided by the casting vote of the Returning Officer. The vote, of course, was cast against Mr. Vallee. A more remarkable coincidence never occurred in any previous election contest.

SYDNEY COAL.
—:—
REDUCTION IN PRICE!

NOTICE TO THE PUBLIC!

THE GENERAL MINING ASSOCIATION (Limited) beg to intimate to the Public that the price of SYDNEY COAL has been
Reduced to \$2 per ton of 2240 lbs.
a price which it is hoped will place it within the reach of all consumers.

The opening of the new winning at "THE SYDNEY MINES" and the fact that the SYDNEY COAL now being shipped is all from the DEEP taken in connection with recent improvements in the process of screening, affords purchasers a positive guarantee of the very superior quality and condition of the SYDNEY COAL now offered for sale.
It is a well-known fact that for many years past the prices of other Cape Breton coals have been regulated by the rates fixed for SYDNEY COAL; but while it is true that other coals, to get a sale at all, have been pressed on the market at various prices under the current rate of SYDNEY COAL, it is no less true that, taking into account the superior lasting qualities of SYDNEY COAL when compared with other Cape Breton coals, the advantage, both as to economy and convenience, is in favor of SYDNEY COAL, even at a much higher price.

The General Mining Association (Limited) regret that they should again have to caution the Public against the attempts being made from time to time to induce them to buy inferior coals purporting to be "EQUAL TO SYDNEY," "SUPERIOR TO SYDNEY," etc., etc., while some yet more unscrupulous vendors have not hesitated to advertise their coal as SYDNEY COAL (from some designated locality). All these efforts to sell coal by such means are only so many admissions on the part of those who make them of the STANDARD character of SYDNEY COAL.
It has come to the knowledge of the Association that in frequent instances parties giving orders to truckmen and others for SYDNEY COAL have been furnished with other and inferior coal. The Public are cautioned against permitting themselves to be imposed upon in this way.

Every vessel loaded at THE SYDNEY MINES is furnished with a certificate of the cargo being Sydney Coal. Parties purchasing should satisfy themselves by demanding the production of this certificate.
The "Sydney Coal" is registered under the laws of the Dominion, and unauthorized parties using the Trade Mark "SYDNEY COAL" are liable to prosecution.
