INTERESTING IF TRUE.

You Can Try It For Yourself and Prove It.

One grain of the active principle in Stuart's Dyspepsia Tablets will digest 3,000 grains of meat, eggs or other wholesome food, and this claim has been proven by actual experiment which anyone can perform for himself in the following manner: Cut hard boiled eggs into very small pieces, as it would be if masticated, place the egg and two or three pieces of the tablet in a bottle or jar containing warm water, heated to 98 degrees (the temperature of the body) and keep it at this temperature for three and a half hours, at the end of which time the egg will be as completely digested as it would have been in the healthy stomach of a hungry boy.

The point of this experiment is that what Stuart's Dyspepsia Tablets will do to the egg in the bottle it will do to the egg or meat in the stomach, and nothing else will rest and invigorate the stomach so safely and effectually. Even a little child can take Stuart's Dyspepsia Tablets with safety and benefit: if its digestion is weak and the thousands of cures accomplished by their regular daily use are easily explained when it is understood that they are composed of vegetable essences, aseptic pepsin, diastase and Golden Seal, which mingles with the food and digest it thoroughly, giving the overworked stomach a chance to recuperate.

Dieting never cures dyspepsia, neither do pills and cathartic medicines, which simply irritate and inflame the intestines. When enough food is eaten and promptly digested there will be no constipation, nor in fact will there be disease of any kind because good digestion means good health in every organ.

The merit and success of Stuart's Dyspepsia Tablets are world wide and they are sold at the moderate price of 50 cts for full sized package in every drug store in the United States and Canada, as well as in Europe.

For the information of those interested a little book will be mailed free by addressing F. A. Stuart & Co., Marshall, Mich., giving briefly the symptoms of the various forms of stomach weakness, causes and cure.

Western Australia has gone in for federation, the vote being 422,647 to 2,1623.

Thousands of Canadian mothers say they would not be without Griffiths' Menthol Liniment in the house at any cost. There is no other remedy so useful in the home.

AN OLD AND WELL TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething with perfect success. It soothes the child, softens the gums, allays the pain, cures wind colic, and is the best remedy for diarrhoea. It is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup.

THE LUCKY ONES.

In Prowse Brothers great guessing contest carried on during our exhibition, the lucky ones are Miss Hattie Rodd, Winsloe South and Mr. Arthur Davy, city.

The exact amount of goods in the display was \$1,613.74. Miss Rodd's guess was \$1,619.21, which gives her the choice of the many beautiful jackets in the mantle department of the Big Store. Mr. Davy's guess was \$1,621.20, giving him the choice of thousands of the beautiful suits that this store is noted for.

Other guesses of brainy people were Miss E. Daisy Steadman, Brockton, Mass., \$1,621.95; Dr. H. D. Johnson, \$1,615.00; Miss Belle Ross \$1,623.59; Mr. J. W. Brush, Halifax, \$1,623; Mr. H. Weston Peake, \$1,623.24.

The guess of Mr. Henry Power, Stanhope, was the lowest being 5 cents. Evidently this gentleman has heard of the Wonderful Cheap Men, and guessed according to their reputation for low prices. The guess of Mrs. Arthur Walker, Imperial House, Charlottetown, was the highest, \$500,000.00. This lady must surely have meant Imperial measure instead of Imperial House, or else she is a stranger in the city and has not heard of the Farmers' Boys and their low prices.

Notwithstanding Mr. Prowse's warning to guess low, as the prices were low, the great majority guessed too high. The EXAMINER extends to Miss Rodd and Mr. Davy hearty congratulations on their winning such valuable prizes; also to the Farmers' Boys for their highly popular advertisement. Long may they live to be the Wonderful Cheap Men.
