

Music Society News

Three facts you should know:

1. The weather is getting colder
2. Christmas Break is fast approaching
3. The Music Society has been busy planning events and activities.

One of these events was the Music Society Pub, held on Thursday, Nov. 13. We had live entertainment featuring the Republic and Briefcase and everyone who went had a great time. We would like to thank all those who helped out with this event. Whether they made posters, passed out flyers, got door prizes, or "worked the door" and sold tickets for us, we appreciate their support.

A very important upcoming event is our annual Play - a - thon (Nov. 22-23). This year we are holding 12 hours of continuous music on stage in the Steele Recital Hall, (as opposed to the originally advertised 24 hours) and we plan to have a fabulous time doing so.

The music starts Friday at 1:30 pm, doors open to the public at 3 pm, and we wrap it all up with a group

sing - song at 1:30 am. We would love your pledges or donations - just call 368-9765 and ask for Jacqueline or Annette. Feel free to drop in anytime after 3 pm, say hello, and listen to some great music. A new project for Music Society this year is our newsletter - minor details. It is a paper designed by and for musicians - whether they be UPEI Alumni students, professionals or amateurs. We plan on having an issue out every season and we welcome submissions from anyone - just drop them off at the Steele Bldg (Att. Annette Campbell) If you want to subscribe to our newsletter simply call 368-9765. One final note - The society has ordered T - shirts with its new logo as designed by Darren Tuck. (Thanks again, Darren) They are expected in any day now, so if you would like one, just call Jacqueline or Jill at 368-9765. Finally, here is a listing of our upcoming concerts. See you there!
