—HAVE GOOD FISHING — Trout fishermen who were fortunate enough to choose the Tignish area over the weekend were well rewarded for their trip as some lovely sea trout were caught at streams in that vicinity. This was the first appearance of sea trout in any quantity this season. Blanchard's Pond, Haywood's, Doyle's Bridge and Black Pond were all good spots with Aubin Doucette getting a really lovely string of sea trout at Myrick's Bridge with some weighing two pounds. Fly fishing was the order of the day, bait not proving so successful. Lovely weather made fishing a pleasant task for the many anglers who were out on ponds and streams in West Prince. FW.
