—MACHINE GUNS FOR BED-DEQUE. Through the efforts of Mr. P. C. Bowness of Bedeque it is pleasing to learn that he has been fortunate enough in securing two machine guns for the village which are due to arrive here within a few days. It is also understood that it is the intention of the War Veterans of Bedeque and the surrounding districts to erect a "Soldiers Memorial Monument" in Centreville School Grounds. Why not organize a committee to collect and raise funds to erect this monument since the guns are on their way? No doubt everyone would lend a willing hand and help the cause along. It would be an honor and tribute to our fallen heroes and be sides an example to the community of patriotism and loyalty to their country.

Mr. Joseph Gallant, Bedeque, reports the rabbits as being very plentiful this winter. Mr. Bernard Connolly spent the weekend holidays with friends in Augustine Cove. Boys watch out for the opening of the rink at Central Bedeque. Bring along your lady friends and enjoy a good skate. Mr. P. C. Bowness is doing a rushing business in the harness trade this winter. Mrs. (Dr.) Seaman of Bedeque has recovered from her recent serious illness and her friends are pleased to see her about again. Mr. L. L. Noonan of the J. J. Hughes Co., Ltd. Souris spent the Xmas holidays with her parents, Mr. and Mrs. Daniel Noonan, Bedeque. Mr. George Crossman, one of Central Bedeque's popular young men was a recent visitor to Summerside. Mr. Arthur McFarlane of Lower Bedeque while coming from Central Bedeque one evening was... Bad the misfortune of losing a beautiful driving horse. The animal stumbled and fell dead on the road near Mr. George McKay's turn. Our sympathy goes out to Mr. McFarlane in his regrettable loss.

—SHIPMENT OF FOXES. Mr. B. Graham Rogers shipped to parties in Ontario two pair of silver foxes.

—THE MASQUERADE BALL which was held at the Olympia Cabaret New Years eve was well attended. The costumes surpassed anything that has been seen for a long time. The orchestra furnished excellent music and a pleasant evening was spent by all.

—NEW YEARS IN SUMMERSIDE. New Years Day was quietly observed in Summerside. In the morning service was held in all the churches, in the afternoon, the horsemen were in scores on Water Street showing some of the old time speed. The Crystal Rink held a special skate and was well patronized. Happyland Theatre with a special bill for New Years night was filled to capacity. The day was an ideal one, and everybody seemed to wear a smile, taking it all into consideration it was a feature beginning for 1921.

—THE SOURIS WHIST CLUB which for the past few months has been meeting weekly in St. Mary's Hall, had their closing game of the year 1920 last Wednesday evening. The Club has been largely attended and has afforded its members much pleasure. We have, one and all, enjoyed these social gatherings and intend to continue them through the winter. The Organizers of the Club are to be congratulated on their capable and successful management. The prizes for the season of 1920 were awarded on Wednesday evening. Mrs. A. P. McQuaid won the Ladies' prize—a beautiful silver tray. The Gentleman's prize—a handsome silk muffler was won by Mr. A. F. McQuaid. The winners in a few well chosen words thanked the Assembly and donated the prizes to the Club to be competed for during the month of January.

Some of the local sports undertook to arrange for a horse trot on the ice but the project failed to materialize and it was decided to postpone matters for a time.

—WINS CUP AT FAIR. Mr. Alphonsus McLellan of Arlington, Lot 14, was the lucky winner of a silver cup at Amherst Fair. This cup was donated by W. M. Ewing, seedsman, Montreal for the best exhibit of seed grains, open to those who are not members of the C. S. G. A. This young man won four first prizes and 1 second prize. He is to be congratulated for his first showing of seed grain at this fair.

—WEDDING BELLS. A very quiet and pretty marriage was solemnized here on New Year's eve when Miss Evelyn Harris, one of the most popular ladies of the firm of R. T. Holman, Ltd., became the bride of Mr. John Peters, a Summerside boy who enlisted with the 105th Battalion and passed through the heaviest battles in the German war. The bridesmaid was Miss Clara Mountain while Mr. Frank Daley, war veteran, supported the groom. The marriage ceremony was performed by Rev. Mr. Mitchell, pastor of the Presbyterian church. The young couple have numerous friends in town, who, with the Guardian extend best wishes for a long and happy voyage through the sea of matrimony.

An Important Announcement to Holman's Eastern Customers

OWING to the impossibility of being able to secure suitable building for Sample Room in Charlottetown we have found it advisable to close the present small room until such time as we can lease or build a satisfactory structure, as the present store was unsuited and made it impossible for us to develop our Charlottetown organization to that degree of efficiency we desired.

We take this opportunity of thanking our customers in Charlottetown, Queens and King's County, for their toleration and forbearance while we labored under difficulties, expecting monthly to be able to secure more satisfactory quarters.

Entire Organization at Summerside

We are now concentrating our whole organization at Summerside. Here we have the largest establishment of its kind in the world in proportion to the population of the town. We have every facility—equipment—improvement, that can be devised to give Holman customers the utmost in service—the quickest possible despatch to mail, phone or personal orders. And since orders left at Charlottetown were invariably filled from Summerside, orders mailed direct from Charlottetown or King's County can be filled as quick, in fact more quickly, with our improved Summerside shipping facilities.

The 20 p. c. Discount Sale in effect from Holman's Catalogue prices at the present time offer shopping inducements that are unprecedented. It means that 80c will buy a dollar's worth of goods at Holman's while this special sale is in effect.
