Old Dutch Silverware Offer Extended Five Months

Good news for everyone—housewives and young people who have been collecting sets of Wm. A. Rogers A-1 Plus Quality Silverware and those who want to start now—is contained in the announcement that Old Dutch are extending their offer until December 31, 1936.

This extension of five months will make it much easier for everyone to get a complete set of eleven units for their homes, hope chests, show-cases or other purposes. In fact, a set of this fine silverware would make a splendid present for someone next Christmas.

Anyone who has not yet taken advantage of the Old Dutch offer of Wm. A. Rogers A-1 Plus Quality Silverware can get full details from the Old Dutch newspaper advertisements which are appearing frequently or by asking their grocer to let them have a folder covering the complete offer.

Eleven units now offered for three windmill panels from Old Dutch labels and 50c are: 6 Teaspoons; 1 Dinner Knife and Fork; 3 Oval Soup Spoons; 3 Salad Forks; 3 Iced Drink Spoons; 3 Butter Spreaders; 3 Oyster Forks; 3 Tablespoons; 1 Cold Meat Fork; 1 Gravy Ladle and 1 Butter Knife and 1 Sugar Spoon.

*W. M. S. MEETING—The W. M. S. of the United Church, Montague held their regular monthly meeting in the classroom. The meeting was well attended and opened with the President, Mrs. Mort McLean in the chair. Devotional period was led by Mrs. Leslie McDonald. Roll call was answered by a verse of scripture containing the word "comforter". It was regretted that the Recording Secretary, Mrs. L. B. Mellish, is confined to her bed from an injury sustained last fall while motoring. Her injuries were not thought to be serious at the time but since have caused much pain and suffering. Word was received from a former member of the Society requesting a letter of introduction to a Toronto United Church. The Secretary was asked to attend to the matter. Thirty-seven sick calls were reported. The Treasurer's report showed a favorable increase over the last quarter. The holding of a special Easter Thankoffering service was discussed and it was decided to make the necessary arrangements at once. Mrs. L. A. Johnston kindly invited the Society to her home for the May meeting. Refreshment committee, Mrs. Johnston and Mrs. R. G. McDonald. After the meeting was closed a very enjoyable social hour was spent. Dainty refreshments were served by Mrs. John Johnston and Mrs. R. W. Stewart.—H

CRICKET RECORDS ELABORATE

MELBOURNE, Australia—Keeping of cricket statistics is more of a job than it used to be. The latest innovation provides for a record of the ground work for field-men. The Victoria State Cricket Association is recording full details of "run-outs" in its official scoring book, the scheme being the work of H. Aumont, Victoria's scorer.

Children's Eyes Now Considered

Modern thought concerning vision now considers the children. Once THEIR eyes were never given a thought.

Investigation leaves no room to doubt that one in every four children needs aid in seeing. It is suggested to parents that preventing eye-strain is even better than correcting the vision.
