WHERE CREDIT IS DUE.—Mr. Patrick Barke, the well-known painter and decorator, is being deeply complimented upon the excellence of the work performed by him in Mr. J. J. Gillis' tenorial establishment on Queen Street. The painting and decorating of the interior of the building has been the work and shows clearly that Mr. Barke thoroughly understands his business.

ATTEMPTED SUICIDE.—George Osmond Balfour, a well-to-do farmer, residing near Lawrenceville, N. S., made an unsuccessful attempt to commit suicide on Friday. He drank enough carbolic acid to kill ten men—so much, that it made him vomit and thereby saved his life. At latest accounts he was in a very precarious condition, but the doctors think he will pull through.

ACCIDENTALLY KILLED.—Mrs. William Marsh, of Economy, N. S., fell from her carriage on Saturday and was instantly killed, her neck having been broken. The evidence at the inquest showed that Mrs. Marsh was observed to lay down the reins when driving and gradually lean over the wagon till she fell from her seat. The deceased had been in apparently good health, and was about 70 years of age.

THE COSBOY CONCERT COMPANY give one of their popular entertainments in Summerside this evening, and are expected to draw a large audience. The programme for the evening consists of two nights, 29th and 30th, at the Opera House. AN INJECTION.—In Moncton on Friday night, just previous to the performance of Trilly, the manager of the Company, Mr. Ranous, was served with a copy of an injunction served on another company in Denver. The injunction was served at the instance of A. M. Palmer, of Palmer's Theatre. Mr. Ranous paid little attention to the document, however, but when he returns to the United States he is liable to be arrested for contempt of court.

HORSES WANTED.—Mr. A. Millard arrived here last evening from London, England, he wants them any color, ranging from 1150 to 1600 lbs. Last year Mr. Millard shipped to the old country from Ontario about 1700 horses, and already this year he has sent over 800. This is the best chance our farmers and others who have horses to sell, ever had. Mr. Millard wants nice blocky horses, principally for horse-car service. He will remain at the Revere Hotel for a month or so, or probably longer, providing he can buy about two carloads a week. Look out for advertisement.

QUEEN'S BIRTHDAY AT SOBRIS.—Owing to the disagreeable state of the weather on Friday last, the day was not observed at Sobris as it would have been had the weather proved fine. At 12 o'clock, noon, a detachment of No. 4 Co., G. A., under command of Capt. Brennan, marched to their battery and fired a salute of 21 guns. This was done in a very creditable manner, notwithstanding the fact that the men were obliged to perform their work with great coats on, and during a heavy downpour of rain. A very exciting game of football was played in the afternoon by teams from the Sobris football club.

The inhabitants are panic-stricken, and will pass the night in open spaces. The total number of shocks was 25. The Greek church, built 300 years ago, was moved several yards, but is still standing.

ST. JOHN'S, Nfld., May 25.—James Goodfellow, James Pitts, Frederick Goodridge, George Hutchinson and Edwin Dudgeon, directors, and Henry Cook, manager of the defunct Commercial Bank of this city, were yesterday committed for trial in the Supreme Court upon the charge of having made false statements as to the bank's condition. The committing magistrate stated there was no charge whatever of personal dishonesty against them.

FALL RIVER, May 25.—Frank Gagnon, a Frenchman, 35 years old, some months ago was employed at the Seaman's mill, and while at work a beam fell on his leg. He is now a cripple. Gagnon brought suit against the mill and this afternoon in the superior court at New Bedford, the jury awarded him \$300. Gagnon has been much worked up over the possible outcome of the suit. He has not slept at all for three or four nights. He was intensely excited over the verdict, and a few minutes after he arrived home he became violently insane. He smashed everything within reach, and policemen took him to the eastern station and put him in a strait jacket.

LONDON, May 26.—A despatch from Rome says at 12 tonight returns showed the election of 63 ministerialists, and 53 candidates of the opposition. Ex-Prime Minister Giolitti is re-elected in Dronero, Signor Zanardelli, ex-president of the chamber of deputies in Iseo.

