

# Abbies Score 7-2 Win Over Mariners In Opener For NB-PEI Rugby Title

The big and ruzzed Charlotte John Mariner 7-2 under the lights at Memorial Field Saturday night in a bruising game of a home and home series for the New Brunswick-Prince Edward Island Senior Rugby Championship.

Drilling their way with line mashes from scrum to scrum the well conditioned Abbies outdressed their opponents in the second half of the aggressive contest to rack up their winning margin of five points.

The Abbies picking quarter Jack "Sp" Ready smashed his way across the line at the seven minute mark of the second half to foot the only try of the game. Art Perry booted the pignisk through the upright for the convert.

In the first half Perry put the Abbies ahead 2-0 on a 30 yard penalty kick. Gordie Snodgrass of the Mariners evened the score ten minutes later with a good penalty kick from a difficult angle.

Coaches Jim Coyne and Elmer Blanchard of the Abbies and Al Lovatt of the Mariners fielded big powerful squads that averaged about 190 pounds per man and the boys met each other in a dog eat dog battle with no quarter being asked or given.

Temper got out of hand at times as the players applied a steady diet of high tackling gangling attacks after a tackle along with a flavoring of body blocks by the Saint John players.

Through it all there emerged a number of good kicking duels and several good half-line runs. The visitors, who controlled the ball especially in the first half, displayed a fast, passing backfield that came close to clicking on a number of sorties.

The Saint John scrum outshined the Abbies 31-22 during the contest. In the first half they got the ball 18 times against 12 by the locals and in the last half it was 13-10 in favor of Saint John.

Lv. Frank Jekis, who handled the game, dealt out only ten penalty kicks with six of them going to the Abbies and four to Saint John.

Winger J. MacDonald of the Abbies had the first good scoring chance of the game when he raced up the wing after a faulty Saint John kick. The ball, however, took a bad bounce and MacDonald was forced to cut down his speed in order to nab the pignisk. By that time he was covered about ten yards from the line.

At the fifteen minute mark the Abbies were awarded a penalty kick on the Saint John 30 yard line. Perry booted the ball between the posts to put the Red and Black ahead 2-0.

Saint John kicked the ball into Abbies territory but the Abbies got it back with Gerry MacDonald and Charlie Ready doing the carrying. The locals continued to

force the play but forward Herbie Day of the visitors relieved the pressure with a 25 yard run down center field.

Shortly afterwards flying quarter Roary Grant of the Mariners made the smartest run of the game when he galloped 40 yards into the Abbies zone only to fire the ball away on the ten yard line. It was the last time that the Mariners had such a good chance to score a try.

A few minutes later they hit the scoring column when Snodgrass came through with a beautiful penalty kick.

**Second Half**

The Abbies controlled play in the second half and came close to scoring shortly after play started as forward Ebbie Devine raced down to the fifteen yard line. Play shifted to the other side of the field and Gerry MacDonald steamed down to the two yard line before being stopped by fullback Ron MacDevitt's body block.

MacDevitt hurt his shoulder or the play and had to leave the game. The block served to infuriate the Abbies and they turned on the pressure with a relentless battering attack.

They suddenly struck paydirt as Jack Ready took the ball from the scrum on the Mariners 12 yard line and raced toward the line. He was partially blocked by four would be tacklers but swerved to his left and dove across the line for the game-winning try.

Ready crossed the line about fifteen yards left of the goal post, giving Perry a good chance on the convert. Art made no mistake as he found the mark to make the score 7-2.

From then on the better conditioned Abbies, led by their aggressive forwards, forced the play. They had another excellent scoring chance late in the half but Perry missed on an easy penalty kick.

George Scantlebury, the busiest of the Abbies backfielders in the second half, made several good runs for the winners. Rory Grant pulled off another smart gallop for the Mariners.

Harold Howatt also picked up valuable yardage for the locals with some smart kicking while Charlie Ready and Joe Coyne played aggressive ball on the forward line.

The victory kept them in a first-place tie with Halifax Atlantics, who whipped Charlottetown Islanders 8-3 at Halifax.

Leanne Pirie and Claude Beaupre scored Sydney's goals, while Glace Bay's lone marker was tallied by Kevin Rochford.

