Il l can't git ze customs I'll learn ze musique—thar.

Le prix du blé hausse tous jours à Winnipeg.

M. R. T. Holman de Summerside a expédié, la semaine dernière, une quantité de laine évaluée à \$7000.

Une brigade de protection contre le feu vient d'être organisée à Tignish. M. J. A. Brennan est capitaine; le Revd. D. M. Macdonald, trésorier et M. A. J. McFadyen secrétaire.

Nous recommandons la lecture de l'important article ayant pour titre: "Payer au Comptant", que nous reproduisons du "Pionnier" de Sherbrooke, et que nos lecteurs trouveront dans une autre colonne.

Les lignes de parti sont tellement tendues ici que jusqu'aux enfants s'en mêlent. Tout enfant conservateur qui ose aller ramasser des copeaux aux alentours des bâtisses du gouvernement, pour allumettes, est repoussé par les petits gars grits. Hot times.

Il paraît que la dernière cause de Scott Act qui a été entendue à la salle Ste. Marie a eu pour effet de ranimer le courage des teneurs de buvettes. Samedi soir, arrivaient à la gare de Tignish une barrique de "Beer" à l'adresse de Théodose Bernard, et une caisse de "Whiskey" portant la fin d'adresse: "To order." Quel délicieux mélange! Still, no proof, eh?

Le nouveau magasin de MM. Dalton et Gallant est maintenant fini. C'est, sans contredit, l'un des plus beaux magasins du village. Les contractants MM. Clark et McFarlane, ont droit aux félicitations pour ce chef-d'œuvre. Nous aimons à faire remarquer que le comptoir de ce magasin qui est fini en mérisier obtenu dans nos bois, offre un coup d'œil des plus agréables, ce qui démontre que nous ne sommes pas encore obligés d'importer tout ce qu'il nous faut pour des ouvrages de goût.

Un correspondant d'Alberton demande si nous pouvons lui dire comment il se fait que Théodose Bernard n'a pas été condamné à l'amende pour avoir débité de la bière tandis que Jno. McLellan de St Louis a été condamné à l'amende pour la même offense avec la seule différence que pour un verre de bière que vend McLellan, Bernard en vend au moins un cent.

N'ayant pas en l'honneur d'avoir été appelé comme témoin cette fois-ci, nous nous trouvons dans l'impossibilité de donner des renseignements à notre correspondant là dessus. Tout ce que nous savons de cette dernière cause, c'est que lorsque l'inspecteur Broderick demanda à l'un des témoins quelle espèce de bière il avait bu chez Bernard, le témoin lui répondit qu'elle était de même qualité que la bière que lui (Broderick) avait vendue aux dernières courses sur son terrain.

A CHANCE TO MAKE MONEY

I read how one of your subscribers made money selling Dishwashers; I ordered one, and my lady friends were charmed, as they hate dishwashing. My brother and I commenced selling them, and have made \$1,700 after paying all expenses. We don't canvass any. Our sales are all made at home. People come or send for them. The Mound City Dish-

Washer is the best Dishwasher on the market. Our business is increasing, and we are going to keep right on, until we make ten thousand dollars. We sell from 5 to 15 machines every day, and some days more. The Dishwasher is lovely every housekeeper wants one. There is no excuse to be poor when so much money can be made selling Dish washers. For full particulars, address The Mound City Dish Washer Co., St. Louis Mo., They will start you on the road to success.

ANOTHER SMART WOMAN

My husband is poor but proud and he does not want me to work; as I have nothing to do I get restless, and after reading in your paper Mrs. Russell's experience selling self-heating flatirons I concluded I would try it. I wrote to J F Casey & Co, St. Louis Mo, and they treated me so nicely that I felt very much encouraged. As soon as I got my sample iron I started out and sold 8 the first day clearing \$12. I have not sold less than eight any day since, and one day I sold 17. I now have \$225 clear money and my husband does not know I have been working but I am afraid he will be mad when I tell him. Have I done right or shall I quit work and leave him to struggle alone?

An Anxious Wife
You are doing just right, your husband should be proud of you, go right ahead and show the world what an energetic woman can do. That self-heating iron must be a wonderful seller as we hear of so many that are succeeding selling it.

