A WEEKLY INFORMATION SERVICE

**MONTEAL, June 21st**—Thinking won't make it so... Beautiful movie star Joan Bennett thought all face creams were alike—thought her face was immaculately clean after she'd used her regular cleansing cream. Then she tried the "tissue test" and found that **WOODBURY COLD CREAM** floated out hidden dirt! Why is Woodbury so different? Because it has Penaten, a new "miracle" ingredient that actually penetrates deeper into your pore openings. Penaten lets Woodbury's wonderful cleansing oils go deeper to loosen every trace of grime and make-up! And, thanks to Penaten, Woodbury Cold Cream smoothes your skin more effectively, too! Buy a jar today—23c, 45c, 75c and 1.15.

**No More Frowns For Me** because of pa-i-n-f-u-l corns! I've just made a new "foot friend" in **BLUE-JAY Corn Plasters**—with Phenylum! What's that? It's the greatest scientific discovery in years to us people with unhappy feet! It's the most effective medication ever invented for corns and calluses! Took ten years of scientific research by the Blue-Jay folks to perfect Phenylum... and now it's effective in 95% of the cases tested! So, if corns or calluses have been making you feel like growing at everyone... just buy "Blue-Jay" Corn Plasters with Phenylum and end your troubles!

**Ever Tasted Strawberries** picked right off the vine—red ripe and full of wonderful flavour? That's why Wagstaffe has its jam kitchens right in the heart of Canada's best strawberry districts. And to taste strawberry flavour that's "out of this world"—try the fresh **NEW PACK** of Wagstaffe Pure Strawberry Jam. Just open a jar of Wagstaffe Pure Strawberry Jam and smell that tantalizing strawberry jam aroma. Yes, it comes from plenty of sun-ripened berries cooked with pure sugar until they practically jell in their own delicious juice! Enjoy the gorgeous flavour of strawberry jam that's the "real thing"—in the **NEW PACK** of **WAGSTAFFE PURE STRAWBERRY JAM**—available soon at your grocer's.

**At Less Than Half Price**... a delicious, nourishing meal! It's the best news in a long time—and it comes straight from the Heinz kitchens where they've prepared their thrifty main-course dishes for us—dishes that cut the cost of meals in half! Just compare the cost per pound of most substantial foods with the cost per pound of **HEINZ OVEN-BAKED BEANS** or **HEINZ COOKED SPAGHETTI**. The cost is less than half of some expensive foods—but not the nourishment! Find out just how good these nourishing, low-cost Heinz varieties can be! **Write to me**—Barbara Brent, 1411 Crescent St., Montreal, P.Q.—for your free copy of "Oven-Baked Bean Recipes!"

**You Know** and I know, too—that we women keep a secret. For instance, does your husband know how grey your hair is getting? Nope!—not when you keep a secret with wonderful **NESTLE COLORINT**! Nestle Colorint is not a dye—it's safer, easier to use than a dye. Lasts through three shampoos, yet lathers out when you want it to. And it hides grey hair completely—with beautiful, youthful color. Whether you're blonde, brunette or redhead—there's just the right shade of Nestle for you... 10 enchanting shades—6 capsules for \$1. Try **NESTLE COLORINSE**, too—to highlight the beauty of your hair. It rinses in—shampoos out... 6 rinses—just 39c.

**A Bathing Beauty**... and once you've taken a refreshing bath or shower with a **soft C-I-L SPONGE**, I just know you'll agree! It's so smooth and gentle to the skin—and, even more, it adds beauty to your bathroom—for now you can get **C-I-L Cellulose Sponges** in **COLOUR**—to blend with your bathroom accessories and add a touch of glamour (at little cost)! **Blue**—Coral Yellow—Green... you'll love them! Everyone in the family can have a "personalized" bath sponge from baby to grandpa! And, remember—**C-I-L Sponges** float—hold 20 times their weight in water—and they're long-lasting. Ask for **C-I-L Coloured Sponges**—at department, drug, variety, grocery and hardware stores.

**Are You "Scrimping Along"** from pay-day to pay-day? It's no life for a woman, is it? So many of my friends have been doing just that since the cost of living got so high 'n' mighty. Now, with **Personal Planning**, the **BANK OF MONTREAL'S** wonderful, down-to-earth system of handling your money, most women can say "goodbye" to unpleasant scrimping. Several of my friends have already proved that **Personal Planning** in their income helps it overtake rising prices and increased taxes... and even leaves a bit over for savings. So take a tip from me and get your copy of the booklet "**PERSONAL PLANNING**" today. It's as close to you as your neighbourhood branch of the **B of M**... and the only obligation is to yourself!

**UNION ROAD W.M.S.**

Meeting opened by singing "Jesus Shall Reign", followed by "Lord's Prayer." Verse readings from Scripture were read. Hymn "Jesus Saves" was then sung, followed by sentence prayer. Christian Stewardship reading by Mrs. B. MacMillan. Roll call was responded to by 15 members and three visitors. Minutes of last meeting were read and adopted.
