Entertainment At Kelvin Grove

The Kelvin Grove Dramatic group staged a fine entertainment at Long River Hall on April 29, before a comparatively small but well pleased audience.

Two one-act plays, skits, vocal solos and a monologue made a well balanced program.

The curtain rising on the opening number, a one-act play, discovered a night-time scene, with a burglar, (Douglas Webster,) slipping stealthily by the twin beds to hide in a closest. The charming wife, (Mrs. Douglas Webster,) disturbed but unaware of the actual presence of the burglar, takes the opportunity to wake her husband, (Edgar Miller) and coax him to promise her a new car. Hearing strange noises, she uses her persuasive skills to get her husband out of bed and also the maid (Mrs. Edgar Miller), to investigate. The husband decided to bunk downstairs "where he can get some rest", the maid goes back to bed. Then the burglar appears and Caroline, who with practice has made the art of persuading men to do her will, almost perfect, uses it on the burglar with very amusing and unusual results.

Delightful solos by Astrid Millar and Sheila Caseley made quite a hit, especially with the younger men folk in the audience. A veteran tenor soloist, Mr. Russell MacKay responded twice to keen applause with calls for "more" still coming in after the third solo.

A "skit" in pantomime, with commentary by Mr. Arnold Walker, introduced a cow and also the fact that a three legged stool-Co-operation, education and legislation will give the farmer a much better chance to "milk the Cow" than the one legged stool-Ignorance.

"'Arry and "Arriet," also a skit of a novel nature, dealt with a seance and had a most surprising ending.

A monologue by a tired lady shopper, (Fred Semple) at the end of a bargain day had a lesson in it as well as a heap of fun. "Cat Pie" was also in pantomine and so was the more startling as the "Skit" unfolded at a fast tempo.

"Shadow of a Dream", a one-act play and the final number, will no doubt be heard from later, as it is Kelvin Grove's entry in the Provincial Drama Festival, and should go right along to the finals. The lead in this warm and thoughtful drama is effectively played by Mrs. Morris Caseley and she is ably supported by Mrs. Horace Paynter, Mr. George MacMurdo, Mr. Arnold Walker and Miss Alice Callaghan.

Others taking part in the program were Errol Caseley and Allison MacMurdo. Instrumental music was furnished during intermission by Mrs. Russell MacKay who was accompanist for the evening, and Mr. Alvin Bernard. Mr. Morris Caseley was the capable chairman. The entertainment was staged at Hunter River on the following evening before a full house and was enthusiastically received.

FIRST ANNUAL MEETING YESTERDAY OF AMALGAMATED DAIRIES LTD.

—A net profit of $25,964 on total sales of $579,541.76 was shown in the financial statement covering an 11-month period, which was presented to some 200 producers who attended the first annual meeting of Amalgamated Dairies Ltd. last evening in the auditorium of the Canadian Legion Home in Summerside.

The meeting was presided over by the president of the board of directors, Mr. Murdock MacLeod, of Long River, whose report on the year's activities revealed that $18,-294.26 of the surplus was distributed to their 1346 patrons on the basis of 1 9/10 cents per pound of butter fat.

His report also showed that 1,131,-959 lbs. of butter and 210,905 lbs. of cheese had been produced and sold during 1953.

The award for the leading cream patron went to Mr. Scott Cairns of Freetown; while the award for the leading milk patron was received by Gillis Bros., of Richmond. These awards were donated by Canadian Bank of Commerce, and by Mr. Ralph Caseley of Ralston-Purina Co.

Officers Elected

A nominating committee composed of: Spurgeon Dyment, Tyne valley; Beecher Dennis, Grand River; Philip Arsenault, Abrams Village; Edwin Lord, Bedeque; Archie Thompson, Tryon; and Frank Ramsay, of Kensington were elected to recommend a suggested slate of 12 new directors

Their recommendation, approved by the meeting were as follows: Tyne Valley, Athol Colwill, 2 years; W. J. Dennis, 1 year; Grand River, Harry McIntyre, 1 year; Oswold Yeo, 3 years; Abram Village, Sylvestere J. P. Arsenault, 2 years; C .M. Arsenault, 3 years; Bedeque, Frank Jardine, 2 years; W. J. Reid, 1 year; Tryon, Otto Johnston, 3 years; Joe Murphy, 1 year; Kensington, Lloyd Lockerby, 3 years; Murdock MacLeod, 2 years.

Following the annual meeting the directors held a short meeting at which Murdock MacLeod, of Long River, was re-elected as president of the board of directors, and Mr. C. M. Arsenault, of Abrams, Village, was re-elected vice-president of the organization.

During the annual meeting suggested by-laws were read and adopted after discussion.

