## THE WEEK AT SDU

# Spotlight Holds On Sports At University This Week

The big news on campus, at the moment, is that St. Dunstan's is now officially a member of the Atlantic Conference. The Island University, achieved this year what most figured they would not accomplish for at least two more years, but in the fall the SDU Varsity will be playing with the "bigger boys".

In basketball, St. F.X. squeezed out a 56-52 victory over the Red and White team to take the Maritime Hoop Honors and the best of three series, 2-1. In the first game the Antigonish scholars defeated the Charlottetown team 49-39, on St. Dunstans home court. The next encounter at St. F. X. saw the Island "Saints" emerge with a 63-59 decision over the blue and white but in the final conflict, it was the N.S. "Saints" who captured the laurels with a 56-52, 2 basket margin.

This concludes intercollegiate basketball for the year but we'd like to congratulate Ed Hilton for the fine job he has done this season and on the final series "hats off" to Bob Procento, Francoeur, from Rumford, Maine swished 29 points the first game at St. F.X.—18 of it from the foul line, and in the second game he counted 23, while holding Neopolitano, the "X" ace to only three points. Not bad for a freshman, and he has instilled, along with Sirois, Desroches, Farrell, Marr and Buotte—a healthy respect for the hoop prowess of Rumford. On the season —John Heine was consistently good along with Frank Garrity. Lennie Sirois stood out, particularly in the early part of the season, and Francoeur, during the latter stages.

Others includes Intercollegiate sports—basketball, hockey and football, until the fall.

In Show Biz—the first proformance of Blood Wedding will have its premiere in a week and a half, at St. Dunstan's Alumni Auditorium. The starring roles are commended by Mike Lane as Leonardo, Lois Hughes as the Mother, Douglas McLeod as the Bridegroom and Mary Morris as the bride. Blood Wedding, a play that is pervaded with symbolism, set in the idyllic scenes of Castilo, is highly respected by the critics of drama and with the actors selected promises to be a great a success—dramatically, as Carousel was—musically.

Although concerned with the "eternal triangle", this work is not just another love story. It goes far deeper than that, striping the superficiality from the play, and depicting passionate characters in situations which can only lead to the dramatic climax of DEATH. Tragedy is the keynote of the play, and it is played with a music that is beautiful and sad. It is a play that will be remembered, long after other plays have slipped into obsecurity.

Directed by Rev. A. Arsenault, it promises to be a broadway-like production.

SDHS Basketball squad recovered from the bottom end of a 5-28 half-time score and rallied to defeat Summerside High by nine points, 6-59. Bon Brown of Halifax scored 26 points, 19 in the second half to show the way. "Posie" Connolly contributed 15, on behalf of the Red and White. Duggan of Summerside swiched 18 points in losing cause.

And in J.V. City League basketball, Pat Smith scoring 23 points in the first half and contributing as top man in the second led the "Saints to a lopsided triumph over the Charlottetown YMCA.

In intramural hockey, the Seniors lead the pack at the end of the second round, and likewise in "Buzzer", the senior class is away in front. Playoffs are soon starting, so I'll be recording the results in these annals.

A word on the retreat held for three days recently at SDU, Monseigneur Penny from Halifax, as Retreat Master delivered a series of talks on spiritual matters, which were very well received and all or almost all of the student body actively participated in the "withdrawal" from the secular world.

Congratulations go out to Harry Callaghan, the new President of the Students Union, Colin McMillan the Vice-president, Marilyn Sutherland the secretary, and Don MacCormac the treasurer.

Island, but were not firm on the New Brunswick site.

Public Works Minister Walker told The Guardian that there was nothing his department could do on the matter until the question of the service was ruled on by the department of transport and the Maritime commission. Once a service was approved and a federal subsidy agreed on, the public works department would enter the picture as to providing terminal facilities.

Mr. Grindlay said that W.L. M. Creaghan, MP for Westmorland, N.B., had met with the committee representatives and had promised support. Herve Michaud of Kent, N.B., was unable to be present but telegraphed his regrets and his offer of support for the project.

Arrangements for the visit of the duo to Mr. Walker and the Maritime commission were arranged by Hon. Angus MacLean, MP for Queens, and Dr. Orville Phillips, MP for Prince. Mr. Grindlay expressed appreciation to both Island MPs for their co-operation.

# Kinsmen Planning Island Trade Fair

A P.E.I. trade fair, bringing together under one roof all the products offered by the province's manufacturers, producers and packagers, will be staged here late in September this year as the first of what is expected to be an annual event.

Sponsored by the Charlottetown Kinsmen Club, the fair is expected to attract buyers from all provinces of Canada, as well as from other countries.

**GOV'T AID SOUGHT**

Active assistance of government officials at all levels, municipal, provincial and federal will be sought with federal authorities being asked to aid in making the new project known in foreign trade circles.

The service club promoters believe that such a display of all Island products available to buyers will prove a tremendous boost to the provincial economy.

Every Island firm interested in expanding trade, from blueberry growers to boat builders, will be invited to take part in the big event.

Co-chairmen of the committee in charge of staging the trade fair are Kinsmen members Kenneth Jenkins and Kenneth Yeo.

# Truckmen Asking Higher Haul Rates

A delegation of provincial truckmen met with Premier W. R. Shaw and Highways Minister Philip Matheson yesterday to present a request for higher truck rates.

The truckers presented a brief asking ton-mile rate increases on all provincial government contracts and extension of the hourly rate scale. The brief was presented to the premier, Lloyd MacPhail, MLA for 2nd Queens on behalf of the truckers.

The brief represented the request of truckers from across the province and was signed by truckers from all three counties a delegation spokesman said.

A rate increase of two cents per ton for the first mile, and four cents per ton mile for each additional mile, was the major change asked.

This would increase the rate to 17 cents per ton for the first mile, and 10 cents per ton mile for each additional mile.

The trucker spokesman said that the weight limit of eight tons is to be enforced this year and at the prevailing rates little profit can be realized on an eight ton load. In the past the truckers have been making do over the limit to make profits.

**HOURLY SCALE**

Extension of the hourly rate scale is also being sought. The existing scale ends with a rate of $2.75 per hour for trucks 14,001 pounds and over.

The truckers ask that four additional tonnage rates be added as many trucks are registered up to 24,000 pounds. The proposed addition shows trucks 16,000 to 18,000 at $3.00; 18,001 to 20,000, $3.25; 20,001 to 22,000, $3.50; and 22,001 to 24,000, $3.75.

The truckers said that they are sufficiently well organized to tie up government contracts this summer if the new rate scale is not approved. They said they will also ask higher rates on private jobs this summer.