LONDON, May 25.—The Times publishes a despatch from Kobe, Japan, stating that matters in Corea look serious. Changes in the ministry are constant. Prince Pak, who has been a refugee in Japan for ten years and who was the last hope of the Japanese, has now abandoned the policy of Count Inouye, the Japanese minister at Seoul, and is intriguing with the Queen and secretly communicating with the Korean minister. It is reported that Count Inouye believes reform of the country is hopeless. It is expected he will shortly return to Japan.

PERSONAL.—Sir Charles H. Tupper has returned to Ottawa. He appears to be much improved in health.

W. A. Brennan, of the Summerside Journal, registered at the Hotel Davies yesterday afternoon. H. H. Schaeffer, of the I. C. R. Moncton, arrived here last evening. He is registered at the Hotel Davies. Inspector Byrnes, of the New York police force, tendered his resignation on Monday. It was at once accepted.

Mr. Charles R. Smallwood will act as Squire's Magistrate during the absence of Magistrate Lazard, who is about taking a brief holiday. Lord Dunraven is now no longer a mere Lord. He amounts to something in the world. New York tailors are naming trousers after him. Registered at the Queen Hotel this forenoon: William Lamont, Eldon; J. P. Willard, Wolville, N. S.; W. Mutch, Eldon. The London Daily News, calls the late Lord Selborne the "greatest lawyer of his age and country." He was a man of singularly acute intellect, and his memory was extraordinary for its range and accuracy.

At Greenwich church, St. Andrew's, N. B., on Thursday evening, Rev. Norman McKinnon, of St. John, formally inducted to the pastorate of the church, Rev. A. W. Mahon, formerly of St. Peter's Road, P. E. Island.

Mr. Lemuel Winchester has returned from Montreal, where he has been undergoing treatment for an affection of the eye. It is pleasing to hear that as a result of an operation performed by Dr. Buller, Mr. Winchester's sight has been greatly improved.

It is intended to learn by despatch from Sackville that at the closing exercises of the Ladies' College, Miss Mary Doull, of Charlottetown, won the J. Wesley Smith first prize for drawing. It will be remembered that Miss Doull, when attending this institution some two or three years ago, carried off the studio prize presented by Mr. Macdonald, of Halifax. The studio prize is awarded for the best picture of the season. The EXAMINER congratulates Miss Doull upon her success.

PREBYTERY.—The Presbytery of Prince Edward Island met in Tyne Valley on the evening of the 23rd inst., for the induction of the Rev. Mr. McKenzie. After divine service conducted by Rev. Wm. McKay, the moderator, Rev. Alex. Stirling, briefly narrated the steps leading up to the settlement of Mr. McKenzie, put to him the questions of the prescribed formula, and then with solemn prayer inducted him into the pastoral charge of Tyne Valley, Lot 11 and Sheep River. Mr. McKenzie was then welcomed by the members of the Presbytery, after which the charge was delivered to him by the Rev. Wm. McLeod. The people were addressed by Rev. J. K. Frazer, after the newly inducted pastor was welcomed by the congregation. The Presbytery adjourned to meet at Elmfield on Tuesday, June 4th, at 10 a. m. for the ordination of Mr. A. D. McDonald, and his appointment as missionary to that congregation for one year.

HE WAS MISFORTHEN.—Some time ago Dr. Bourne, of Ottawa, received a letter from a professor in a well known university in a western state, asking for reports and opinions as to the value of the various opinions of the legislatures of the provinces with respect to the annexation of the Dominion to the United States. As Dr. Bourne had never heard such a debate in the Dominion parliament or in the provincial legislatures, he was unable to comply with his correspondent's request. All that he could do was to tell the professor that he had been misinformed, having probably been misled by the reckless and mischievous utterances of a few newspaper editors in the United States who manufacture Canadian opinions from their own sanctuaries.

BUILDING LOT SOLD.—The valuable lot fronting on Hillsborough Park, owned by Judge McLeod, which was reserved at \$1,140 at the sale last week, has since been purchased by John McMillan, Esq., chief engineer of the steamship Stanley.
