## RESOLUTION RE WEIGHTS OF POTATOES

Of interest to local potato shippers and producers is the following resolution which was passed at the recent annual meeting of the Canadian Horticultural Council, Ottawa:

"Resolved that the attention of shippers, especially of potatoes, onions and turnips in packages be directed to the provision under the Food & Drug Act for discrepancies in weight or measure, due exclusively to difference in atmospheric conditions in various places, and which unavoidably result from the ordinary and customary exposure to evaporation; . . . the reasonableness of discrepancies under this class shall be determined on the facts in each case" and be it further

Resolved that short weight claims should not be entertained when the destination weights afford satisfactory evidence of the produce having been weighed at shipping point and having suffered only normal shrinkage in transit."

"PREPARE FOR FISHING—The fishermen of Albion and surrounding districts are busy preparing to get started fishing. They report a great scarcity of herring.

"The many friends of Mr. William H. Creed, Albion, are sorry to hear of his continued serious illness. Mr. Creed has been confined to his bed for about four months practically all the time.

"Mr. Thomas Kemp, an old resident of Albion, has been confined to his bed for over two weeks.

### ABOUT DOGS

An interesting little brochure showing illustrations of thirty different breeds of dogs, with a few facts about each, entitled "A Few Facts" has been published by The Imperial Life Assurance Company, Head Office, Toronto. The photographic illustrations of the dogs are authentic and show the best types of each breed, from English Bulls all the way to the tiny Pekingese and Pomeranian. A copy will be mailed free to those interested.

## A Face Covered With Pimples Causes Much Embarrassment

There is little doubt but that impure and impoverished blood is the soil on which those red, white, pus filled pimples develop and thrive, and that nothing short of a vigorous, persistent blood purifying treatment will eradicate them from the system. Burdock Blood Bitters banishes bad blood and with the bad blood banished the skin becomes free from pimples. Try a few bottles and be convinced.

### The Draegermen

Brave draegermen, your awful task is o'er,  
Rest on your laurels, you who nobly bore  
The brunt of battle 'gainst the  
element  
Of that grim depth to save your  
fellowmen.

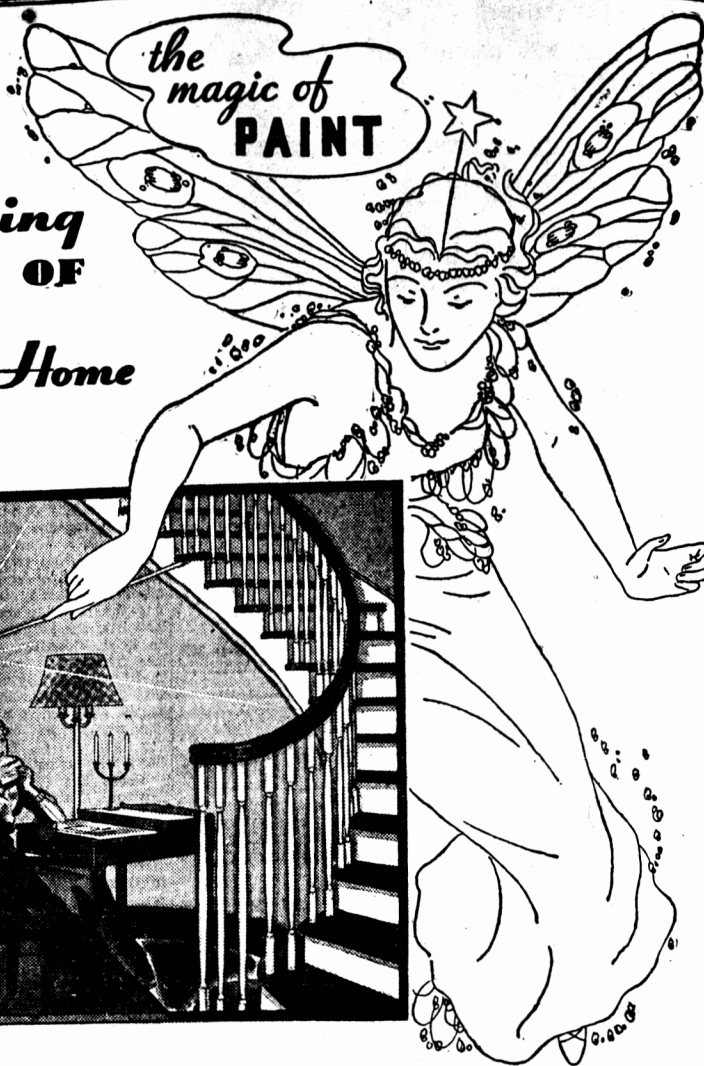

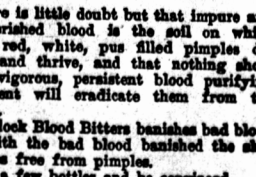

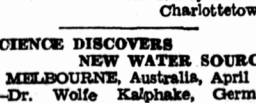

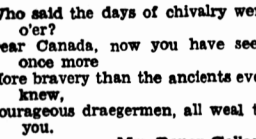

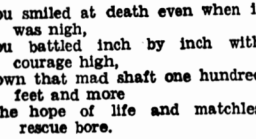

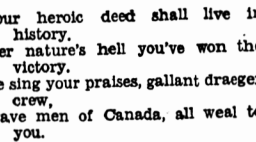

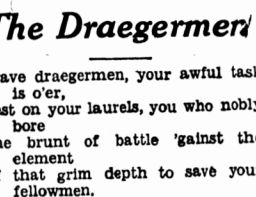

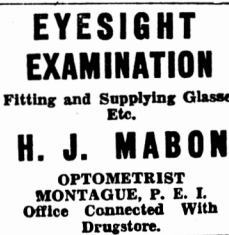

Your heroic deed shall live in  
history.  
O'er nature's hell you've won the  
victory.  
We sing your praises, gallant draeger  
crew,  
Brave men of Canada, all weal to  
you.

You smiled at death even when it  
was nigh,  
You battled inch by inch with  
courage high,  
Down that mad shaft one hundred  
feet and more  
The hope of life and matchless  
rescue bore.

Who said the days of chivalry were  
o'er?  
Dear Canada, now you have seen  
once more  
More bravery than the ancients ever  
knew,  
Courageous draegermen, all weal to  
you.