Also under the heading of new business, approval was given to a special by-law authorizing the issuing of serial debentures to the amount of $200,000 for capital and current expenses. These bonds, which are to be redeemed over a period of twenty years, will bear interest at 4½ per cent, and will be secured by a first mortgage of all real property and equipment of the association.

The financial report read by the secretary-treasurer, G. L .Monkley, showed that total assests were $426,-743.34.

The report estimated that the total cost of the property, the original building, new building extensions, and equipment will be $270,000.

Subssidies totalling approximately $95,000 have been authorized by the Dominion Government under the Cheese and Cheese Factory Improvement act and Cold Storage Act. This, the report said, will result in a net cost Amalgamated Dairies Ltd. of approximately $175,-000.

Note was taken by the president and several members present, of the excellent accomplishment made by the general manager, Mr. Jack Wright, in the tremendous task of getting the new plant underway and in making such a success of the enterprise in its first 11 months of operation.

At the conclusion of the business period, Mr. Wright, in reply to questions, explained some of the details in connection with the plant operations.

Mr. Allison Profitt, on the invitation of the president, told of the reasons for the suggested levy of 1 cent per pound on butterfat during the month of June. He explained that this money was required to promote increased sales of daily produce.

Six delegates were appointed to the annual meeting of the P. E. I. Dairymen's Association. They are: Harry McIntyre, Grand River; Frank Jardine, Bedeque; Edwin Darby, Abrams Village; William Dennis, Port Hill; Edson Raynor, Clermont; Otto Johnston, Tryon.

The president and the secretary treasurer, Messrs. Murdock MacLeod and G. L. Monkley, were elected to represent the association at the annual meeting of the P. E. I. Federation of Agriculture.

A motion was approved by the meeting which requested the government to amend the by-laws under which the company is incorporated so as to permit the board of directors to be increased from 12 to 14 members.

In the president's report, Mr. MacLeod reviewed the steps taken in the organization and realization of Amalgamated Dairies Ltd, from the beginning up to the present time, and he said, "it is intended to confine our products to butter and cheese this year, and to carry on our arrangement for working in conjunction with the Olympia Ice Cream Company. Other plans are to be delivered but it is considered advisable to concentrate on our present products at first."

PRIZE WINNERS

"Our buttermakers took both first and second prizes for the highest percentage of first grade butter in 1953 and our cheese maker was also a prize-winner." Continuing, he said, "the surplus of $18,294.26 remaining after 3 percent cash divident or interest had been paid on the shares and the yearly reserve fund had been set up, was distributed to the patrons as a stock bonus or patronage dividend on the basis of 1 9/10 cents per pound of butterfat. Our association had 1346 patrons during 1953 and it is not unreasonable to expect that this number will increase considerable as time goes on."

In conclusion Mr. MacLeod thanked the patrons for their fine co-operation. "This sort of thing", he said, "gives a clear indication that the farmers of this Province are ready and willing to get behind a project to improve the processing and marketing of their products." —S

Secret Letter Touches Off New Uproar

By ED CREAGH

WASHINGTON (AP) — An alleged "secret and confidential" letter from J. Edgar Hoover, warning of a highly dangerous security situation at Ft. Monmouth, N.J., touched off a new uproar in the McCarthy-army hearings Tuesday.

Senator Joseph McCarthy set off the latest row by producing what he described as "one of a series of letters" from Hoover, director of the Federal Bureau of Investigation. McCarthy said Hoover had given repeated warnings of what the senator termed a "tremendously dangerous" situation involving security risks at the Ft. Monmouth radar laboratories.

Army counsel Joseph N. Welch protested it was improper for McCarthy to have such a letter—labelled "secret and confidential"—in his possession, and declared it looked to him as if the senator was breaking the law.

CAN'T RECALL LETTER

McCarthy brought out the letter in cross-examination of Army Secretary Robert Stevens, after suggesting that associates of atom spy Julius Rosenberg continued to do secret work at Ft. Monmouth long after the army secretary took office.

Stevens said he couldn't recall the letter and wouldn't even read it without Hoover's permission.

Finally it was decided to (1) get a statement from Hoover as to whether he wrote the letter, and whether it could be made public, and (2) see whether there is a copy in the Pentagon files.

Tuesday morning the Republicans thought they had an informal agreement to wind up the hearings with testimony by Stevens and McCarthy.

Army counsel Welch served notice, however, he and special committee counsel Ray H. Jenkins hasn't been able to "invent a magic formula for shortening the hearings," and said: "I think the American people will demand, and should have, the long furrow plowed."

PARIS, (AP)—A second secretary of the Soviet embassy was bundled off to Moscow from Paris last week in a manner that led observers here to suspect the Russians had headed off another Petrov case.

COMMERCE CHAMBER HEAD SPEAKS AT JOINT MEETING IN SUMMERSIDE

Mr. W. J. Borrie, president of the Canadian Chamber of Commerce was the guest speaker at a joint meeting of the Summerside Board of Trade and the Summerside Rotary Club held yesterday at noon at Howard's Restaurant.

