Achievement Day Held At Irishtown

Irishtown 4-H club held its Achievement Day recently at the Community Hall with a good attendance. The president, Leta MacLeod, called the meeting to order and gave a report on the year's activities which included several social evenings, packing and distributing fruit boxes to the district shut-ins at Christmas, donating toys to Red Cross as well as sewing work. The secretary, Kathryn Campbell, gave minutes of the last Achievement Day.

Miss Blanchard who had judged the material, gave her remarks and presented the certificates. She complimented the girls on their success and encouraged them to continue their good work.

The ladies were then entertained by the 4-H girls. Gwendy Campbell played a piano solo. Two trios, consisting of Janet and Linda Evans and Viola Campbell, and Holly Robin and Joli Campbell were heard in several songs. Correen Sudsbury gave a reading, "Farming is so Easy". A duet by Gwendy Campbell and Leta MacLeod completed this phase of the entertainment.

A fashion show followed in which the girls modelled the garments they had made during the year. Correen Sudsbury, a peasant skirt gathered at the waist with a sleeveless mustard colored over-bouse buttoned in the back; Janet Evans a pastel striped skirt and blouse of cotton, made in same pattern as Correen's; Viola Campbell, a fresh looking cotton skirt with unpressed pleats and blouse of matching colors; white with small pink flowers; Leta MacLeod, a navy shift dress of a light wool trimmed with white attractive for church; Gwendy Campbell, a green wool flannel dress with A-line skirt fitted at waistline and Kathryn Campbell in a turquoise two piece wool suit an ideal outfit for travel, church or special occasions. Refreshments were served by the Women's Institute.

WIFE PRESERVERS

When dress patterns must be lengthened, use a strip of graph paper to make the job easier, the results more accurate.

You can remove onion, fish, even paint and turpentine odors from your hands by rubbing in a little underarm deodorant.

Rinse salad greens first in lukewarm water - doesn't wilt them and sand and soil come off faster - then rinse in very cold water before draining.

Use leftover pancake batter for coating foodstuffs to be deep-fried. Or thin it slightly and use for French Toast dip.
