

The Crops.—The recent showers have had a beneficial effect upon vegetation, and every thing looks well. The turps, which have been a long time coming up, are now to be traced along the drills, and of this valuable root good crops may yet be had from ground which it was recently feared would require to be re-sown. The early sown turps suffered severely from the fly.—*Isl.*

We understand that a Public Meeting will be held on Thursday evening (the evening of the first day of the Temperance Convention, advertised in today's paper) in the Temperance Hall, Charlottetown, at 8 o'clock, p. m.

### MEDICAL NOTICES.

HOLLOWAY'S OINTMENT AND PILLS.—Old Sores, Wounds and Ulcers.—The redness which HOLLOWAY'S ointment removes all obstructions in the circulation of the vessels and lymphatics explains their irresistible influence in healing old sores, bad wounds, and indolent ulcers. To insure the desired effect, the skin surrounding the diseased part should be formed, dried, and immediately well rubbed with the Ointment. This will give purity to the foul blood, and strength to the weakened nerves—the only conditions necessary for the cure of all those hideous ulcerations which render life almost intolerable. No sooner is this Ointment's protective power exerted than the destructive process ceases and the constructive business begins—new, healthy growths appear, to fill up the lately painful, excavated pit.

The combination of ingredients used in making 'Brown's Bronchial Troches' is such as to give the best possible effect with safety. The Troches are used always with good success, and are widely known as the best remedy for Coughs, Colds, Throat Diseases, and Asthmatic troubles.

We regard Mrs. Winslow's Soothing Syrup as invaluable for the purposes for which it is designed, and would have it in its price were double what it now is. We shall do all in our power to introduce it among our friends and acquaintances.—(Henry A. Hitchcock, Strubridge, Mass.)

It relieves the child from pain, and softens the gums, reduces inflammation, cures wind colic and averts the regular bowels; gives rest and health to the child and comforts the mother.

An effectual Worm Medicine.  
The combination of ingredients used in making Brown's Vermifuge Comfits is such as to give the best possible effect with safety.

Much sickness with children as well as adults attributed to other causes, is occasioned by worms. Brown's Vermifuge Comfits are effectual in destroying worms, and can do no possible injury to the most delicate child.

Curtis & Brown, Proprietors, New York. Sold by all dealers in medicines, at 25 cents a box.

Perry Davis' Pain Killer.  
THE UNIVERSAL REMEDY FOR INTERNAL AND EXTERNAL COMPLAINTS!

As this period there are but few of the human race unacquainted with the merits of the Pain Killer; but while some extol it as a luminal, they know but little of its power in easing pain when taken internally, while others use it internally with great success, but are equally ignorant of its healing virtues when applied externally. We therefore wish to say to all that it is equally successful whether used internally or externally, and it stands alone, unrivalled by the great catalogue of Family Medicines, and its sale is universal and immense. The demand for it from India and other foreign countries is equal to the demand at home, and it has become known in these far off places by its merits.

Died.  
At South Shore, Lot 65, on Monday, the 8th inst., after an illness of five weeks, which she bore with Christian resignation to the Divine Will, Anastasia, youngest daughter of Michael and Ellen Murphy, aged 30 years. She leaves a bereaved mother and numerous friends to mourn their loss. May she rest in peace.

On Tuesday, 2nd inst., on Marsh Road, Lot 40, Mary Aylward, the beloved wife of Mr. James Aylward, in the 56th year of her age—a native of the Parish of Kilmara, County of Kilkenny, Ireland. [Kilkenny papers please copy.]

### Ayer's Cathartic Pills

Are the most perfect purgative we are able to produce, and, as we think, has ever yet been made by anybody. Their effects have abundantly shown to the community how much they excel the other medicines in use. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, expel disease. They purge out the four humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart tone and strength to the whole system. Not only do they cure the every day complaints of everybody, but formidable and dangerous diseases. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and, being purely vegetable, are entirely harmless. Cures have been made that would surpass belief, were they not substantiated by men of such exalted character, as to forbid the suspicion of untruth. Many eminent clergymen and physicians certify to the public the reliability of our remedies, while others have sent us the assurance of their conviction that our Preparations contribute immensely to the relief of our afflicted fellow-men.

The Agent below named is pleased to furnish gratis our American Almanac, containing directions for the use of these medicines and certificates of their cures of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from foul stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Diseases which require an evacuant medicine. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia, Gout, and other kindred disorders arising from a low state of the body, or obstruction of its functions.

Do not be put off by unprincipled dealers with other preparations on which they make more profit. Demand AYER'S and take no others. The sick want the best aid there is for them, and they should have it.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by all Druggists and dealers in medicines everywhere.
