CROPS AND MARKETS.

The weather of the past week has been "bad for the hay." It was feared at one time that quantities of it would be spoiled. But a few fine days has considerably improved the situation and there is now an assurance of a fair crop secured in fair order. The other crops, without exception, look well. It is too soon to speak with any certainty of the result. But the prospects are, upon the whole, good. As a result of continued rain, there is some smut in the wheat.

The local markets are merely nominal except for articles of local consumption. In the West, the prices of dairy products are practically unchanged. As to cheese, we quote:

Finest Ontario cheese	8¼c to 0c
Finest Townships cheese	7⅞c to 8c
Finest Quebec cheese	7¾c to 7⅞c

For butter the tone of the market continues easy and business is slow.

	c.	c.
Finest creamery	17	to 17¼
Seconds	16	to 16½
Dairy butter	12	to 12½

The Montreal Gazette reports a fairly active trade in provisions. The demand is still good for smoked meats, and pork and lard are moving fairly well. Prices rule firm, with an upward tendency, owing to the steady advance in hogs of late, they selling ½c per lb higher. We quote:—Canadian pork, $14.50 to $15 per barrel; pure Canadian lard, in pails, at 6¾c to 7¼c, and compound refined at 5¼c to 5½c per lb; hams, 11c to 13c, and bacon 11c to 12c per pound.
