WE NEED YOUR HELP!

The government of Canada under an initiative from Mr. Jake Epp, Minister of Health and Welfare has taken bold steps in proposing Bill C-51. This bill would tightly limit advertising and promotion of tobacco products.

Regretably, the Tobacco Industry has launched a massive campaign against Bill C-51 and is lobbying hard to have the bill defeated. We need the help of the many thousands who deplore the expansion of tobacco markets to the youth and to the third world.

Your M.P.s listen to the letters received in your handwriting. Please take a moment to write a short simple note to your M.P. to express your support for Bill C-51.

Remember that 10,000 Canadians die annually from lung cancer and another 20,000 die from other tobacco-related diseases. Your action can save the lives of the next genera-

tion of Canadians. For more literature or assistance with your letter, call the Canadian Cancer Society at 566-4007.