Mr. Borrie, who is president of the Pembroke Securities Ltd., Vancouver, B .C., director of the Pacific National Exhibition and a former member of the Canada-U. S. A. Committee, has recently returned from a visit to various countries of the world including Mexico, Japan and the United States, gave a very informative talk on trade conditions in those countries at the present time, as well as his impressions of the general economic world picture.

He brought back the distinct impression above all that Canada is "A great country to live in" standing high in estimation of the peoples of the world. Speaking of the peril in which the world stands, Canada as well, he said that "if and only if the free Nations of the World stand together will we be able to overcome the menace of imperialistic Communism. The chips are down now" he went on "and events from now on will determine who is to be the winner. We must use our freedom or loose our freedom."

Briefly summing up conditions in the countries which he had visited Mr. Borrie said that Mexico had recently undergone great national change. Japan, was again a great trading nation. The recent trade treaty with that country, he believed will prove beneficial to Canada. In the United States he said that his impressions were — that business was good — that there is a feeling of acceptance there of the responsibility of world leadership — that American business men were, as a whole, favorable to Canada.

Regarding conditions here he believed that 1954 will be a great year for Canada. "While the industrial output is down slightly we have a strong dollar ,money is easy. This year we have again a balanced budget, personal savings are high and the construction industry this year will total over five billion dollars. Confidence he believed is returning to business generally."

The meeting was opened with President T. Earle Hickey, QA., in the chair, Mr. Hickey, on behalf of the Rotary Club made a presentation to Group Captain A. G. Kenyon, Commanding Officer, R. C. A. F. Station Summerside who was recently transferred from this station.

Group Captain Kenyon, in expressing his appreciation, said he had greatly enjoyed being a member of the Summerside Rotary Club and that he hoped to return some day to renew the many fine acquaintances he had made while here.

Mr. Hickey then turned the meeting over to Mr. William Hayward, the president of the Summerside Board of Trade who called upon Mr. H. L. Hill, Moncton, Vice-President of the Canadian Chamber of Commerce for New Brunswick, to introduce the guest Speaker. Mr. Borrie. Seated at the head table with Mr. Hickey and Mr. Hayward were, Rotarians H. L. Hill, D. L. Morrell, and A. T. Parkes of Moncton.

Guests present were Rotarian Arthur MacPherson of Charlottetown, Byron McBeath, Moncton, Mayor Henry W. Wedge, Summerside, Theo Ling, President of the Kensington Board of Trade, Mr. Elmer Murphy of the Journal-Pioneer and Mr. George Clow of the Charlottetown Guardian.—S.

"DESTINATION GOBI," WITH RICHARD WIDMARK TODAY CAPITOL, SUMMERSIDE

—All the awesome wildness of the vast reaches of desert with its swirling storms and weird light reflections, recorded in glowing Technicolor, makes "Destination Gobi" an eye-thrilling experience. To achieve this important background effect Producer Stanley Rubin and Director Robert Wise especially chose the desert wastes on the Indian reservation at Nixon, Nevada, as most nearly resembling the Gobi, and employed the Piute Indians to portray the Mongol tribesmen to whom they bear an extraordinary likeness.

For the fourth time in his screen career, Richard Widmark dons the uniform of the U. S. Navy for one of his strongest roles to date, appearing as a toughly efficient chief petty officer of 16 years' experience who does everything by the book until forced into the position of leading his small weather unit on what appears to them an incredible and suicidal march.

Don Taylor co-stars with Widmark as a debonair, self-assured, wise-cracking radioman who is unofficial barber to the group, but it is Casey Adams who has the romantic scenes in this he-man film with a piquant Mongolian maid portrayed by Judy Dan. Miss Dan is an exotic Chinese beauty who won notice as "Miss Hong Kong."

Lobster Catch In Alberton Area

—The lobster catch on the north shore has been disappointing to date in the West Prince area, boats at Alberton South averaging from 100 to 450 lbs. compared to 1000 lbs. landed by the top boat on the opening day of the season last year. Mons Hutt had the highest catch this year of 450 lbs. in a single day's fishing. Several fishermen were of the opinion that the cold weather was partly to blame and results would improve with warmer weather.

At Tignish catches were much the same, the highest catch reported being 600 pounds but the same boat was down to 300 the following day.

Owing to a fault in the boiler at the Alberton Union Factory no lobsters have been packed as yet but operations are expected to get underway today.

Catholic School At Fort Albany Burns

TIMMINS, Ont., (CP) — Word reached here Tuesday that the Roman Catholic boarding school at Fort Albany in the James Bay area has been destroyed by fire.

