On the Use of Campbell's Wine of Beech-Tree Gessote, in Diseases of the Lungs and Throat.

IN the South of France, where all persons threatened by Phthisis go to be treated; where Doctors Bouchard and Gimbert, the two specialists so highly recommended by public opinion, have experimented with all the proposed medicines against Pulmonary Tuberculosis, it is the one prepared to-day, and that which for ten years past they have finally adopted, after many comparative experiences, based upon the antiseptic method having specially in view the destruction of the Bacilli.

After a few days' use of the remedy, the expectation diminishes, and very soon one is pleased to witness the gradual disappearance of the Bacilli, the breaking off of the fever and the rapid recovery of appetite and strength.

When instead of confirmed Phthisis, Catarrh or Chronic Bronchitis have to be dealt with, the different forms of which may sometimes give rise to an uncertain diagnosis, the above medicine has been cured. Those excellent results need not astonish us, if we consider the lucky natural associations of complete antiseptic and Balsamic principles in the compound we now describe. When our Wine shall have restored health, it will be well to discontinue its use at once, and at all events to use it again about a fortnight before winter sets in, and at every change of season followed by damp weather.

DIRECTIONS.—A small dessert spoonful three times a day, after each meal, gradually increased to a large dessert spoonful.

N. B.—The use of Cod Liver Oil, as a powerful resistant to the remedial properties of the Wine, is recommended. Campbell's "Secret" Oil being the best, is the kind which should be taken. Sold by C. D. RANKIN, Charlottetown. Nov 6—1y eod

IMPORTANT!

Remarkable Restoration to Health of Well Known Canadian whose Case was given up as incurable.

From the few of the hundreds of letters we have received from those who have been restored to health and strength by the use of that wonderful discovery, Paine's Celery Compound, we make a few extracts. We hope that the thousands of Canadian men and women who are suffering from nervous and wasting diseases, will profit by these true and plain statements of facts.

D. S. Davidson, of Montreal, suffered for years with nervous dyspepsia, pain in his back, and sleeplessness. He tried doctors without relief, was losing flesh rapidly, and had about given up heart when he commenced the use of Paine's Celery Compound. "Now," he says, "I am a new man. I sleep well and my food does not hurt me."

Mr. Jas. Johnson, 302 St. Charles Borromeo Street, Montreal, was weak and nervous, had no appetite, and could not rest at night. His nerves were soothed and strengthened by Paine's Celery Compound, and he soon became well and strong.

Annie Gourley, of River Beaudette, P. Q., found the Compound a certain cure for weakness, and now feels as well as she ever did.

A customer of Harrison Bros., druggist, Hamilton, Ont., told them that he was entirely cured of nervous weakness by the use of two bottles of the Compound, after everything else had failed.

The little child of Mrs. G. E. Meredith, 76 D'Arcy St., Toronto, was cured of St. Vitus' Dance by Paine's Celery Compound.

WHAT AILS YOU?

Do you feel dull, languid, low-spirited, lifeless, and indifferently miserable, both physically and mentally; experience a sense of fullness or bloating after eating, or of "grogginess" or emptiness of stomach in the morning, tongue coated, bitter or bad taste in mouth, irregular appetite, dizziness, frequent headaches, blurring of vision, and constant yawning, nervous prostration or exhaustion, irritability of temper, hot flushes, alternating with chilly sensations, sharp, biting transient pains here and there, cold feet, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indescribable feeling of dread, or of impending calamity?

If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia, or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, Dr. Pierce's Golden Medical Discovery will subvert it, if taken according to directions for a reasonable length of time. If not cured, complications multiply, and Consumption of the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney Disease, or other grave maladies are quite liable to set in, and, sooner or later, induce a fatal termination.

Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great blood-purifying organ cleanses the system of all blood-taints and impurities, from whatever cause arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their diseases. As an appetizing, restorative tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases.

Dr. Pierce's Golden Medical Discovery CURES ALL HUMORS, from a common Blotch, or Eruption, to the worst Scrofula, Salt-rheum, "Fever-sores," Sores or Bores, Skin in shape of ulcers, caused by bad blood or conquered by this powerful, purifying and invigorating medicine. Great relief is usually obtained from its benign influence. Especially has it manifested its potency in curing Tetter, Eczema, Erysipelas, Boils, Carbuncles, Sore Eyes, Scrofulous Sores and Swellings, Hay-Heat Disease, "White Swellings," Gout, or Thick Neck, and Enlarged Glands. Send ten cents in stamps for a large Treatise, with colored plates, on Skin Diseases, or the same amount for a Treatise on Scrofulous Affections.

"FOR THE BLOOD IS THE LIFE." Thoroughly cleanse it by using Dr. Pierce's Golden Medical Discovery, and good digestion, a fair skin, buoyant spirits, vital strength and bodily health will be established.

CONSUMPTION,

which is Scrofula of the Lungs, is arrested and cured by this remedy, if taken in the earlier stages of the disease. From its marvelous power over this terribly fatal disease, when first offering this new world-famed remedy to the public, Dr. Pierce thought seriously of calling it his "CONSUMPTION CURE," but abandoned that name as too restrictive for a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequalled, not only as a remedy for Consumption, but for all Chronic Diseases of the

Liver, Blood, and Lungs.

For Weak Lungs, Spitting of Blood, Shortness of Breath, Chronic Nasal Catarrh, Bronchitis, Asthma, Severe Coughs, and kindred affections, it is an efficient remedy. Sold by Druggists, at \$1.00, or Six Bottles for \$5.00.

Send ten cents in stamps for Dr. Pierce's book on Consumption. Address:—

World's Dispensary Medical Association, 603 Main St., BUFFALO, N. Y.
