Hello There, Reuben!

WHAT BEAUTIFUL HORSE HAVE YOU NOW ?

Reuben : "Don't you know him?"

Stranger : "Why no, I don't."

R—"Don't know that stallion ISLANDER, by Parkside ?"

S.—"Well ! That is never ISLANDER is it ? Why, he is so fat that you can't feel a rib in him and his skin is shining like a silver dollar. What in the world have you been feeding him with to make such a change in a horse as that in so short a time ?"

R—"MCDONALD'S CONDITION POWDERS".

S—"And they will put a horse in such a shape as that?"

R—"Yes I have used them for 6 years and they have never failed yet. They are put up by JAMES McDONALD, V. D. S, Summerside."

S—[Looking admiringly at ISLANDER] : "How clean his limbs are—hard and firm as steel."

R—"That's what they are."

S—"Look at that head up, will you. See how he holds his tail—and such a perfect, free action."

R—"Well, I guess."

S.—"That's what McDonald's Condition Powders do for a horse ?"

R—"Yes, they are the powders."

S—"How much do they cost ?"

R—"Only 30 cents per lb You can get them at any country store, or right direct from the manufacturer's at McDONALD'S DRUG STORE SUMMERSIDE."

Home Occupations for Little Children

By KATHERINE BEEBE.

WHAT Miss Beebe's "First School Year" is to the primary teacher this little volume is intended to be to mothers. Miss Beebe believes that the ceaseless activity of children calls for employment, and "Home Occupations" is full of ways and means for mothers.

Enthusiastically endorsed by the press and leading kindergartners.

Hundreds of Hints on How to Make the Little Folks Happy

Lists of Stories, Songs and Plays

Invaluable to Mothers and Nurses

In this book the Kindergarten offers to the Home suggestions for the occupation of little children with simple materials. The author does not presuppose a kindergarten training on the part of the mother, nor an ideal environment. She simply takes for granted the child's ceaseless activity and the mother's desire to furnish him with material and opportunity for development.

The occupations here considered are of three kinds. The first are those which require the active participation of an older person; the second, those for which only occasional direction or assistance is necessary; the third, those in which the child can engage by himself.

FROM THE NEW YORK WORLD.

"Home Occupations will be welcomed by weary mothers, for it is very clever and full of hints and suggestions they can carry out."

FROM THE PHILADELPHIA PRESS.

"Home Occupations should be read by all mothers, and all other people who have the care and training of infant minds."

"One of the remarkable features of the book is the extent to which home materials and home-made contrivances are brought into play. Cedar blocks, sand, clay, boxes, scissors, paste, paper, pencils, beads, garden tools, drawers, seats, block boards, and nearly everything called into requisition by Miss Beebe's methods, are within easy reach of most children into whose hands her book will fall."

FROM THE BOOKSELLER.

"Home Occupations for Little Children, by Katherine Beebe, a well-known kindergartner, of Evanston, Ill., will be welcomed by many mothers, who will find it full of valuable suggestions to aid in rearing their little ones. Many cross and disagreeable children would be speedily restored to good nature if their mother or nurse knew enough to guide the immature mind to some pleasant occupation without too great interference with its own freedom."

FROM THE KINDERGARTEN MAGAZINE.

"Any mother with the problem of restless little people to lead into the paths of happiness and usefulness, can find much assistance in Miss Beebe's little book, and would do well to avail herself of its thoughtful suggestions."

Painters' Kidneys.

The worst thing a painter has to contend with is the turpentine.

The lead, of course, is bad too.

But the turpentine cuts the kidneys, inflames and weakens them, makes the painter's life a dangerous and troublesome one. When a painter's backaches, its time for him to begin treating the kidneys.

DOAN'S KIDNEY PILLS

will fix them up—take out the inflammation and congestion, give ease to the aching back.

Mr. J. Evanson, the well-known painter and decorator, 50 Oxford St., Toronto, Ont., said: About eight weeks ago I was taken with an excruciating pain in my back over the kidneys. It was so bad that my wife had to apply hot cloths till the doctor came and gave me morphine.

He said the trouble was due to a stone passing from the kidney to the bladder.

My water was loaded with a brick dust deposit and scalded on passing.

While in this condition I heard of Doan's Kidney Pills and started taking them.

It was not long before I got relief from pain and have been improving in health ever since. My urine is now clear and does not smart me, and I feel better than in years.

LAXA-LIVER PILLS. These little black fellows act easily and naturally on the system, clearing away all bile and effete material. Constipation, biliousness, dyspepsia, sick headache, heartburn, waterbrash—all disappear when they are used. Price 25c.

Your Stomach Distresses You

after eating a hearty meal, and the result is a chronic case of Indigestion, Sour Stomach, Heartburn, Dyspepsia, or a bilious attack.

RIPANS TABULES

Promote Digestion, Regulate the Stomach, Liver and Bowels, Purify the Blood, and are a Positive Cure for Constipation, Sick Headache, Biliousness, and all other Diseases arising from a disordered condition of the Liver and Stomach. They act quickly yet promptly, and perfect digestion follows their use.

Ripans Tabules take the place of an Entire Medicine Chest, and should be kept for use in every family.

Price, 50 Cents a box. At Druggists, or by mail.