The school, 155 miles north of Moosonee, is operated by the Oblates of Mary Immaculate. All teachers and children escaped without injury. The mission school is attended by Indians and Eskimo children.

The loss amounted to more than $45,000, said the Most Rev. H. Belleau, OMI, vicar - apostolic of James Bay.

Ford To Lay Off 1,542 Employees

WINDSOR, Ont., (CP)—Layoff of 1,542 production employees of Ford Motor Company of Canada, some of whom have been employed with the company since 1944, will take place May 12 T. J. Emmert, executive vice-president, announced Tuesday.

Layoffs are to be made, he said because of a sharp decline in truck sales, the transfer of passenger car operations to Oakville and changes being made in the foundry.

Shutdown of the truck line is not expected to last past mid-June, at which time up to 700 men will be recalled to work, the announcement stated.

SHIP FIRE IS PLANNED

WINDSOR, Ont. (CP)—Plans are afoot to burn the passenger steamer City of Cleveland III off the head of the Canadian shore as a Windsor centennial year spectacle, Captain Frank Becker of Detroit said Saturday night. The ship has been idle since a collision with a freighter in Lake Huron three years ago.

Musical Festival Preliminaries At S'side Completed; An Unqualified Success

—The Summerside preliminary competition of the Prince Edward Island Musical Festival which began on Saturday and held its final session last night has been an unqualified success both in the number of entries and the audiences which gathered to listen to the performances. Competitors from Ellerslie, Bideford, Port Hill, New Annan, Central Lot 16, Wilmot Valley, Long River, Linkletter Road, Hamilton, Freetown, St. Eleanors, Northam, Margate, Slemon Park, Kinkora, Kelvin Grove, Kensington, North Bedeque, Central Bedeque, Bedeque, Borden, Albany Village, Albany rural, Miscouche, Tyne Valley, North Tryon, Tryon, Graham's Road participated in the various classes.

The festival opened with the choral reading classes on Saturday afternoon. A class in choral reading from the Air Marshal Johnson School was awarded a mark of 90, the highest ever given in an Island festival.

On Monday the vocal solos and the rural school choruses were adjudicated by Mr. Earl Terry, B.A., B.paed., M.M., of London, Ontario, specialist in vocal and orchestral work. Mr. Terry added greatly to the enjoyment and educational value of the sessions on Monday by having the competitors either individual or choral, join in singing the competition selections, after each class was completed. He gave helpful suggestions and corrections and it was indeed a treat to hear these combined young voices under his direction. Mr. Terry complimented the children and their teachers on their achievement under difficult conditions.

The highlight of the Saturday performance was perhaps the girls vocal solo class, 15 years and under. 23 girls competed, the winners tied with a mark of 85. They were Carol MacLean, Summerside and Winnifred Thompson, North Tryon. The general consensus of opinion was that it was one of the finest competitions ever heard in Prince Edward Island.

Yesterday's sessions were given over to piano solos and piano duet compositions. The highest mark achieved in the morning and afternoon sessions was awarded to Catherine Hickey, Summerside, who was given a mark of 86 for her rendition of the piano solo "Fairy Bells." Mr. Terry praised highly the rendition of the piano duet, class 14 and under, the winners being Greta Dunbar and Catherine Harper of Summerside.

Evening Program

The piano soloists of the evening were outstanding as was shown by the adjudicator for he awarded Hester MacPhee of Summerside 87 marks in the piano solo competition for 14 years and under. Mr. Wharram expressed his delight with the performance of this whole group and said that the pianists in this class would compare with any other such group anywhere and awarded them the rating of 87, 85, 85, 85 and 84 which certainly shows the calibre of the contestants.

In its inaugural year the Prince County Festival has far surpassed in quality of competitors and interest of the pupils the fondest hopes of those who have dreamed a dream and saw it come true.

Following were yesterday's results:

Class 114, beginners piano solo (8 years and under): 1. Phyllis Hudson, S'Side, 83; 2. Maureen Grant, S'Side, 82; 3. Roger Ahern, Robert Hickey, Joanne Poirier, S'Side, 80.

Order Examination For Dr. Valdmanis

ST. JOHN'S, Nfld., (CP)—Dr. Alfred Valdmanis, charged with fraud totalling $420,000, appeared in magistrate's court Tuesday and was remanded until Thursday for examination by a phychiatrist.

Magistrate Hugh O'Neill suggested the examination and Solicitor General Myles Murray agreed.

Gordon Higgins, counsel for the former chief of Newfoundland's economic development program who was arrested in New Brunswick two weeks ago, agreed after a five-minute recess during which he discussed the suggestion with Dr. Valdmanis.

Dr. Valdmanis appeared tired and shaky and talked with a Salvation Army officer on his way out of the courtroom.

DAILY CRYPTOQUOTE—Here's how to work it:

A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.
