SEWING MACHINES.

ROBERT YOUNG has much pleasure in announcing that he has just been appointed sole Agent for P. E. Island, for the sale of

THE WEED SEWING MACHINES,

and would strongly recommend to all intending purchasers, an inspection of the sample now on his premises, so confident is he that they only require to be seen in operation to be appreciated.

THE WEED MACHINES

are better adapted than any others in the market to the changes and great variety of sewing required in a family. They will sew from one to twenty thicknesses of Marseilles without stopping, and make every stitch perfect. They will sew from the finest gauze to the heaviest cloth, and even to stout, hard leather, without changing the needle or making any adjustment of the Machine. Two different sizes of the Machine are manufactured, fitted up, plain or ornamental, with or without cabinets as may be preferred.

These Machines have obtained the highest premiums wherever they have been exhibited in competition with other Machines.

St. Dunstan's College;

Under the patronage of His Lordship the Bishop of Charlottetown.

THIS INSTITUTION is situated on the Princetown Road, a mile and a quarter north of Charlottetown. The site is peculiarly beautiful, healthy, and far removed from the distractions and moral dangers of the city.

The halls and rooms of the building are spacious, airy and comfortable.

The College Grounds are large, affording ample room for games and athletic exercises.

The course of studies embraces all the branches necessary to prepare young men for the study of the learned professions or fit them for mercantile pursuits, such as History, Geography, the English, French, Latin and Greek Languages, Rhetoric, Mathematics, Philosophy, Chemistry, &c. Music, vocal and instrumental—is also taught.

The College possesses a large and well selected Library, as well as an extensive Philosophy Apparatus.

The Professors and Teachers reside in the Institution, forming but one family with the students, and exercising a constant supervision favorable to discipline, decorum and good morals.

Catholic students are carefully and frequently instructed in their holy religion, which they are required to practise. The most solicitous attention is paid to the morals of all; and whilst within the College enclosure they are constantly under the watchful eye of one of the Teachers or Prefects. Perfect discipline is strictly but kindly enforced.

Students when entering must produce satisfactory testimonials of good character.

CHILDREN TEETHING

MRS. WINSLOW,

An experienced Nurse and Female Physician, presents to the attention of mothers her

Soothing Syrup,

FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay **all pain** and spasmodic action, and is

SURE TO REGULATE THE BOWELS.

Depend upon it, mothers, it will give rest to yourselves, and

Relief and Health to your Infants.

We have put up and sold this article for over thirty years, and **can say, in confidence and truth** of it, what we have never been able to say of any other medicine—**never has it failed, in a single instance, to effect a cure,** when timely used. Never did we know an instance of dissatisfaction by any one who used it; on the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this matter **"what we do know,"** after thirty years' experience, **and pledge our reputation for the fulfilment of what we here declare.** In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most **experienced** and **skilful** nurses in New England, and has been used with **never-failing success** in

THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS, AND WIND COLIC,

and overcomes convulsions, which, if not speedily remedied, end in death. We believe it the **best and surest remedy in the world,** in all cases of **Dysentery and Diarrhœa in Children,** whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints **—do not let your prejudices, nor the prejudices of others,** stand between your suffering child and the relief that will be **sure—yes, absolutely sure**—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of **CURTIS & PERKINS,** New York, is on the outside wrapper.

☞ Sold by Druggists throughout the world.

Principal Office, No. 48, Dey Street, N. Y.

Price only 35 Cents per Bottle.

OLD DR. JUDSON'S DEAD SHOT WORM CANDY KILLS WORMS

"Endorsed by the Medical College of Glasgow."

DR. JUDSON'S

DEAD SHOT

WORM CANDY.

THE Subscribers, B. L. JUDSON & Co., are the Sole Agents and Importers on this Continent of this Wonderful Medicine, and propose to give here

A few reasons why it is the best and Safest Remedy in the World.

1st—It is the result of the experience and study of a Gentleman and a Scholar.
2nd—It is *not* a Quack Nostrum.
3rd—It is perfectly pleasant and easy to take.
4th—The smallest child will greedily tease for it.
5th—It never fails to kill the Worms.
6th—It is entirely vegetable, and cannot harm the smallest child.
7th—It is the result of 70 years experience of old Dr Judson.
8th—It is endorsed by and bequeathed on his death-bed by old Dr. Judson.

Now see what a *Physician of the Royal College* said of it 20 years ago,

Certificate from a Physician 20 years ago Before the Medical College, Glasgow.

I do hereby certify, that by request of scores of my patients and others, I have analyzed what is known as old Dr. Judson's Worm Candy Sticks; on analysis, I find it to contain nothing that is the least injurious to the youngest infant. I find that the Medicine used, acts specifically on the Worms and is a perfect regulator of the debilitated system—knowing this to be the fact, and the medicine so pleasantly disguised in a candy stick, I strongly recommend to this Board of Physicians to prescribe *Dr Jud on's Dead Shot Worm Candy* to all their patients that are troubled with the common or Tape Worm.

[SIGNED] C. H. MACPHERSON, M. D., *Analytical Chemist.*

Old Dr Judson expressed a wish that this Remedy should be put at such a price as would enable *all*, THE POOR ESPECIALLY, to use it. In deference to that wish, we have put it at the following price.

