IN MEMORIAM

MacDONALD — In loving memory of my dear grandson, Preston I. MacDonald, who was shot October 30, 1955.

His memory is as dear today
As on the day he went away
Till memory fades and life departs
He'll live forever in my heart
Days of sadness still comes o'er me
Friends may think the wound is healed
But they little know the sorrow
That lies within the neart concealed.

Sadly missed and fondly remembered by his grandmother.

MacKENZIE — In loving memory of our dear mother and grandmother, Mrs. Bessie MacKenzie, who departed her life on October 30th, 1960.

If we had all the world to give
We'd give it yes and more
To hear your voice and see your smile
and greet you at the door
But all we can do dear mother
Is go and tend your grave
And leave behind tokens of love
To the best mother God ever made
We like to think when life is done
Wherever Heaven may be
That you'll be standing at the door
Up there to welcome us

Ever remembered by her family and grandchildren.

Battle Appears Developing Over Nfld. Byelection Time

By JAMES NELSON

OTTAWA (CP) — A considerable battle appears to be shaping up involving the House of Commons vacancy created last Thursday when a Newfoundland court voided the election of Liberal Richard Cashin in St. John's West.

The argument is over whether the byelection should be called as soon as possible, or after a long cooling-off period.

Mr. Cashin, 25, who defeated former Solicitor-General William J. Browne in the June 18 general election on the strength of the armed forces vote, says he intends to hit the campaign trail immediately.

He wants the byelection called as soon as possible because, he says, he hasn't the money to campaign for a long period of time. A fledgling lawyer, he wants to devote his time to politics but would have to go about building a law practice if the byelection doesn't come quickly. However, in St. John's the Cashin family is not regarded as impecunious.

Mr. Browne appears destined to be the Conservative candidate seeking his old place in the House of Commons again. But Conservative strategists here believe that his chances of victory may be greater if the byelection is delayed.

The former solicitor-general, now 65, is a formidable campaigner on the hustings and all things being equal the renewed Cashin-Browne contest promises to be a hot one when it comes.

LIST TWO FACTORS

However, two factors are being given special attention in consideration of the byelection date.

One is Mr. Cashin's youth and the fact that he has demonstrated a certain giant-killer ability. This tends to build up sympathy support for him, the Conservatives acknowledge.

The other is the current provincial general election and its probable outcome Nov. 19. The Conservatives say their Newfoundland cohorts under the leadership of James Greene have a major war with innumerable battles on their hands in the fight with Premier Smallwood's Liberals.

If the Conservatives do not make a good showing provincially, the Liberal tide would tend to add weight to Mr. Cashin's election hopes, the Conservatives say.

So, they believe, time—and lots of it—will work to their advantage.

The St. John's West seat will be officially declared vacant Nov. 5, if the statutory time limits run their course. The government then has 180 days to set the date for a byelection, but it can set the date for any time in the future.

House Briefs

OTTAWA (CP)—More than 120,000 copies of the pamphlet Credit for Profit, published by the Farm Credit Corporation, have been distributed to farmers, news media and other interested parties, Louis-Joseph Pigeon, parliamentary secretary to Agriculture Minister Hamilton, said Monday. He was replying in the Commons to Vincent Drouin (L — Argeneuil-Deux-Montagnes). Mr. Pigeon also said a new French-language edition of the publication is being prepared.

As of Sept. 30, there was a balance of $98,069,661 in the Central Mortgage and Housing Corporation's mortgage insurance fund, Robert McCleave, parliamentary secretary to Works Minister Fulton, informed Bernard Pilon (L—Chambly-Rouville).

The International Joint Commission will provide for public hearings during its investigation of the feasibility of the proposed Richelieu-Champlain waterway, the government informed Edmund Morris (PC—Halifax).

The National Employment Service found jobs last year for 1,119,862 workers, of whom 292,695 were placed in casual or temporary employment, Labor Minister Starr informed David Orlikow (NDP — Winnipeg North). It found work for 958,300 workers in 1960 and 986,073 in 1959.

Mrs. Wilfrid Tasse, postmaster of Montfort, Que., was dismissed for political partisanship, Postmaster-General Fairclough told Vincent Drouin (L—Argenteuil - Deux - Montagnes). Mrs. Fairclough said she made an investigation and Mrs. Tasse admitted her guilt.

The Farm Credit Corporation is considering opening a farm credit office in the Lower St. Lawrence region but a decision as to location and date of opening has not yet been made, Agriculture Minister Hamilton informed Gerard Legare (L—Rimouski) who had asked whether an office would be established at Rimouski.

The CBC assigned 65 persons to the various political headquarters for election coverage the night of June 18, State Secretary Halpenny reported in a written return tabled for Guy Marcoux (SC — Quebec - Montmorency). The breakdown was 12 to Ottawa Conservative headquarters, 12 to Ottawa Liberal headquarters, 10 with NDP Leader T. C Douglas at Regina 14 with Social Credit Leader Thompson at Red Deer, Alta., and 17 with the Prime Minister at Prince Albert, Sask.

Agriculture Minister Hamilton told J.-Aurelien Roy (SC—Levis) that the present average rate of interest paid by farmers on borrowings from the Farm Credit Corporation is 5.5 per cent, up from 4.6 per cent at last March 31.

Body Is Found In Warehouse

PITTSBURGH (AP) — A worker found a body in a tightly-sealed box at a southside Pittsburgh warehouse Saturday, police reported.

Police said the box had been in storage since 1957 and called it "the most bizarre murder case' they had seen in years.

The workman, Alfred Santelli, said he detected an odor coming from the cardboard box. He called his boss, Stephen Olexen, part owner of the Tri-State Moving Company, and they opened the box.

The cardboard box contained a tin box which was sealed. Another cardboard box was inside the tin box and inside the second cardboard box was another metal box which was soldered along its seams.