COLLEGE ST. JOSEPH

28 novembre, 96.—La séance privée, donnée à l'occasion de la Ste. Cecile, a été un véritable succès. Quant à la partie musicale on ne pouvait désirer rien de mieux. L'orchestre, selon le dire de plusieurs, est le meilleur qui est passé dans le collège depuis longtemps; ce qui fait grandement honneur à son zélé directeur, le révérend père S. J. Arsenault, c. s. c.

M. J. Malenfant de Shédiac, a bien voulu prêter son concours pour cette petite soirée, en nous donnant quelques chansons de son répertoire; et à chaque fois qu'il apparaissait sur la scène, il était salué par de bruyants applaudissements.

Les chansons de M. Carleton ont aussi été très goûtées.

Enfin, en dernier lieu, l'opérette française, "Don Quichotte" fut représentée. C'est une très jolie pièce et surtout très amusante pour ceux qui ont lu l'histoire.

M. L. P. de la Garde, dans le rôle de "Sancho Panza" tint l'auditoire dans un rire continu, tandis que MM. S. Cote, P. Demers, F. Prud'homme, F. Allard et le jeune Benoit Poirier, interprétaient leur rôle à merveille.

MM. le prof. T. Gallant et Antonin Arsenault, frère du révd. père S. J. Arsenault, tous deux d'Egmont Bay, I. P. I., ont passé quelques jours au collège.

Mardi, fête de Ste. Catherine, ces Messieurs accompagnaient nos doctes philosophes de '97 dans une visite à Sackville. C'était vraiment beau de voir nos amis, MM. les philosophes, prendre le train pour Sackville.

Lorsque ces Messieurs laissèrent le collège un immense hourra sortit des poitrines enthousiastes de leurs compagnons cadets. Ils sont revenus le soir, enchantés de leur courte visite.

M. J. Brooks du Mont Alison University, était en visite ici jeudi.

MAKE YOUR OWN LANTERN

Your home is incomplete without it, and the price is within reach of all. I ordered one for my own use—and it was so handy and convenient I went to taking orders for them and sold 51 in one day making over \$5 clear. It gives a beautiful white light, chimneys never break from heat, it is always clean and ready. Francis Casey, St. Louis, Mo., will send sample for 13 two cent stamps, write for one. I got my start from him.

HOW THE DIPPER SAVED THE FARM

Father was sick and the mortgage on the farm was coming due, I saw in the Christian Advocate where Miss A. M. Fritz of Station A. St. Louis, Mo. would send a sample combination dipper for 18 two cent stamps, and I ordered one. I saw the dipper could be used as a fruit jar filler, a plain dipper; a fine strainer; a funnel; a strainer funnel; a sick room warming pan and a pint measure. These eight different uses makes a dipper much a necessary article that I went to work with it and it sells at very near every house. And in four months I paid off the mortgage I think I can clear as much as \$200 a month. If you need work you can do well by giving this a trial. Miss A. M. Fritz, Station A. St. Louis, Mo., will send you a sample for 18 two cent stamps—write at once.

THE NEW HOOK SPOON FREE TO ALL

I read in the Christian Standard that Miss A. M. Fritz, Station A. St. Louis, Mo., would give an elegant plated hook spoon to anyone sending her ten-2-cent stamps. I sent for one and found it is useful that I showed it to my friends, and made \$13.00 in two hours, taking orders for the \$1.00. The hook spoon is a household necessity. It cannot slip into the dish or cooking vessel, being held in the place by a hook on the back. The spoon is something that housekeepers have needed ever since spoons were first invented. Anyone can get a sample spoon by sending ten-3-cent stamps to Miss Fritz. This is a splendid way to make money around home.

Very truly, Jeannette S.

MARRY THIS GIRL QUICK

I saw in your paper that a 13 year old boy made \$1.25 the first hour he worked selling the Perfection Metal Tip Lampwick. I ordered a sample and went to work and the first week I cleared \$10, the second week I cleared \$15. I expect to run up to \$25 a week in the near future, as the Perfection Metal Tip Lampwick makes such a beautiful white light and does away with smoky chimneys and bad odor and saves oil, it is easy to sell. If you wish to try it send 13 two cent stamps to Miss A. M. Fritz, Station A. St. Louis, Mo., and she will send you sample out fit, this is a good way to make money around home.
