TREATS FROM THE OVEN

Carnation Home Service Division

SO MANY GOOD THINGS come from the oven! Pies and cakes for instance, casseroles, breads and rolls and muffins—not to mention countless wonderful meat dishes. One of my favorite oven dishes is an Au Gratin Casserole. Smells so good in the kitchen... tastes so rich... and with all this, it's so easy to make! The secret is a short-cut cheese sauce made with Carnation Evaporated Milk. Since Carnation Milk is double-rich, no shortening or flour is needed. And Carnation's special blending qualities do wonders for the flavor and consistency—as in every recipe calling for milk.

AU GRATIN CASSEROLE

1 large can undiluted CARNATION EVAPORATED MILK

1 cup grated processed-type Canadian cheese

1/2 teaspoon dry mustard

1/2 teaspoon salt

1/2 cup diced pimiento

2 cups sliced, cooked meat

2 cups well-drained cooked green beans

1 cup buttered bread or cracker crumbs

To make Carnation Cheese Sauce, simmer Carnation in saucepan over low heat to just below boiling. Combine cheese, seasonings and pimiento; stir in slowly. Add hot milk and cheese sauce. Arrange meat in alternate layers with beans in buttered casserole. Pour Cheese Sauce over meat and beans. Top with crumbs. Bake in moderate oven (350°F.) about 30 minutes.

RECIPES NOW ON CARNATION LABELS

The choice of my recipes are now printed on Carnation labels. There are many delicious dishes—all are very, very good. Look for the recipes on the Carnation Milk you buy. Party plates, occasional family dishes, dishes for special occasions. These which are especially good for children. Try them. You'll be delighted. Remember that you get results with Carnation milk possible with any other form of milk.

OVENS MEAN BAKING... baking means just one of my favorites in an open-face pie with a custard and apple filling—spicy and delicious, delightfully Continental in its character. It's simple to make.
