Leafs Finally Make It

TORONTO Maple Leafs have finally made it to the top of the National Hockey League heap. After beating Detroit Red Wings 5-4 in Toronto Wednesday night, the Leafs shared the top rung of the NHL ladder with Chicago Black Hawks. However, Toronto has one game in hand on both Wings and its ambitious rival, the Hawks.

Toronto's achieving the top spot certainly came as no great surprise because the Leafs had been winning fairly consistently these past three weeks. They have a chance to grab undisputed possession of that top spot when they entertain the Black Hawks Saturday night before a crowded Maple Leaf Gardens.

Mahovich Going Great

IT'S so secret that the rise of the Imlachmen is due in a great measure to the great playing of Frank Mahovich who has now grabbed the leadership in the National Hockey League scoring race. The Big M scored a goal and assisted on three others Wednesday night as the Leafs roared from behind a 2-0 deficit to lift his own out of the fire. The 27-year-old defenseman gave him a our point lead in the much-watched race. Mahovich's performances have been terrific of late and even his most severe critics must be ready to admit that he's quite a hockey player. His value is great to the Toronto team and his drive has been urging his team to greater things.

Coke Shines In Cape Breton

COKE Grady is doing all right for himself with the Northside Victorias. Wednesday night Coke was the big goalgetter, scoring four for the Vics in their tripartite effort to win the Cape Bay. This makes you think that our own Island League isn't too hard at all. We aren't trying to take anything away from Coke but he couldn't have done better. In our book, there are a lot of players who would put ahead of Coke, yet he can go right into the Cape Breton League and become a big name. We hope Coke has plenty more fun beating opposing goaltenders in the CB loop.

Quite A Race

THE race for top honors in the National Hockey League this season is the greatest folks have witnessed for some time. Today Toronto and Chicago, sharing first place, own only a four point lead over fourth place Montreal Canadiens. At that level the two teams in hand on the Black Hawks and one in hand on the Maple Leafs. Detroit Red Wings, Leafs and Hawks by two points, but their picture is even brighter than these figures show. Like Canadians, they have two in hand on Chicago and one in hand on Toronto. You can't get it much closer than that.

Big Game Sunday

NEW YORK Giants will try again to become National Football League champions. One year ago, they made their bid but folks watched them hunched 37-0 by the Green Bay Packers. This coming Sunday, the same two teams oppose each other once again and this time the Packers can expect a much sterner test. The experts are still calling the Packers to emerge as victors but everybody, and that includes the experts, expect things to be mighty close. The Giants are a much better ball club this year and they are well remembered for that Detroit Lions threw the Packers for a less on Thanksgiving Day. They believe what they believe that they can do and they are going into Sunday's clash determined to avenge that defeat. It should be one of the greatest football games we've seen in a long time. Everybody will be watching it come Sunday afternoon.

HUNTERS' CORNER

Year Just Ending Lean One For Hunters Says Columnist

The Old Year of 1962, with its bitter scythe over shoulder, is about to step over the border of time, from whence there is no return, and few will shed tears over his going. It was a year of intense rainfall, a record in this columnist's book. I remember one year, in the days when I was barely old enough to raise, with plough handles, I I thought the boys were determined. Some farmers ploughed every month of the year just for record purposes. It was a winter of misty, foggy weather.

ONLY FOURTH PLAYER

Three May Get \$100,000 In '62

SAN FRANCISCO (AP) - Evidence is substantial that Willie Mays will be the only National League's 1962 home run leader with 49, will become baseball's first \$100,000-a-year player next season. Charles Feeney, San Francisco Giants vice-president, said Thursday contracts have not been sent out yet to Mays or any other players on the National League's 1962 pennant-winning club. "The club had a good year and obviously most of the players are in for raises next year," DROVE IN 141 RUNS Mays, the Giants star center fielder, drove in 141 runs, the best RBI total in his career. He hit .304, his lowest since 1956, but his 49 home runs included one four-bagger that forced a pennant playoff with Los Angeles Dodgers. Mays reportedly was paid \$80,000 for last season. He's regarded as a good bet that Mays' money-playing efforts in the 1962 pennant season will be rewarded with a new \$100,000 contract. Ted Williams of Boston Red Sox and Joe DiMaggio of New York Yankees, both retired, and Stan Musial of the St. Louis Cardinals are the three players who have been paid \$100,000 a season.

Ring Seects Dick Tiger As Fighter Of The Year

NEW YORK (AP) - Ring Magazine, in its annual review of the year, has selected Dick Tiger, the world middleweight champion, as the Fighter of the Year. The boxing magazine picked Tony Liston's dethronement of fourweight contender Floyd Patterson in two minutes, six seconds, as the Round of the Year. It's selection for the Fight of the Year was the action-packed 15th rounder between middleweight contenders Henry Hank of Detroit and Girolamo of Philadelphia on Jan. 30. Girolamo won a disputed split decision. Earlier this month Tiger, who had battered the middleweight crown from Gene Fulmer of West Jordan, Utah, on Oct. 23, was named Fighter of the Year and winner of the Edward J. Neil Trophy by the Boxing Writers Association. Ring in the February dated issue, also announced its annual rankings. Rangers Whip Bruins 9-3; Bathgate Takes Race Lead

NEW YORK (CP) - Right-winger Andy Bathgate scored a goal and added four assists Thursday night as the New York Rangers to a 9-3 routing of Boston Bruins. The five-pointed Bathgate led the National Hockey League's individual scoring race. The goals were the most scored by one team in a game this season and gave the fifth-place Rangers a record of 17 wins, two losses and a tie against the last-place Bruins. Earl Ingebrigtsen and Don Prentice, Bathgate's linemates, and Dave Balon each scored two goals for the Bruins. Camille Henry and Bronco Horvath scored the other New York goals. Jerry Gattuso, Johnny Bucyk and Guy Gendron were the Boston marksmen. Bathgate now has 15 goals and 22 assists for 37 points, one more than Toronto Maple Leafs' Frank Mahovich, who scored a goal and three assists Wednesday night against Detroit. Bathgate's goal ran his consecutive scoring streak to six games, three away from the record, shared by former Montreal Canadian Maurice Richard and current Montreal ace, Bernie Geoffroy. Johnston required four stitches to close a cut over the bridge of his nose and play was held up for 20 minutes while he received attention. The Bruins took a 1-0 lead midway through the first period but by the end of the frame, it was 3-1 for New York. The Rangers increased their margin to 5-2 in the second period and Groom Set Fire At Raceway BUFFALO, N.Y. (AP) - A groom who had an "irrepressible urge" admitted Thursday state police said, that he set a fire Wednesday night at a raceway that killed 19 harness horses valued at \$50,000 and cost the life of another groom. George F. Briggs, 21, of Mansfield, Mass., a groom for about five years at New York state tracks, was charged with murder. Robert Wimberly, 55, of Philadelphia, the other groom, suffered a fatal heart attack while leading horses from the flaming main barn of the raceway in nearby Hamburg. About 80 trotters and pacers were housed in the barn. Briggs was arrested after police received a report that he had been seen entering the barn shortly before the fire. Police said he ignited straw with a cigarette lighter. A spokesman at the track estimated damage to the building at \$60,000.