☞ Price only 20 cts. per package, or 50 cts for three packages. Sold by every Druggist and Medical Dealer in Europe and America.

☞ Beware of Counterfeits. None genuine without a fac-simile signature of B. L. JUDSON & CO., on each wrapper.

Holloway's Ointment.

Its Searching & Healing Properties are known and recognized throughout the World.

The number of years this invaluable Ointment has stood the test of public opinion, (and the longer known the better appreciated) is a testimony of itself more convincing than anything that could be written in praise of its truly wonderful healing properties. In the cure of bad legs, bad breasts, sores, wounds, and ulcers, its effect is marvellous. For ring-worm, scald head, scrofula, and diseases of the skin generally, there is no remedy to be compared to it. When assiduously rubbed upon the skin (previously well bathed in warm water) this Ointment is quickly absorbed into the system, and cleanses, in its passage, every part to which it is applied.

Glandular Swellings, Mumps, Bronchitis, Quinsey, Sore Throats and Diptheria.

In any of the above diseases, immediate and permanent relief is obtained by effectually rubbing this detergent Ointment, twice a day, upon the neck, chest and back. Its acts upon the very mainsprings of life; for through the glands pass all new matter required for the body's reparation and all old particles detrimental to its preservation. The Ointment, used conjointly with Holloway's Pills, will act so searchingly and certainly as to effect cures in the most hopeless cases.

Rheumatism, Lumbago, Contracted and Stiff Joints.

Many thousands of martyrs from the above complaints have found life almost unsupportable; yet, if Holloway's Ointment be briskly and perseveringly rubbed upon the parts affected, ease may be safely guaranteed, especially if the pores of the skin be previously opened by fomentations with warm water. The gross humors require expulsion from the system; it is therefore necessary to have recourse to Holloway's admirable Pills, which, by purifying and strengthening the system, greatly assist the operation of the Ointment and facilitate and confirm the cure.

Bad Legs, Bad Breasts, and Ulcerations of all kinds.

There is no medicinal preparation in the world which may be so thoroughly relied upon, in the treatment of the above ailments, as Holloway's Ointment. Nothing can be so simple or safe as the manner in which it is applied, or its action on the body, both locally and constitutionally. The Ointment, rubbed around the part affected, enters the pores just as salt enters meat. It quickly penetrates to the source of the evil and drives it from the system.

Erysipelas and Scrofulous Sores.

In all irritations of the skin, sores, ulcers, burns or scrofulous enlargements of any kind, Holloway's Ointment presents a ready and easy means of cure. It manifests a peculiar power in restraining inflammation, removing stagnation, cooling the heated blood, and checking all acrimonious and unhealthy discharge.

Diseases attendant on Childhood.

Diseases incident to early life fall more under the management of the mother than the medical man. Holloway's Ointment should therefore be regarded by her as a "Household Treasure," as it never fails in bringing out the rash in measles and scarlatina; and for the removal of all skin diseases its effect is miraculous. In cases of whooping cough and croup, this invaluable Ointment should be rubbed twice a day upon the throat and chest, and the youngest invalid will derive therefrom the most soothing relief. Two or three of Holloway's famous Pills, reduced to a powder, will augment the curative powers of the Unguent.

Both the Ointment and Pills should be used in the following cases:

Bad Legs	Corns (soft)	Rheumatism
Bad Breasts	Cancers	Scald Heads
Burns	Contracted and Stiff Joints	Sore Nipples

SELF-PRESERVATION.

PRICE WITH ENGRAVINGS AND CASES, 1s. 6d, BY POST, 3s. CURRENCY.

SELF-PRESERVATION: A popular Essay on Nervous and Physical Debility, resulting from injurious habits contracted in youth, or excesses in maturity, which, by prematurely exhausting the functions of manhood, destroy the happiness of Married Life, or prevent the fulfilment of engagements that constitute the most cherished objects of existence, by DR. LA'MERT, 37 Bedford Square, London, Licentiate of the Royal College of Physicians of Edinburgh; Member of the Royal College of Surgeons, England, &c.

The above work contains most useful and interesting information on the physiological changes which occur in the Reproductive System during the periods of youth, puberty, and manhood; and on the due attainment of that degree of functional vigour upon which the hopes of posterity depend. It also points out how all the attributes of manhood can be preserved to an advanced period of life, how they are lost, and how they can be recovered. It is free from the gross exaggerations, alarming descriptions and dangerous remedies so generally resorted to by persons, who, practising with false medical qualifications, inflict most serious injuries, and render judicious treatment frequently abortive.

The author is the only legally qualified practitioner whose name stands on the 'Medical Register,' (the sole test of medical qualification) who has been exclusively engaged for a series of years in the treatment of the various functional disorders of the nervous and reproductive system, which, owing to the great discoveries of modern science, are rendered subservient to a rational, simple and easy mode of treatment.

At home for consultation daily from ten till two, and from six till eight, either personally or by letter—37 Bedford Square, London, England.

Patients residing in the Colonies can be successfully treated by correspondence, and remedies can be forwarded in secresy and safety to any address.
