TORONTO (CP)—Centre Earl Reibel scored midway in the third period Saturday night to give the second-place Detroit Red Wings a 2-1 victory over the third-place Toronto Maple Leafs before 12,980 National Hockey League fans.

The free-wheeling Detroiters were backed by the great work of substitute goaltender Glenn Hall, replacing Terry Sawchuk for three games.

Reibel broke up the engagement at 7:22 of the final session by ramming a pass from defenceman Red Kelly past goaltender Harry Lumley.

Glen Skov tallied the other Detroit goal at 13:01 of the second period. Eric Nesterenko scored the only Toronto goal at 12:38 of the second. That gave Leafs a brief 1-0 lead.

In the third period referee Bill Chadwick threw hot-tempered Tony Leswick of the Wings out of the game with a 10-minute misconduct and a game misconduct for saying something ungentlemanly to him.

Leswick refused to leave the ice. He dropped his stick and threatened Chadwick as Detroit players and the two linesmen grabbed him. It took nearly a full minute to steer the irate Leswick to the exit door.

Warns Against Major Leagues Expansion Talk

NEW YORK (AP) — Baseball commissioner Ford Frick has warned all major league executives he will consider loose talk about league expansion "detrimental to baseball" until the time has come for specific action.

Frick's order, sent privately to all major league clubs as "notice No. 5," resists the idea for the present and the American League said it planned no immediate expansion although it set up standards for new applicants.

The names of San Francisco, Los Angeles, Houston, Dallas, Ft. Worth, Minneapolis, St. Paul, Montreal and Toronto have been bandied around ever since the successful shift of Boston Braves to Milwaukee. The shifts of St. Louis Browns to Baltimore and Philadelphia As to Kansas City brought new pressure from minor league cities.

Several times Frick has been quoted as saying he thought expansion inevitable and there is no indication he has changed his mind. However, he sees the harm to minor league franchise owners in "loose talk of their major league brothers."

The National League recently announced it had abandoned the 10 club idea for the present and the American League said it planned no immediate expansion although it set up standards for new applicants.