Pirie opened the scoring late in the first period on a slick play engineered by coach Terry Reardon and Gordie Cowan. Rochford tied it up in the second and Beaupre scored unassisted within two minutes of the game's end.

There were seven penalties, four to Miners.

Sydney goalie Norman Defelice handled 44 shots, including 17 in the first period and 19 in the

The Leafs victory, their first in five games, kept them in a temporary tie for third place with Boston Bruins in the National Hockey League standings.

Trained military censors are available around the clock in Seoul, Pusan and Munsan. It is their duty, and theirs alone, to pass on every story that leaves Korea by telephone or teletype to decide if there is any breach of military secrecy.

Despite this official censorship, many public information officers in both army and air force units try to decide what they will or will not release. In many cases they try to suppress unpleasant facts that have no connection whatever with military security.

## Hungry Islanders Meet Atlantics Here Tonight; Need Money For Players

The Halifax Atlantics return to the Forum tonight to meet the Islanders and foremost on the minds of the Halifax players will be the 3-2 defeat they absorbed at the hands of the local players on their last trip here.

That game, the best of the season on local ice, saw the Islanders produce a hustling, spirited brand of hockey to hand the Atlantics their first defeat of the year. When the Islanders take to the ice tonight it's a good bet they'll be in the same frame of mind as they were for the last Halifax visit.

"Tonight the Islanders will be a hungry team," stated coach Wes "Bucky" Trainor. The Islanders lost their last three games, two of them by one goal margins and they'll be out to get back in the win column at the Atlantics' expense.

And the Islanders will give everything they have to down the visitors. They want the crowds to attract fans is by winning the games.

In a way it's a sort of a vicious circle. In order to ensure they may win the lion's share of the games the Islanders need more hockey players and they need them fast. The hockey players are available if the club has the money to pay for them.

Club officials feel it's up to the fans to show now whether or not they want a winning hockey team. A good turn-out tonight would go a long way towards importing a pretty good centreman, winger, or defenceman.

Marty Burton, the Sudbury Wolves forward, still had not arrived here last night. Burton picked up his transportation to the Island last week but so far club officials have not heard anything from him.

Forward Orin Carver, who has been playing a lot of good hockey for the Islanders injured his knee in Halifax Saturday night. He is walking around and will go to hospital today for an examination. It is hoped that he will be able to play tonight.

Gus Gustavson may be back to bolster the sagging defense. Big Gus has been suffering from a skin ailment during the past week, but coach Trainor stated last night that the big fellow would probably be ready to play tonight.

Here for the first time with the Atlantics will be Lloyd "Bingo" Ernst, a bashing rearward. Ernst started in the Quebec League for several years with Valleyfield, but this year decided to play for his home town, Halifax.

Otherwise the Atlantics line-up should be about the same as that which appeared here a week and a half ago.

## Red Wings Break Slump With Win Over Canadiens

DETROIT (CP) — Ted Lindsay snapped a seven-game slump by scoring twice in the second period to lead Detroit Red Wings to a 5-1 victory over the disorganized Montreal Canadiens in a National Hockey League game here Sunday night before a crowd of 12,305. The victory moved the Wings to within two points of the league-leading Canadiens.

Lindsay, who hadn't scored since Oct. 11, twice shifted through Montreal's porous defence to score on close in drives. After that, the Red Wing captain missed a half dozen chances in trying for his third tally of the game.

Playing without their all-star defenceman, Doug Harvey, who was sidelined with a leg injury, the Canadiens were no match for the Wings. Detroit peppered Montreal goalie Gerry McNeil with 39 shots. He stopped 34 of them compared to only 21 for Terry Sawchuk, Red Wing goalie who missed his third shutout in the final period when Floyd Curry netted in a goalmouth scramble. It was Curry's first goal of the season.

**Summary**

First period: Detroit, Prystai (Kelly, Lindsay) 9:12. Penalties: Reibel 5:58; Bouchard 8:09; Richard 12:06.

Second period: Detroit, Lindsay (Kelly) 1:57; Detroit, Lindsay (Howe, Pavelich) 11:34. Penalties: Richard 4:42, Johnson 3:26, MacKay 4:44, Pavelich 9:18.
