 "Ships which proceed to sea without being fastened with the Iron Knives and Riders prescribed by the Rules, will have one year deducted from the period to which they would otherwise be entitled to be classed in the Registry Book."
 "Ships built in the British North American Colonies, and all Ships, the frames of which are composed of Fir, of 600 tons to 1000; and all Ships (wherever built), the length of which from the stem to the stern-post aloft, shall exceed five times their extreme breadth—shall have diagonal iron plates fitted outside or inside the frame, to extend from the upper deck beam to the first footboards, and be not less than four inches broad, and 1/4 inch thick, and be bolted with 1/4 inch bolts through each frame, if fitted on the outside, and through each timber, if fitted on the inside of the frame: the number of the plates to be in proportion to not less than one pair to every twelve feet of the ship's entire length. And in all such ships of 1000 tons and upwards, the iron plates to be not less than five inches broad and 1/4 inch thick, bolted as above with one inch bolts."
 "In all such ships, likewise, the shifts of the planking must not be less than six feet, unless there be a strake wrought between them, and then a distance of five feet will be allowed."
 The Rule, Section 46, has been amended, by allowing the use of galvanized iron nails in the flat of upper deck, poop and fore-castle, in ships claiming an additional period under the above rule.

A Marvellous Remedy! for a Marvellous age!!
 HOLLOWAY'S OINTMENT.
 THE GRAND EXTERNAL REMEDY.
 By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the Heart, Inflammation of the Lungs, Asthma, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.
 ERYSIPELAS, RHEUMATISM AND SCORBUTIC HUMOURS.
 No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this Ointment. Scurvy, Sore Heads, Scrofula, or Erysipelas, cannot long withstand its influence. The inventor has travelled over many parts of the globe, visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.
 SORE LEGS, SORE BREASTS, WOUNDS & ULCERS.
 Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumours. Professor Holloway has dispatched to the East large shipments of this Ointment, to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years standing.
 PILES AND FISTULAS.
 These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each pot.
 Both the Ointment and Pills should be used in the following cases:
 Bad legs, Chiego-foot, Pustulas, Sore-throats
 Bad Breasts, Chilblains, Gout, Skin-disease
 Burns, Chapped hands, Glandular Swellings, Scurvy
