OUR HATS Lace Curtains!

were not made twenty-five years ago, nor do we ask old-time prices. Our assortment is the largest on P. E. Island, and our styles the latest. We know what the people want and we buy to suit our customers.

If you can't get a Hard or Soft Felt Hat to suit you at PROWSE BROS., you need not try in the city.

We have bought the largest stock of Hats for Spring in the city, and in buying such large quantities we bought as low as any wholesale house in the Dominion.

Why go to a house where they only keep about three dozen Hats, when you can buy from men who import hundreds of dozens of First-class Hats.
