## UPEI NEW MEMBER

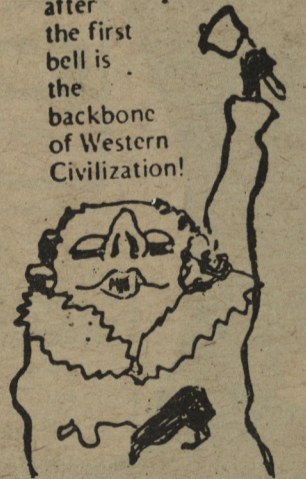

The University has become a corporate member of the World Expeditionary Association, a non-profit organization largely concerned with operating chartered flights from Britain to North America and the Caribbean. It also sponsors and helps subsidize various expeditions. Individuals who want to take ad-

vantage of the charter flights must join as individuals, but the University will supply schedules. For further details, contact the office of the University President. (Unfortunately, flights must originate in the United Kingdom and return there.)
