Mean Machine the meanest

by Tony Carroll

There was a lot of action on the intramural front last weekend.

In softball, the Mean Machine team captured the title by defeating the Day students before a capacity crowd at U.P.E.I. It was a see-saw right from the start with each team taking the lead in the early going. The Day Students left runners on base in the bottom of the fourth and fifth innings and their big trouble was that they could not get the key hits. The Mean Machine with their tight infield and speedy outfield won the championship in the third and deciding game. Allan Hughes, the Cy Young award winner, got all the hits he needed from Shane "George Brett" Monchan and Mike "Swish" MacNeil. But it is too bad the Mean Machine can not play football the way they play softball.

The Mean Machine lost in football to the highly talented Freshman squad 8-2 in overtime.

Both teams earned their way to the final by defeating Marian Hall. The Mean Machine beat Marian 26-6 in the first ever intramural tackle football game at U.P.E.I. There was no question from the start that Mean Machine were going to be victors. Later on, this game was disqualified due to 2 illegal players.

The Freshman defeated Marian by score of 12-8 by a last minute interception run by Billy "Ball Hawk" Doucette. The outcome was never doubtful and as the old saying goes the cream always comes to the top. The play before was called back because the referees said the player was down but it doesn't matter anyway.

The Freshman, with two imports Neil Connaughton and Mike Scotto and one free agent yours truly, were the hardest hitting team in the league.

In the final game penalties killed Mean Machine as two big runs were called back due to penalties. One big run by Sandy "Wheels" MacDonald and the other run was a punt return by their defensive back.

The Freshman won the game by an overtime run by Billy Doucette, who was immediately awarded the Husman Trophy after the game. Then the Freshman's defense went to work and shut down M & M's back field, MacDonald and Andy Judson.

The defense also shut down M & M's passing game as J.R. was socked many times. The mystery has unfolded as we now know who killed J.R.... The Freshman.

In closing, I would like to say that the Intramural Football this year was a big success with three well-balanced teams, good officiating, and good hard hitting. The tournament was well run and the best team won. The players, although being sore, are looking forward to more football in the future.

THIS WEEK IN SPORTS

BLANCHARD VICTORIOUS OVER BERNIE 2

Bernie 2 was very well represented in the final softball game of the season, but it just wasn't enough to defeat the Blanchard powerhouse. Blanchard hung in there to win the championship by a narrow 8-6 margin.

(Too bad some people never learned how to walk through revolving doors! Right Clare?)

Bernie 2 did hold the lead until the unfortunate loss of their star pitcher, Libby Baldwin. Jackie tried her best, what can we say?

This week marks the beginning of the broomball season. So come on girls, and get your teams together! It's only for fun so lets see some spirit. Vince puts a lot of hard work into this, so lets give him some support!

Women's Intramural Basketball begins on Thursday, November 6, 7:30 - BE THERE.
