Preparations for Filibusters

THE SITUATION AT PARIS!

Commune Resolved to hold out.

GERMANS PREPARING TO INTERVENE.

London, April 17.—Despatch from Melbourne, March 28 says all Australian Colonies are fortifying their Ports, in consequence of warning said to come from Home Government that a descent is threatened by American fillibusters.

London, April 17.—Versailles troops are spreading round the city, they are in strength at Gennevilleries, and extending their lines to St. Dennis.

People are flying from Paris in great numbers. The city only consumed five-eights of its usual quantity of flour.

Dombroki's wounds will disable him for a few days.

Versailles Assembly has ordered Municipal election in Paris 30th. It is rumoured that the Representatives of England, United States and Italy, are jointly urging Commune to a truce

London, April 17.—The Versailles army has been concentrating the last four days. A general and formidable attack is expected. The Germans at Critiel have been reinforced with 18,000 men, and are preparing to intervene.

Cannon and musketry firing continued throughout Saturday. An obstinate struggle is going on at Neuilly where the ground is disputed inch by inch.

The Commune is resolved to continue defence to the last.

The sale of horse flesh has again been commenced, and there are other signs of a scarcity of food in the city.

London, April 18.—Despatches from Paris state that on Monday morning two more churches were pillaged and the priests arrested.

The Commune has forty million of francs in specie, furnished by the Bank of France in exchange for bonds of the city.

The Communists have occupied the woods near Colombey, beyond Asnieres, and have taken Neuilly Church.

A boy of sixteen planted the "Red" Flag on the tower of the Church amidst a showers of rifle balls.

General Dombrowski was wounded in the neck by a fragment of a shell and lies in a dangerous condition.

The elections have proved a farce, not more than one-tenth of the voters of the city threw their votes.

There was great excitement to-day on the anoucement being publicly made that the Prussian would aid in the seige of Paris.

Despatches from Versailles, dated to-day (noon) have been received here. From them I learn that Bismarck lately threatened an armed intervention. But Thiers met the threat by threatening to dissolve the Assembly and let the country go without legitimate Government. Bismarck withdrew his threat, and it is now agreed that the Germans shall assist the Assembly in the work of starving the city into compliance with the rest of France.

The Germans have closed St. Dennis Gate and provisions are getting scarce and scarcer in the city.

Blancque, a Communist, has been arrested in the interior and will be tried for conspiracy, at Versailles.

JOHN P. MOTT'S CHOCOLATE BROMA AND OTHER COCOA PREPARATIONS, APPROVED OF AND RECOMMENDED FOR MORE THAN A QUARTER OF A CENTURY BY THE MOST EMINENT PHYSICIANS OF BRITISH NORTH AMERICA.—To those who desire the best productions of Cocoa, free from deleterious substances, unsurpassed in quality, and more nutritious than Tea or Coffee, the undersigned offers the above articles manufactured by himself. His Broma, owing to the peculiar process of manufacture, by which the oil of the nut is completely neutralized, while all its virtues are retained, affords, as well to the robust as to invalids, and those whose digestion is impaired, a delicate and salutary beverage. That its value as an easily digested and highly nutritious article of diet is recognized by the highest medical practitioners in the Dominion, the following testimonials amply demonstrate.

JOHN P. MOTT.

Having tried the Broma made by Mr. John P. Mott, of Halifax, N. S, and having been made acquainted with its several ingredients, we are of opinion that it is a combination at once innocent and highly nutritious, not only to persons in health, but also to the weak and debilitated; and that, from the facility with which it may be prepared, and the salutary properties of its ingredients, it is a valuable compound, and we cheerfully recommend it to convalescents and all who require a mild and strengthening food.
