

Sleep no More.

"Awake thou that sleepest, and arise from the dead, and Christ shall give thee light."—Eph. v. 14.

I. Sleep no more! the dawn of life is breaking. The dark browed hills of doubt wear crowns of gold, And from thy soul the chains of slumber shaking.

II. Sleep no more! the dreams of sinful pleasure, That held thee helpless in their curd control. Forget, and firmly grasp the real treasure That Christ has purchased to enrich thy soul.

III. Sleep no more! a garment He has brought thee Blood-washed and pure from every earthly stain; See, how his loving care had not forgot thee Though in the grave off sin thou long hadst lain!

IV. Sleep no more! He brings the heavenly armor, For thou hast still to pass through many foes; But though the combat warmer grow and warmer, Fear not! for thy Great Captain with thee goes.

V. Sleep no more! cast of the folds of weakness, Of pride and vanity and self-conceit; And don thy armor with courageous meekness, And march wherever Jesus leads thy feet.

VI. Sleep no more! the past may well suffice thee In wicked slumber to have spent thy days; Let not the basilisk of sin entice thee; With look of faith anticipate his gaze.

VII. Sleep no more! Awake, be "up and doing." There's noble work for head and heart and hand; And still perfection's distant goal pursuing, Go boldly forth beneath thy Lord's command.

NOTES.

Not the promissory, but facts about WELCOME SOAP, an article that does not contain one particle of the adulterations used to reduce the cost of "Pure Goods," but does possess the value of legitimate Washing Qualities, the demand for which proves the advantage gained by the use of the genuine over Soaps of doubtful character. None should be deceived even by Red and Yellow Wrappers, or any of the imitations of the WELCOME, as a pair of clasped hands is stamped on every bar. Made by CURTIS, DAVIS & Co.

NOTICE

To Our Numerous Customers.

On account of the tobacco crop of 1883 being so poor, we did not buy much, and selected only the best of it, as we always wish to keep our "T. & B. Myrtle" brand up to the standard; and therefore there may be a scarcity of "T. & B. Myrtle" Plug for a short time. If such is the case there will be a full supply on the market by the end of October.

The tobacco we are now about to manufacture is the finest we have ever had, and we know it will please our numerous customers.

Yours respectfully, GEO. E. TUCKETT & SON.

AYER'S Hair Vigor

restores, with the gloss and freshness of youth, faded or gray hair to a natural, rich brown color, or deep black, as may be desired. By its use light or red hair may be darkened, thin hair thickened, and baldness often, though not always, cured.

It checks falling of the hair, and stimulates a weak and sickly growth to vigor. It prevents and cures scurf and dandruff, and heals nearly every disease peculiar to the scalp. As a Ladies' Hair Dressing, the Vigor is unequalled; it contains neither oil nor dye, renders the hair soft, glossy, and silken in appearance, and imparts a delicate, agreeable, and lasting perfume.

MR. C. P. BRICHER writes from Kirby, O., July 8, 1882: "Last fall my hair commenced falling out, and in a short time I became nearly bald. I used part of a bottle of AYER'S HAIR VIGOR, which stopped the falling of the hair, and started a new growth. I have now a full head of hair growing vigorously, and am convinced that but for the use of your preparation I should have been entirely bald."

J. W. BOWEN, proprietor of the McArthur (Ohio) Enquirer, says: "AYER'S HAIR VIGOR is a most excellent preparation for the hair. I speak of it from my own experience. It promotes the growth of new hair, and makes it glossy and soft. The Vigor is also a sure cure for dandruff. Not within my knowledge has the preparation ever failed to give entire satisfaction."

MR. ANGELO FAIRBAIN, leader of the celebrated "Fairbairn Family" of Scottish Vocalists, writes from Boston, Mass., Feb. 6, 1880: "Ever since my hair began to give, I have used AYER'S HAIR VIGOR. It has completely stopped and a new growth commenced, and in about a month my head was completely covered with short hair. It has continued to grow, and is now as good as before it fell. I regularly use it once a bottle of the Vigor, but now use it occasionally as a dressing."

Mrs. O. A. PRESCOTT, writing from 18 Elm St., Charleston, Mass., April 14, 1882, says: "Two years ago about two-thirds of my hair came off. It thinned very rapidly, and I was fast growing bald. On using AYER'S HAIR VIGOR the falling stopped and a new growth commenced, and in about a month my head was completely covered with short hair. It has continued to grow, and is now as good as before it fell. I regularly use it once a bottle of the Vigor, but now use it occasionally as a dressing."

We have hundreds of similar testimonials to the efficacy of AYER'S HAIR VIGOR. It needs but a trial to convince the most skeptical of its value.

The Custom Tailoring Department is full of Neat, Nobby, and Reliable Goods.

We are displaying the largest variety of Spring Styles of Hats ever shown, and include all the popular shapes.

The Boys' Department is unquestionably the best and most attractive in the city. The Furnishing Goods Department is not only well stocked with all that is solid and staple, but contains much that is choice and novel.

No doubt about it. Ours is the largest and best selected stock ever seen in this city,—not only largest in quantity, but largest in variety of shapes,—largest in variety of materials,—largest in correct styles,—largest in every way. What more could we say, unless it be that OUR PRICES ARE RIGHT,—RELIABLE, HONEST.

New and Original Departure in Coal Cooking Stoves

COMBINING DURABILITY, HEAT AND ECONOMY.

THE above Stove I invented and patented in 1876, and at the present time HUNDREDS ARE IN USE, giving perfect satisfaction. A large number have been in constant use for eight years, and the repairs have been very trifling, in many instances none have been required. This valuable experience should be sufficient evidence of their durability, which is accounted for in the following:—It has, instead of a Lined Fire Box, two heavy Unrugged Cylinders, which obviate the expense connected with all Square Cooking Stoves of being compelled to renew Linings and Grates, at least once or twice every year. The heat being radiated from the Cylinders to all kinds of ordinary Coal Cooking Stoves. The Cylinders are situated directly under the cover holes, and a fire may be made in one or both, thus adapting it for use either in winter or summer, with equal satisfaction, besides effecting a great saving in fuel. I have also attached the PATENT TELESCOPE OVEN to all my Elevated Oven Wood Stoves, such as the Waterloo, Niagara, Star, &c. causing the thousands using them to exclaim—My Stoves are worth TEN DOLLARS MORE than the same kind made by other foundries. The trade and retail purchasers will please bear in mind the fact that although a great advantage is claimed for my own Oven above all others, they cost no more, and being the sole manufacturer and patentee, no other foundry can supply. Enquire for Fawcett's Patent Telescope Oven, and if your dealer has none on hand send direct to the Sackville Stove Foundry.

I am adding several new and handsome Patterns this season, which, with my former large variety of One Hundred Different Patterns and Sizes of Cooking, Parlor, Office and Hall Stoves, also Farmers Boilers, Hollowware, Ploughs, Stove Pipes and Tinsware, comprise the most complete assortment offered by any manufacturer in the Lower Provinces. Terms and prices will be found as favorable as can be obtained elsewhere.
