Given in marriage by her father, the bride entered the church to the strains of the Wedding March played by Mrs. Clarence O. Nicolle. Miss Nancy MacNevin sang "I'll Walk Beside You" before the ceremony and "O Perfect Love" during the signing of the register. The bride wore a white lace gown fashioned on princess lines. Her shoulder-length veil was held in place by a coronet of sea pearls and she carried a bouquet of American beauty roses. The bride was attended by her sister, Mrs. Noel A. MacNevin who wore a gown of yellow tulle with white and headpiece of yellow tulle. Her bouquet was of bronze gladioli. Miss Rita Mae Ferguson, cousin

Montague United Church Ladies Aid

The September meeting of the Ladies Aid of Montague United Church was held at the home of Mrs. Effie Bruce on Tuesday evening. The meeting opened with the singing of a hymn. The roll call was answered by twenty-one members. Two visitors were present. The minutes of the last meeting were read and approved. The monthly report was then given by the treasurer, Miss Lord reported that she had purchased some silver for the church.

A letter from the secretary of Lower Montague Ladies Aid was then read inviting the Montague ladies to a meeting at Lower Montague, followed by an auction sale, on Friday evening, Sept. 15th.

Mrs. A. D. MacKenzie then spoke to the ladies and said that they were very pleased with the new refrigerator and surprised to find it so well stocked with food. She turned home. She also thanked the ladies for the splendid job done on the bath room. Mrs. MacKenzie then gave a very interesting talk "Living on nothing but Faith" which was extremely interesting to all present.

The meeting then closed with the Mizpah benediction. A delicious lunch was served and a pleasant half hour was enjoyed.

How About it Mister!
Are You Stronger than a Horse?
Of course you're not, but I am! In fact, I'm 1/3 stronger than a horse and can do lots of jobs easier than you can. So why knock yourself out doing back-breaking chores? An ELECTRIC MOTOR can save you time and work. And I'll make that motor hum a tune of increased profits. Remember... motors mean more profits... less work.
