Dynamite in Court.

During the trial of Richard Hodnett, at the Cork Assizes, on the charge of sending a parcel of dynamite to the Lord Lieutenant, it became necessary on the examination of the clerk in the post-office, to produce the parcel of dynamite of indentification. A head constable approached the table on which the witness sat, and putting his hand into a capacious wallet at his side, drew out a dirty looking bundle containing between four and five ounces of dynamite. The judge asked whether the dynamite had been deprived of its dangerous qualities. The constabel replied that it had not; whereupon his Lordship directed him to take it away at once. When the examination of the witness was about to be resumed, some one directed attention to a number of particles resembling fragments of bricks lying on the table almost beneath the witness' feet. The Constable in rolling up the dynamite had spilled some of it, and several persons, on seeing this, made a hasty move, and something akin to a panic seemed likely to ensue. His Lordship directed that no one who did not understand how to handle dynamite should attempt to remove the grains off the table and ordered the constable to be sent for, but to leave his parcel outside. The foreman of the jury suggested that the court should adjourn for five minutes, and to this proposal the judge readily assented. Sub-Inspector Royse then swept off the particles with his handkerchief on to a sheet of paper and had them conveyed out of court, and the trial was resumed.

Referring to Webb's foolhardy effort at Niagara, the London *Standard* say:—The taste for these feats is a disease, whether it be the wheeling of a barrow on a tight-rope stretched across Niagara, flying in a baloon across the Channel or the Mediterranean, or in circus leaps the zest of which to the spectators consists is the risk which the performer runs.

A correspondent of the London *Telegraph* asserts that the "golden apple" of the Old Testament is undoubtedly the apricot of Cyprus. The reference in the Old Testament apply. in all respects, to this fruit tree alone. It his been abundantly cultivated in Palestine from early times; foliage forms a "delightful shade," and is bright and pale like "pictures of silver," while it bears "apples of gold" of "fragrant smell" and sweet to the taste."

The Great French Remedy, Dr. LeDuc's Periodical Pills.

For the cure of Leucorrhœa or White's Excessive or painful Menstruation, Green Sickness, Falling of the Womb, Catarrh of the Uterus or Vagnia, Hysteria, pain in the Back, or Piles, or for the purpose of invigorating and giving tone to the Generative Organs, two pills should be taken twice daily, or in very enfeebled conditions, one pill three times a day. To effect cures in chronic cases it will be necessary to continue the use of the remedy for some months. A reasonable trial will create sufficient confidence in the remedy to insure its being taken until a permanent cure is effected.

HALL'S Vegetable Sicilian HAIR RENEWER

was the first preparation perfectly adapted to cure diseases of the scalp, and the first successful restorer of faded or gray hair to its natural color, growth, and youthful beauty. It has had many imitators, but none have so fully met all the requirements needful for the proper treatment of the hair and scalp. HALL'S HAIR RENEWER has steadily grown in favor, and spread its fame and usefulness to every quarter of the globe. Its unparalleled success can be attributed to but one cause: *the entire fulfilment of its promises.*

The proprietors have often been surprised at the receipt of orders from remote countries, where they had never made an effort for its introduction.

The use for a short time of HALL'S HAIR RENEWER wonderfully improves the personal appearance. It cleanses the scalp from all impurities, cures all humors, fever, and dryness, and thus prevents baldness. It stimulates the weakened glands, and enables them to push forward a new and vigorous growth. The effects of this article are not transient, like those of alcoholic preparations, but remain a long time, which makes its use a matter of economy.

BUCKINGHAM'S DYE FOR THE WHISKERS

Will change the beard to a natural brown, or black, as desired. It produces a permanent color that will not wash away. Consisting of a single preparation, it is applied without trouble.

MONTREAL, May 14, 1883.

Dr. Bennet, Halifax.

DEAR DOCTOR,—Just a few lines as promised by me. I am more than pleased with the "Liver Pad" I got from you when in Charlottetown, and can conscientiously say that it is the best thing I ever saw or heard of. It has done for me what all kinds of medicine and different physicians could not do for me—*i. e.*, removed a very nasty body eruption, which had given me a great deal of annoyance for more than two years; and, more than that, I have not been troubled with a single headache since I have used it. Before wearing the Pad I was troubled with severe headaches continually; and that very objectionable feeling of sluggishness and dullness has entirely left me—in fact I am a new man, to what I was before wearing it. I am truly thankful to you for what you have done for me, and I hope that you may be long spared to the benefit of the public.

Believe me,
Yours sincerely,
FRANK ELLIOTT.
